T. W. Gurley's jewelry establishment, in Meyersdale, was broken open and robbed, Tuesday night. It is reported that a lot of watches, revolvers and "blackjacks" were stolen. For reasons which are apparent, the general opinion seems to be that Gurley has no right to kick on robbery.

Somerset borough has passed an ordinance providing for the proper grading and paving of the large public square spoken of as the diamond. The people over there ought to pave their whole town, as the town is wealthy enough to stand it, and it would be economy in the end.

The citizen who cannot get away for a vacation may not be nearly so unfortunate as he thinks he is. There is a whole lot of rot about the vacation business, anyway, especially when it involves the expenditure of money which prudent thrift would dictate should be saved for the beginning of a career in business or the establishment of a home for young people who expect to get married.—Ex.

The editor is indebted to "Jesse" Slick for a free ride to Grantsville, last Sunday. We are always pleased to visit our old native town, especially with an old friend like "Jesse" Slick, who, like oneself, spent his happiest days in and about Grantsville. We met many of our old-time friends at the funeral of our aged friend and cousin, Mr. Samuel J. Beachy, and the sadness of the occasion was the only regrettable feature of our visit.

You can see the poison Pine-ules clears out of the kidneys and bladder. A single dose at bedtime will show you more poison upon rising the next morning than can be expelled from the system in any other way. Pine-ules dissolve the impurities, lubricate the kidneys, cleanse the bladder, relieve pain and do away with back-ache speedily, pleasantly, permanently. Sold by Elk Lick Pharmacy. 9-1

A couple of drunken young men from Meyersdale were arrested in this town, Sunday last, by Policeman Frank Wagner, for fast driving and cruel treatment of the horses they were driving. They were fined about \$5.00 apiece, and also had to pay some costs. They deserved a much saltier dose than they received from the Burgess, and one of them in particular, should have been locked up and given another fine for his profanity and threats against the officer.

If all reports are true, and they come pretty straight, several professional men in a town not a thousand miles from Salisbury need a few liberal doses of buckshot administered by irate husbands whose wives' affections have been alienated by men who are a disgrace to their profession. One of the home-destroyers is reported to have been given a severe thumping by a wronged husband, recently, and if the husband had killed the other fellow, no one would have censured him for it.

We still hear of farmers and others killing blacksnakes. People who know about the habits of snakes say that the blacksnakes are harmless, and are exceedingly useful on the farm in de-

stroying field mice, and about the barn to keep both rats and mice away. If they were poisonous or vicious there might be some excuse for destroying them, but they are neither. As for them attacking people, we would rather see an attack than hear of it. A Cecil township farmer used to protect them on his farm, and he had some large ones, and no person ever heard of an individual being attacked by one.—Canonsburg Herald.

A hundred years ago the best physician would give you a medicine for your heart without stopping to consider what effect it might have on the liver. Even to this good day cough and cold medicines invariably bind the bowels. This is wrong. Bee's Laxative Cough Syrup with Honey and Tar acts on the bowels—drives out the cold—clears the head, relieves all coughs, cleanses and strengthens the mucous membranes of the throat, chest, lungs and bronchial tubes. Sold by Elk Lick Pharmacy. 9-1

Mr. and Mrs. John Chamberland, of Connellsville, Pa., arrived in Salisbury, Friday noon, for a visit with Mr. and Mrs. J. T. Jeffery. They made the trip from Connellsville to this place in a buggy, and from here they drove to Lonaconing, Md., with Mr. and Mrs. Jeffery, where they visited friends, Saturday and Sunday. Monday morning Mr. and Mrs. Chamberland returned to their home in Connellsville. They were much pleased with their overland trip through the mountains, although they saw two "spooks" while coming over Big Savage, Sunday night. One "spook" was dressed in white, and one in dark clothes, and the "spooks" were more startled than those who suddenly chanced to come upon them.

Last Monday Mr. and Mrs. John Rees received a letter from their son George, who is in the U. S. marine service, and now at Annapolis, Md., stating that he has consumption in an advanced stage, and requesting that some of the family, and his sweetheart, Miss Melissa Lowry, come to visit him at once, as the Government proposes to send him to New Mexico for the benefit of his health. Mrs. Rees, accompanied by her daughter Marion and Miss Lowry, started for Annapolis on Monday night. We hope that there is yet chance for George's recovery, and we regret exceedingly to learn of his illness, which was a shock to his parents and other friends here when they heard of it. The young man was at home some time ago on a furlough, and while he had a cough at the time, no one suspected that he had consumption. His term of enlistment will not expire for a year or more, and there is no doubt that the Government will do everything possible to restore him to health.

### Solomon Baker Dead.

Solomon Baker, one of the oldest residents of Grantsville district, Garrett county, Md., died at the home of his son John, last Friday, at the ripe age of 85 years, 10 months and some days. Deceased was a generous-hearted, kindly disposed person, and he had a wide circle of friends who turned out to pay their last sad respects to his memory, at the funeral, which was held at the Maple Grove German Baptist Brethren church, near Grantsville, last Sunday afternoon. The funeral service was conducted by Rev. Samuel Miller. Mr. Baker is survived by four sons—Samuel, John, Daniel and Simon, also by one daughter—Mrs. Daniel Maust. Another daughter of the deceased, and his wife, died some years ago.

### Samuel J. Beachy Dead.

Samuel J. Beachy, one of the oldest and most respected citizens of Grantsville, Md., died at his home in that town on Friday, the 13th inst. He was widely known as an auctioneer and veterinary surgeon in his younger days, and he also served a term in the Maryland Legislature, some twenty years ago. Mr. Beachy had a keen sense of humor, and as an amusing story-teller and impersonator, he had few equals. Had he been trained for the stage, he would have become a great comedian. He was also a man of great generosity and hospitality, and as a result he had many warm friends.

The funeral took place last Sunday at 10:30 a. m., the local M. E. person officiating, and the service was attended by a large concourse of people. Mr. Beachy was born of Amish parentage, and reared in that faith, but joined the Methodist Episcopal church some years later, and remained a faithful member of that denomination until death.

He is survived by his wife and six children, also by two brothers and two sisters. His surviving brothers are Jonas J. Beachy, a prominent farmer of Garrett county, Md., and Dr. Gideon J. Beachy, the well-known dentist of Cumberland, Md. Deceased was aged 80 years, 3 months and 11 days.
