My Hair is Extra Long

Feed your hair; nourish it; give it something to live on. Then it will stop falling, and will grow long and heavy. Ayer's Hair Vigor is the only hair-food you can buy. For 60 years it has been doing just what we claim it will do. It will not disappoint you.

My hair used to be very short. But after using Ayer's Hair Vigor a short time it began to grow, and now it is fourteen inches long. This seems a splendid result to me after being almost bald for many years.—Mrs. J. H. Firth, Colorado Springs, Colo.

Made by J. C. Ayer Co., Lowell, Mass. Also manufacturers of Sarsaparilla, Cherry Pectoral.

LOCAL AND GENERAL NEWS.

NEWSY ITEMS GATHERED HERE AND THERE, WITH AN OCCASIONAL JOKE ADDED FOR SPICE.

Advertise—and the folks deal with you! Don't—and you'll be mossgrown. For few men, I say, will ever pay a cent to the stores unknown.

Mrs. Clarence Statler visited friends in Cumberland, Md., two days last week.

Rufus Hartline and family have moved to Cumberland, Md., where Rufus has secured employment in a planing mill.

About half of Salisbury's population was out gathering nuts, last Sunday. The high winds of the night before brought the nuts down in large quantities.

Mrs. John J. Livengood recently discovered a second crop of ripe raspberries on a bush in her garden. An October crop of raspberries is somewhat of a rarity in this locality.

Mrs. S. R. McKinley went to Pittsburgh, last week, to visit friends. Mrs. John W. Ringler and daughter Carmin accompanied her, and they also went to visit friends in the Smoky City.

The first snowflakes of the season, in this locality, were noticed last Sunday, and yesterday enough snow fell to whiten the sidewalks. But we opine that we'll have lots of nice weather yet.

Wm. Kretchman, who was seriously injured in a runaway accident, in Milford township, recently, mention of which was made in last week's STAR, is now believed to stand a fair show to recover.

Misses Cora and Edith Kretchman, accompanied by John Engle, Jr., took advantage of the Cumberland excursion, last Sunday, and came home on a visit. The three young folks named all have employment in Pittsburgh.

True and tried friends of the family—DeWitt's Little Early Risers. Best for results and best to take. Rosy cheeks and sparkling eyes follow the use of these dependable little pills. They do not gripe or sicken. Sold by E. H. Miller. 11-1

Fred Groff, Samuel Engle and J. B. Schrock, of Berlin, and C. L. DeLauter, of Meyersdale, were in town Tuesday evening. Some of them, perhaps all, came to participate in an installation of officers at the Odd Fellows' lodge.

A cold is much more easily cured when the bowels are open. Kennedy's Laxative Honey and Tar opens the bowels and drives the cold out of the system in young and old. Sold by E. H. Miller. 11-1

Owing to the absence of the regular pastor, Rev. L. Z. Robinson, the M. E. appointments for Sunday, Oct. 14th, will be filled by Rev. John Meager, as follows: Salisbury, at 10:30 a. m.; Coal Run, 3:00 p. m.; Boynton, 7:30 p. m.

An exchange gets off the following: "Our dear father has gone to join his appendix, his tonsils, his olfactory nerve, his kidney, his ear drum, and a leg, prematurely removed by a hospital surgeon, who craved the experience."

"It's wrong of me to take this food," said the tramp, as he reached out for the pie in the window, "but," he added, reflectively, "I've had repeated inquiries for it from the department of the interior, and I shall now deliver the goods."

Fillmore S. Enos arrived in Salisbury several days ago. He came to visit his daughter Grace, who is dangerously ill at the home of her grandmother, Mrs. Null. "Fill" is holding forth in West Virginia now, where he follows coal mining.

Keep the bowels open when you have a cold, and use a good remedy to allay the inflammation of the mucous membranes. The best is Kennedy's Laxative Honey and Tar. It contains no opiates, moves the bowels, drives out the cold. Is reliable and tastes good. Sold by E. H. Miller. 11-1

Advertising of the right sort persuades people to buy. It's more nearly akin to reaping than to seed sowing; while it brings an immediate harvest, it at the same time leaves the field in better condition. It fertilizes it for further production.—Press and Printer.

Mrs. Geo. W. Robinson has gone to Cumberland, Md., for a visit with her uncle, Jacob Brown, a well known lawyer and writer of that city. Mrs. Robinson orders THE STAR sent to her Cumberland address while there in order to keep posted on the home news.

If an article is imitated, the original is always best. Think it over, and when you go to buy that box of salve to keep around the house, get DeWitt's Witch Hazel Salve. It is the original, and the name is stamped on every box. Good for eczema, tetter, boils, cuts and bruises, and especially recommended for piles. Sold by E. H. Miller. 11-1

Mr. and Mrs. Geo. Biser started for Frederick county, Md., Tuesday morning, where they will visit friends for about 15 days. They will also take in the Hagerstown fair. Mr. Douglass, another employe of the Dull Mercantile Company, will conduct that concern's Salisbury store during Mr. Biser's absence.

