For Thin, Poor Blood

You can trust a medicine tested 60 years! Sixty years of experience, think of that! Experience with Ayer's Sarsaparilla; the original Sarsaparilla; the strongest Sarsaparilla; the Sarsaparilla the doctors endorse for thin blood, weak nerves, general debility.

But even this grand old medicine cannot do its best work if the liver is inactive and the bowels constipated. For the best possible results, you should take laxative doses of Ayer's Pills while taking the Sarsaparilla. The liver will quickly respond, and so will the bowels.

Made by J. C. Ayer & Co., Lowell, Mass. Also manufacturers of
Ayer's HAIR VIGOR, AGUE CURE, CHERRY PECTORAL.

Norman Newman went to Windber a few days ago to serve as a deputy sheriff, guarding coal company property and miners in danger of violence from strikers. The dapper young salesman entered an editor's sanctum, a few days ago, carrying in his hand a fine polished oak cabinet. "I want to interest you in a talking machine," said the salesman. "Got one," replied the editor. "What kind?" was asked. "The best kind," came the quick response. "Where did you get it?" "Married it," and there was no room for further argument.

John Arnold is visiting Salisbury friends this week. He resides at Holsapple, in the north of the county, and he has just recovered from a long and severe siege of typhoid fever. John called at THE STAR office, Tuesday evening, to renew his subscription to the "Twinkler." He is one of our many dependable subscribers that always square up before they get much in arrears.

Living indoors so much during the winter months creates a sort of a stuffy, want-of-ozone condition in the blood and system generally. Clean up and get ready for spring. Take a few Early Risers. These famous little pills cleanse the liver, stomach and bowels and give the blood a chance to purify itself. They relieve headache, sallow complexion, etc. Sold by E. H. Miller. 5-1

Colonel John Hawn came to town yesterday and reports that he caught about 200 trout in all, this season, in the head waters of White's Creek. He says his best catch was 39 in one day, and none of them under 10 inches in length. For that bunch a city chap offered him \$5.00, but John refused to take it, as all his fishing, this spring, has been done for the benefit of the sick. John is not only a good fisherman, but also the possessor of a great, big, kind heart.

A liquid cold cure for children that is pleasant, harmless, and effective is Bee's Laxative Honey and Tar. Superior to all other cough syrups or cold remedies because it acts on the bowels.

Some of our delinquents have been responding nobly to statement recently sent to them, some paying in full, others only in part, yet doing the best they could, and that's all we ask of any person. We thank you, one and all, gentlemen, who have been favoring us with cash, and we feel sure that we have but very few dishonest people among our large number of readers. "An honest man is the noblest work of God," and no man can afford to be dishonest.

A newspaper whose columns overflow with advertisements of business men has more influence in attracting attention to build up a town than any other agency that can be employed. People go where there is business. Capital and labor go where there is an enterprising community. No power on earth is so strong to build up a town so well as a paper well patronized, and its power should be well appreciated. The man who overlooks his town paper injures himself by injuring his town and townsmen.—Wanamaker.

The tar that is contained in Bee's Laxative Honey and Tar is harmless. It is not coal tar, but is obtained from the pine trees of our own native forests. Bee's Laxative Honey and Tar is the best remedy for colds because it acts on the bowels—thus expelling all colds from the system. Bee's is the original Laxative Honey and Tar, and is best for coughs, colds, croup, whooping cough, lung and bronchial affections. Sold by Elk Lick Pharmacy. 6-1

A sensible young lady of Kansas made the following request of her friend: Do not lay me down by the rippling brookside, lest the babbling lovers wake me from my dreams, nor in the beautiful cemeteries in the val-

leys, lest sightseers cooing over epitaphs distract me; but let me sleep under the counter of the merchant and business man who never advertises. There is the peace that passeth all understanding, and deep is the sleep in which neither the buoyant footfall of youth nor the weary shuffle of old age will ever intrude.

Mr. Amos Knepper, who is a candidate for Assembly, subject to the decision of the Republican primary election to be held on May 26th, was in town a short time today. Mr. Knepper is a good, clean citizen, a good business man, and a most loyal and active Republican. He has been twice defeated for nomination, but each time made a remarkably good run, notwithstanding the fact that he was not backed by the leaders of either of the two powerful factions of his party. This time, however, there seems to be a general lining up for Knepper, and it is but right and proper.

