In a letter just received from Elder Howard H. Keim, of Ladoga, Ind., that gentleman says: "Go on giving it to the vaccinationists." Elder Keim is a scholar, a reader and a thinker, and most men of that kind know that vaccination is a fraud and a crime against mankind.

Thousands of bushels of apples were damaged in Somerset county, Pa., and Garrett county, Md., by the hard freeze and snow of the 11th inst. If an article is imitated, the original is always best. Think it over, and when you go to buy that box of salve to keep around the house, get DeWitt's Witch Hazel Salve. It is the original, and the name is stamped on every box. Good for eczema, tetter, boils, cuts and bruises, and especially recommended for piles. Sold by E. H. Miller.

John, Lester and Stanley Boucher returned from a visit to their brother George, in the wilds of West Virginia, last week. A. G. Price and family this week moved to Jerome, one of the new coal towns in the north of the county. "Gus" is a good citizen, owns a snug little home here, and we are sorry he has decided to cast his lot elsewhere. Even Roscoe Wellsey turned out to the big Republican rally, Tuesday night, but for some reason he failed to have his supply of Emery buttons with him. When Emery spoke at Meyersdale, Roscoe was one of the chief rooters of the occasion, and he and a chum of his were quite busy trying to induce voters to wear Emery buttons, and both of them seemed to be quite well lubricated.

Preventions, as the name implies, prevent all Colds and Grippe when "taken at the sneeze stage." Preventives are toothsome candy tablets. Genial Ed. Shoemaker, the medicine man from Berkley, near Meyersdale, was a welcome and paying caller at THE STAR office today. Mr. Shoemaker has a great reputation, and he reports his business in a very prosperous and growing condition. He reports the political outlook in his township as very favorable to the Republicans, and he thinks Wm. H. Koontz is a dead sure loser.

When a horse is so overworked it lies down and in other ways declares its inability to go further, you would consider it criminal to use force. Many a man of humane impulses, who would not willingly harm a kitten, is guilty of cruelty where his own stomach is concerned. Overdriven, overworked, when what it needs is something that will digest the food eaten and help the stomach to recuperate. Something like Kodol For Dyspepsia that is sold by E. H. Miller.

Be natural. Do not try to impress people with your importance. If you are really important they will find it out. If you are of no account you will not deceive any one by acting as though great interests rested in your keeping. The day of pomposity is past, we hope never to return. More people than ever before are intelligent and able to judge those with whom they come in contact. This means that they are able to judge you and place a true rather than a false estimate on your abilities.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish, dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful, pink, velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free trial box, at our store, and be convinced. Large nickel capped glass jars, 25 cents. Elk Lick Pharmacy.

Our brother, W. S. Livengood, who went through the trying ordeal of the San Francisco earthquake and fire, has again returned to that stricken city, where he is now employed by the San Francisco Call. Since the earthquake he was employed by the Portland (Oregon) Daily Journal, and the Seattle Post Intelligencer. After completing his engagement with the latter paper, he was offered several very desirable positions, accepting the best one. It takes more than an earthquake to scare "Bill" away from a good position.

Can you win? You realize that to win in anything these days, requires strength, with mind and body in tune. A man or woman with disordered digestive organs is not in shape for a day's work or a day's play. How can they expect to win? Kodol For Dyspepsia contains the digestive juices of a healthy stomach and will put your stomach in shape to perform its important function of supplying the body and brain with strength building blood. Digests what you eat, relieves Indigestion, Dyspepsia, Sour Stomach, Palpitation of the Heart and Constipation. Sold by E. H. Miller.

"The Man Against the Masses," on which subject Rev. Frank Dixon, of Washington, D. C., delivered an address in Hay's opera house, last Saturday evening, was greatly enjoyed by the large audience hearing it. It was decidedly the finest lecture ever delivered in Salisbury, and those who missed it missed a rare treat. Dixon is an orator, a thinker and philosopher, and his definition of socialism and its natural tendencies ought to appeal to all who believe in individualism, the thing that in all ages has been responsible for the greatest good and advancement of mankind. Mr. Dixon took a fling at the people who imagine that legislation and government control can remedy all existing evils, and heshowed how erroneous their ideas are. He also took a fling at those who would compel people to patronize doctors whether they had faith in medical treatment or not, and his remarks along that line and on the Nebraska man who wanted a law passed prohibiting the wearing of corsets, no doubt made the few compulsory vaccination cranks in the audience feel about as small as they really are. More power to Dixon the lecturer, and less to the old fakir by the same name who presides over our State Health Department.
