CURES
RHEUMATISM
LUMBAGO, SCIATICA
NEURALGIA and
KIDNEY TROUBLE

"DROPS" taken internally, rids the blood of the poisonous matter and acids which are the direct causes of these diseases. Applied externally it affords almost instant relief from pain, while a permanent cure is being effected by purifying the blood, dissolving the poisonous substance and removing it from the system.

DR. S. D. BLAND
Of Brewton, Ga., writes:
"I had been a sufferer for a number of years with lumbago and rheumatism in my arms and legs, and tried all the remedies that I could get from medical books, and also consulted with a number of the best physicians, but found nothing that gave me the relief I desired. 'DROPS' I shall prescribe in my practice for rheumatism and kindred diseases."

FREE

If you are suffering with Rheumatism, Neuralgia, Kidney Trouble or any kindred disease, write to us for a trial bottle of "DROPS," and test its course.

"DROPS" can be used any length of time without acquiring a "drug habit," as it is entirely free of opium, cocaine, alcohol, laudanum, and other similar ingredients.

Large Size Bottle, "DROPS" (800 Doses) \$1.00. For Sale by Druggists.

Fits the Lunch! Fits the Pocket!

THE IDEAL FOLDING LUNCH BOX

represents the end of possibility in a Lunch Box, for the reason that it possesses every desirable feature that a Lunch Box can possess, and has more than one valuable advantage that no other lunch box ever had.

It is strong and durable, and will give years of continued service. It is convenient to carry both in and out of use. It is attractive in appearance, and because of its being used for more purposes than one, is a great relief to sensitive people who dislike the idea of being seen with a dinner basket.

The Ideal Lunch Box is so low in price anyone can afford to buy it. Can be folded up in a moment to fit pocket, with no more inconvenience than an ordinary pocketbook.
