Does Your Heart Beat

Yes, 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to take for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

One frequent cause of bad blood is a sluggish liver. This produces constipation. Poisonous substances are then absorbed into the blood, instead of being removed from the body daily as nature intended. Keep the bowels open with Ayer's Pills, liver pills. All vegetable.

Made by J. C. Ayer Co., Lowell, Mass.

Mr. Thomas Younkin, of Grantsville, Md., and Miss Carrie Morgan, of Strawn, Pa., are to be married tomorrow. The ceremony will be performed at Strawn, by Rev. Moore, of the Lutheran church, and, we presume, the happy event will take place at the bride's home. The contracting parties are very popular among their acquaintances, are first rate young people, and have the congratulations of all their friends in advance.

The trout season will open on April 15th. Our local fishermen will no doubt be glad to have three handy places to get bait, instead of only one, as was the case last year at the opening of the fishing season. Bait can now be had either at "Hen" Loeche's, "Dice" Hay's or "Charley" Paschke's. A lively sale is expected on all the leading brands, and no doubt the disciples of Izaak Walton will call early and often to avoid the rush.

Married, March 27th, 1906, in Meyersdale, Pa., by the local M. E. parson, Mr. James R. Younkin, of Grantsville, Md., and Miss Emma Cochrane, of Salisbury, Pa. The groom is a son of the late Cyrus Younkin, and he is a first rate, thrifty young man. The bride is the eldest daughter of Mr. and Mrs. Wm. Cochrane, of this place. She is a bright young woman, and graduated from the Salisbury High School, two years ago. THE STAR extends its best wishes and congratulations to the young couple.

The best safeguard against headache, constipation and liver troubles is DeWitt's Little Early Risers. Keep a vial of these famous little pills in the house and take a dose at bed time when you feel that the stomach and bowels need cleansing. They don't gripe. Sold by E. H. Miller. 4-1

A. G. Livengood returned home from Grand Rapids, Michigan, several days ago. He has just graduated from a good veterinary college there, and is now a full-fledged "V. S." We presume he will locate here, but have not learned of his plans, so we can't say for sure what he will do. But we need a good veterinary surgeon here since Dr. Howard DeLozier has made his fortune and retired from active practice, and we know of no better man to fill the long felt want than genial Dr. "Abe" Livengood.

Living indoors so much during the winter months creates a sort of a stuffy, want-of-ozone condition in the blood and system generally. Clean up and get ready for spring. Take a few Early Risers. These famous little pills cleanse the liver, stomach and bowels and give the blood a chance to purify itself. They relieve headache, sallow complexion, etc. Sold by E. H. Miller. 5-1

Clyde, a young son of Mr. and Mrs. Nevin Newman, met with an accident, last Sunday, while playing in Richard Glotfelty's barn with some of his companions. He fell a distance of about 18 or 20 feet, landing on the barn floor, which resulted in a broken arm. Clyde seems to have a mania for getting hurt. Several years ago he had the same arm broken, once he had one of his legs badly scalded, and at another time he was thrown from a horse and almost killed. The lad seems to have been born under an unlucky star.

Elder J. W. Beer, a well known and prominent member of the Brethren church, died at his home at Lathrop, California, recently. He at one time resided at Meyersdale, and at that time was regarded as one of the ablest men in the German Baptist Brethren church. When the split came in that

denomination, about 1881 or 1882, Elder Beer joined issues with the Progressive faction. While not a very fluent talker, Elder Beer was nevertheless a writer and author of fine ability, and at various times was connected with the church publishing houses.