A dose of Pine-ules at bed time will usually relieve backache, before morning. These beautiful little globules are soft gelatine coated, and when moistened and placed in the mouth you can't keep from swallowing them. Pine-ules contain neither sugar nor alcohol—just gums and resins obtained from our own native pine forests, combined with other well known bladder, kidney, blood and backache remedies. Sold by Elk Lick Pharmacy. 6-1

There is a good joke being told concerning a certain DuBois business man. He purchased a jar of goldfish the other day, and when he took them home at noon he placed them on the table, remarking to the hired girl that "there was something good for supper." He did not suppose that she would go ahead and cook them, but one can't always tell what a hired girl will do when it comes to obeying instructions, for when the aforesaid young man and his wife sat down to supper, one of the dishes brought in was the goldfish, nicely fried and looking very appetizing.—DuBois Courier.

A LUCKY POSTMISTRESS is Mrs. Alexander, of Cary, Me., who has found Dr. King's New Life Pills to be the best remedy she ever tried for keeping the Stomach, Liver and Bowels in perfect order. New Railroad. J. Monroe Turner, right-of-way chief of the Washash interests, here yesterday, said the Washash coming is a sure thing; that nothing—not even the B. and O., is in its way.

A prominent citizen later brought news that the B. & O. is also sure; moreover, "the B. & O. will come up to Frostburg level, in which event," he continued, "I am preferably a B. & O. man."—Frostburg Journal.

New Livery. Walter Williams returned from Pittsburgh several days ago with three very fine livery horses. Walter is embarking in the livery business at J. R. Joy's barn, and there is no doubt of his getting his share of the public patronage, as he is a splendid horseman and a most genial and accommodating fellow. Walter says it is his aim to keep only first class horses and rigs, and his charges will be fair to all concerned.

DON'T TIE YOURSELF UP. Don't tie a cough or a cold up in your system by taking a remedy that binds the bowels. Take Kennedy's Laxative Honey and Tar. It is different from all other cough syrups. It is better. It opens the bowels—expels all cold from the system, relieves coughs, colds, croup, whooping cough, etc. An ideal remedy for young and old. Children like it. Sold by E. H. Miller. 5-1

A Delightful Affair. The Fraternal Order of Eagles gave a delightful "smoker" at the Eagles' Home, in Meyersdale, Thursday evening last.

THE STAR man was honored with an invitation to attend, but could not be present. However, we are none the less thankful, although we regret our inability to attend.
A fine time is reported, and we hear much praise of the refreshments, music, general excellence of the entire program, and the extreme courtesy and splendid hospitality shown to all the guests.

Celebrated His 56th Birthday Anniversary.

On Wednesday evening of last week, Mr. Chauncey Bowman, a prominent citizen of Boynton, Pa., celebrated the 56th anniversary of his birth. The guests constituted a jolly crowd, and they were splendidly entertained. Nothing was lacking to make the evening a happy one for all present, and the supper was such as our Somerset county women are noted for—simply superb. Music was furnished by W. H. Bowman's Combination Orchestra, and all the guests departed feeling that they had a most excellent time, and wishing Mr. Bowman many additional happy years.

Barchus & Livengood.

Wants Sugar of Elijah Livengood's Make, and is Willing to Trust an Editor with His Money.

Our friend Hanson Brown, formerly of Garrett county, Md., but now of Fayette county, Pa., writes to THE STAR as follows:

MR. EDITOR:—I enclose \$18.00 from which take \$2.00 for my last year's subscription, and send me ten gallons of maple syrup, and the balance in maple sugar of Elijah Livengood's make. A great many people here don't know what maple sugar is.

From your friend,
HANSON BROWN.
Hanson Brown is every inch a gentleman and an honest man, or he wouldn't put so much confidence in a country editor. It is a little risky to place \$18.00 in a country editor's hands all at once, for editors seldom have that much money, and when they are known to possess more than 50 cents at a time, they are usually arrested on suspicion of having stolen it. But, if we escape arrest, we shall not betray Mr. Brown's confidence, as we feel too highly honored, and besides, the two big dollars on subscription make us feel rich enough, and they were just the proper inducement to keep us from striking out for Canada. We'll just flourish the other money around a little to make other people feel envious, and then we'll buy the maple sweets as directed.

Anyway, we want the people of old "Fiat" to sample the sweetness of old Somerset county, and our friend Brown knows just how well they will relish it. We thank you very much, Mr. Brown, and will say further, that if you were like some subscribers on our list, you would have asked us to carry your account another year or two, and then struck us for a loan to buy the sugar and syrup with. You are all right, old man, and may your tribe increase.
