## Why Refer to Doctors

Because we make medicines for them. We give them the formula for Ayer's Cherry Pectoral, and they prescribe it for coughs, colds, bronchitis, consumption. They trust it. Then you can afford to trust it. Sold for over 60 years.

"Ayer's Cherry Pectoral is a remedy that should be in every home. I have used a great deal of it for hard coughs and colds, and I know what a splendid medicine it is. I can not recommend it too highly."—MARK E. COHEN, Hyde Park, Mass.

Ayer's Pills greatly aid the Cherry Pectoral in breaking up a cold.

Born, to Rev. and Mrs. L. P. Young, Monday last, a daughter. That's not so bad, but how about Mr. and Mrs. Jasper Kimmel, who became the parents of twins, a boy and a girl, one day last week? When twins arrive in a family, we hardly know whether to congratulate or express sympathy.

Mrs. Annie Kretzman, who resides about a half mile east of Salisbury, brought an apple to the Elk Lick Supply Company's store, last week, that for size and beauty is hard to beat. The apple weighs one ounce over a pound and is a deep red in color. Mrs. Kretzman doesn't know the name of the variety.

There is nothing else so valuable as good health.

As a town, what in thunder are we coming to, anyway? Whether are we drifting? The people of Salisbury are becoming so infernal lazy that they don't drink whiskey fast enough any more to keep the farmers in cider barrels. Now, wouldn't that jar you? It will even be the cause of jarring the cider, or causing it to be bottled.

Think of Dr. Shoop's Catarrh Cure if your nose and throat discharges—if your breath is foul or feverish. This snow white soothing balm contains Oil of Eucalyptus, Thymol, Menthol, etc., incorporated into an imported, cream-like, velvety petrolatum. It soothes, heals, purifies, controls. Call at our store for free trial box. Elk Lick Pharmacy. 11-1

"The Foxy Tramp" which will be at the Hay Opera House, Salisbury, on Wednesday, October 24th, is a strong comedy drama depicting life as seen in the rural districts and the reform of a wandering, homeless outcast. The company engaged to present it is exceptionally strong in artistic ability. All those who enjoy a clean, pure comedy should see this play. Watch for the parade.

Preventics, as the name implies, prevent all Colds and Grippe when "taken at the sneeze stage." Preventics are toothsome candy tablets. Preventics dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Preventics are thoroughly safe for children, and as effectual for adults. Sold and recommended in 5 cent and 25 cent boxes by Elk Lick Pharmacy. 11-1

The Trio Concert Company, composed of three blind men of wonderful musical ability, will appear in Hay's opera house, Friday evening, Oct. 19th.

Their program consists of songs and instrumental music of a high order. These men make a hit wherever they go, and everybody should patronize them; not only because they are blind, but because they are fine musicians. Admittance, 15, 25 and 35 cents.

Last Wednesday Burgess Stephen R. McKinley butchered a fat hog, and on Saturday night some sneaking son-of-a-gun stole it from him. We'll bet \$10.00 the thief is one of the fellows that helped to elect "Steve" Burgess, and it's almost a forgone conclusion that he'll vote the Fusion ticket, this fall. A Republican wouldn't have stolen more than half of that hog, anyway, and really "Steve" shouldn't have killed it. It could doubtless have been elected Burgess some time.

When a horse is so overworked it lies down and in other ways declares its inability to go further, you would consider it criminal to use force. Many a man of humane impulses, who would not willingly harm a kitten, is guilty of cruelty where his own stomach is concerned. Overdriven, overworked, when what it needs is something that will digest the food eaten and help the stomach to recuperate. Something like Kodol For Dyspepsia that is sold by E. H. Miller. 11-1

### Medical Association Meeting.

On Tuesday last the Somerset County Medical Association met at the Valley House, this city, and among other things on the program, elected officers for the ensuing year, as follows: President, Dr. E. H. Perry, of Salisbury; Vice President, Dr. Charles P. Large, of Meyersdale; Secretary, Dr. H. C. McKinley, of Meyersdale.

An interesting session throughout is reported, and a fine dinner was served at the expense of our local physicians, Drs. Perry and Lichty. The following named doctors were present:

Drs. W. H. Meyers, R. J. Hemminger, H. O. Hoffman, C. P. Large and Bruce Lichty, of Meyersdale; W. S. Mountain and W. E. Knickman, of Confluence; Henry Wilson, of Somerset; E. H. Perry and A. M. Lichty, of Salisbury.

Rev. Father Brady, of West Salisbury, and two trained nurses, Miss Bruner and Miss Bowden, were present as invited guests.

The next meeting of the association will be held in Meyersdale, in January.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish, dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful, pink, velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free trial box, at our store, and be convinced. Large nickel capped glass jars, 25 cents. Elk Lick Pharmacy. 11-1

### NEW BANK PRESIDENT.

**Robertdeau Annan Chosen Chief Executive of Frostburg First National—Succeeds Late Mr. Wineland.**

Frostburg, Oct. 9.—The election of Mr. Robertdeau Annan to the presidency of the First National Bank of Frostburg, which occurred today, to succeed the late Marx Wineland, is a just tribute to capacity of an unusual order combined with long and faithful service. Messrs. Wineland and Annan had grown up with the institution. They were with it in its weakness and in its strength, and were so thoroughly identified with its growth and success as a part of the great financial structure of Frostburg, as to render it difficult to imagine anything in connection with the First National Bank of Frostburg not associated with the personality of the two men.

It was, therefore, the most natural sequence of events that Mr. Annan should succeed his friend and predecessor in the management of its affairs, and thus make certain a continuance of the success that has given the First National Bank of Frostburg a rank among the leading financial institutions of the country.

The stockholders of the bank are to be congratulated as well as Mr. Annan. He has earned their confidence by commanding for the bank that measure of success to which all aspire and few attain. He has also furnished further proof that "the crime of being a young man" once so serious, is today, at least pardonable when coupled with achievement. Mr. Annan is but thirty-six years of age, and today finds himself directing the destiny of a million dollar enterprise. That the institution will thrive to a degree surpassing its success in the past is assured by the limitless energy, unbounded resourcefulness, and sterling integrity of its new chief in command.

Mr. Olin Beall, teller of the First National for the past thirteen years, a life-long resident of Frostburg, whose friends and relatives constitute the major population of the Mountain City, has been promoted to the office of cashier.

The vacancy in the board of directors caused by Mr. Wineland's death was not filled at today's meeting, and possibly will not be filled until the annual election in January. The present board of directors includes Judge Robert R. Henderson, Dr. Timothy Griffith and Messrs. Duncan Sinclair and Robertdeau Annan.