Piles quickly and positively cured with Dr. Shoop's Magic Ointment. It's made for Piles alone—and it does the work snarely and with satisfaction. Itching, painful, protruding or blind piles disappear like magic by its use. Large, nickel capped glass jars, 50 cents. Sold and recommended by Elk Lick Pharmacy. 11-1

Last week we sampled some home-grown cantaloupes raised by Jacob D. Miller, and we must say that they were simply fine, much better than cantaloupes shipped here from southern points. "Jake" is one of the best gardeners in town, and his garden is always filled with an abundance of everything commonly grown in this locality.

C. J. Lichty, of Davenport, Neb., was a caller at THE STAR office, Friday evening, accompanied by S. P. Young. Mr. Lichty was born in this county, near Somerset, but his parents emigrated to Iowa, many years ago, where C. J. grew to manhood and afterward settled down in Nebraska. His wife is also a native of old Somerset county, Pa.

Think of Dr. Shoop's Catarrh Cure if your nose and throat discharges—if your breath is foul or feverish. This snow white soothing balm contains Oil of Eucalyptus, Thymol, Menthol, etc., incorporated into an imported, cream-like, velvety petrolatum. It soothes, heals, purifies, controls. Call at our store for free trial box. Elk Lick Pharmacy. 11-1

Floyd Morrison, of Berlin, was in town today. He said the Republican rally and torchlight procession held at Berlin, last Friday night, was an enormous success, the crowd being very large and the speeches received with great enthusiasm. Mr. Morrison says the Fusionists will be smitten exceedingly hard in old Berlin and Brothersvalley, this year.

Snow covered the apple bloom in this locality, this year, and now, before much of the fruit is picked, the trees are loaded with snow as well as apples. The thermometer stood at 28 degrees this morning, and if the weather gets much colder, apples will freeze. If much more snow falls, many orchards will be ruined by the breaking down of trees under their load of fruit and snow.

Preventics, as the name implies, prevent all Colds and Grippe when "taken at the sneeze stage." Preventics are toothsome candy tablets. Preventics dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Preventics are thoroughly safe for children, and as effectual for adults. Sold and recommended in 5 cent and 25 cent boxes by Elk Lick Pharmacy. 11-1

A man was heard, last week, to say that he would as soon think man evolved from a camel as a monkey. We wouldn't. Any camel will work seven days without drinking, while many of the man who drinks seven days without working. If there's anything in evolution, man descended from a goat, for he is the only creature who chews tobacco, eats anything, wears whiskers and butts in.

When a horse is so overworked it lies down and in other ways declares its inability to go further, you would consider it criminal to use force. Many a man of humane impulses, who would not willingly harm a kitten, is guilty of cruelty where his own stomach is concerned. Overdriven, overworked, when what it needs is something that will digest the food eaten and help the stomach to recuperate. Something like Kodol For Dyspepsia that is sold by E. H. Miller. 11-1

Henry Kidner, who was stricken with paralysis at the home of his sister, Mrs. Henry Kiester, near Somerset, last March, was brought to his home in Salisbury, last Sunday. His condition has improved considerably, but he is still quite helpless. He is glad to be at home again, and his many old-time friends are glad that he was able to stand the trip so well, and that it is now convenient for them to call to see him occasionally.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish, dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful, pink, velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free trial box, at our store, and be convinced. Large nickel capped glass jars, 25 cents. Elk Lick Pharmacy. 11-1

"You have appendicitis and lung trouble," announced the physician, as he peeped through the patient with his X ray apparatus; "also trace of liver complaint and a mild form of dyspepsia; also \$28.10 in your pocket. My fee is \$28." Here he turned off the current and told the patient the examination was over. "It's all right, doctor," said the patient, "but it seems to me that you have neglected an opportunity to secure ten cents and the other things you mentioned."

The new Pure Food and Drug Law will mark it on the label of every Cough Cure containing Opium, Chloroform, or any other stupefying or poisonous drug. But it passes Dr. Shoop's Cough Cure as made for 20 years, entirely free. Dr. Shoop all along has bitterly opposed the use of all opiates or narcotics. Dr. Shoop's Cough Cure is absolutely safe, even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable Cough Cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. Elk Lick Pharmacy. 11-1

Samuel Loechel, Elijah Livengood and other interested persons have decided to build a new iron bridge across the Casselman river, near Mr. Loechel's home, to take the place of the old wooden bridge now spanning the river at that point. The bridge is on a private road, near the Pennsylvania and Maryland line, but wholly on the Maryland side. It must be built by private subscriptions, and THE STAR is glad to announce that the Standard Oil Company has contributed \$500 for its share towards a new bridge. The bridge is near the company's pipe line, hence a great convenience to the company at times.