A liquid cold cure for children that is pleasant, harmless, and effective is Bee's Laxative Honey and Tar. Superior to all other cough syrups or cold remedies because it acts on the bowels. An ideal remedy for Coughs, Colds, Croup, Whooping Cough and all curable lung and bronchial affections in child or adult. Pleasant to take. Sold by Elk Lick Pharmacy. 6-1

John Hawn the noted hunter, fisher and trapper, came down from Negro Mountain, Tuesday, and was greatly surprised to find so little snow in and about town. He said when he left his abode in the morning the snow up there was 15 inches deep, and he proved it by showing a mark to where it reached on his cane. He told a representative of THE STAR that he made nearly a hundred dollars during the winter by trapping, and among other game captured, he says he killed 47 racoons during the season, adding that they were not very plentiful during the past few years.

The tar that is contained in Bee's Laxative Honey and Tar is harmless. It is not coal tar, but is obtained from the pine trees of our own native forests. Bee's Laxative Honey and Tar is the best remedy for colds because it acts on the bowels—thus expelling all colds from the system. Bee's is the original Laxative Honey and Tar, and is best for coughs, colds, croup, whooping cough, lung and bronchial affections. Sold by Elk Lick Pharmacy. 6-1

One of Iowa's editors tells of his married experience thus: "Sing a song of swelled heads, a fellow full of gin, coming home at 4 a. m., his wife won't let him in. His feet are full of tanglefoot, his head is full of wheels, the keyhole runs around the knob, he a funny feeling feels. He puts his feet upon the porch, his head upon the ground, and all the time within his 'mug' the wheels are going round. He thinks that he is sober, that every one is tight, and that he's in his bedroom instead of out all night. He thinks the moon's a dollar and will buy a dozen drinks, and various other thoughts he thinks, and thinks and drinks and thinks, and thinks. But when his wife she cometh (and with a hickory slat) he gives a shout and yelleth, 'Now, Mary Ann, quit that.'"

A dose of Pine-ules at bed time will usually relieve backache, before morning. These beautiful little globules are soft gelatine coated, and when moistened and placed in the mouth you can't keep from swallowing them. Pine-ules contain neither sugar nor alcohol—just gums and resins obtained from our own native pine forests, combined with other well known bladder, kidney, blood and backache remedies. Sold by Elk Lick Pharmacy. 6-1

Addison News.

April 2nd.—Elder Travis, pastor of the Addison M. E. church, formerly of Elk Lick, Pa., sends his best regards to the editor of THE STAR and family. Rev. Travis reports that they haven't run him out of Addison yet.

Married, last Wednesday evening, at eight o'clock, our neighbor, Mr. Wm. Watson and Mrs. Estella McMullen, of Somerfield, Pa. The ceremony took place at Somerfield, and only the immediate friends of the couple witnessed it. However, the "Somersfield Scouts" were waiting on the outside, in full force, and as soon as Rev. Travis pronounced the words that made the couple man and wife, then the music began, and Mr. and Mrs. Watson were heartily and noisily congratulated.

It is said that all the people on Pike street, Addison, are busy tuning horse-fiddles, cow bells, horns, wash boilers and other musical bricabrac to be used when William and his wife get settled here. We will give them such a welcome as only old Addison knows how to give.

Mr. Watson was married about eighteen or twenty years ago to a Miss Augustine, who died about seven or eight years ago, leaving her husband with two children. The groom is one of our leading citizens, owns much real estate in this vicinity and is president of the First National Bank of Addison. The bride was the wife of the late S. A. McMullen, who died several years ago, leaving her with two or three children. She is a very estimable lady. We wish the couple a long, useful and happy life.

A surprise party was given at the home of Mr. and Mrs. Facenbaker, recently, in honor of Mr. Jacobs, the retired farmer of Addison, on his 60th birthday. A great many guests were present, and the evening was very pleasantly spent.

DON'T TIE YOURSELF UP.

Don't tie a cough or a cold up in your system by taking a remedy that binds the bowels. Take Kennedy's Laxative Honey and Tar. It is different from all other cough syrups. It is better. It opens the bowels—expels all cold from the system, relieves coughs, colds, croup, whooping cough, etc. An ideal remedy for young and old. Children like it. Sold by E. H. Miller. 5-1
