### BITUMINOUS Y. M. C. A. PLANS CAMPAIGN.

Big Convention of the Department will be held next September at Windber. The Bituminous Department of the State Y. M. C. A. was organized a little over three years ago, with headquarters in Greensburg, and through the aggressive policy of the Department Committee, twenty-five associations have been organized and placed on a working basis at different mining towns over the region, with rooms or buildings equipped, and the many helpful and uplifting features of Young Men's Christian Association effort in full operation. Ten of these associations employ general secretaries. Bituminous Department Secretary C. L. Fay has just completed arrangements for a Bituminous Department Conference, to be held at Windber, September 13th and 14th. This Conference will include delegates and secretaries from the twenty-five associations; and the Conference will be led by some of those most expert in association work in this country, including such men as C. C. Michener, New York City, and F. A. Crosby and H. T. Williams, of Harrisburg. This Conference will precede the fall and winter campaign, and will mark an advanced step in the policy of the Bituminous Department Associations.

### A GOOD COMPLEXION.

A good complexion is impossible with the stomach out of order. If pasty, sallow people would pay more attention to their stomachs and less to the skin on their faces, they would have better complexions. KODOL FOR DYSPEPSIA will digest what you eat and put your stomach back in right shape to do its own work. Kodol relieves palpitation of the heart, flatulence, sour stomach, heart burn, etc. Sold by E. H. Miller. 6-1

### A BAD BURN.

For a painful burn there is nothing like DeWitt's Witch Hazel Salve. There are a host of imitations of DeWitt's Witch Hazel Salve on the market—see that you get the genuine. Ask for DeWitt's. Good, too, for sunburn, cuts, bruises, and especially recommended for piles. The name E. C. DeWitt & Co., Chicago, is on every box. Sold by E. H. Miller. 6-1
