Tom Daugherty reports that the Lincoln and Democratic parties have a big lot of roosters for sale. When asked why the roosters are for sale, Tom said: "The blamed things won't crow."

The Republican victory of last Tuesday is all the more glorious because the G. O. P. trounced the Democratic, Lincoln, Commonwealth, Referendum, Union Labor fusion aggregation all at once, and then didn't need to do its best.

Good for everything a salve is used for, and especially recommended for piles. That is what we say of DeWitt's Witch Hazel Salve. On the market for years and a standby in thousands of families. Get DeWitt's. Sold by E. H. Miller. 12-1

Now that the election is over and Abe Lowry has once more mustered up courage enough to sneak from his retreat and come to town, let us all get down to business and be thankful that the Republican party has once more saved the country.

"The lowest we have had in mercury, this fall, is 18 degrees on Thursday last," says this week's Meyersdale Commercial. Come, come, Lou, wasn't it several degrees colder than that on the morning after the election for you and the rest of the Fusion gang?

Think of Dr. Shoop's Catarrh Cure if your nose and throat discharges—if your breath is foul or feverish. This snow white soothing balm contains Oil of Eucalyptus, Thymol, Menthol, etc., incorporated into an imported, cream-like, velvety petrolatum. It soothes, heals, purifies, controls. Our old friend Lou Smith won another of his old-time political victories, this fall, but as usual he made the mistake of winning the victory before election day. The Republicans always win their victories when the voting is being done, and this year is no exception to the rule.

Give children a remedy with a pleasant taste. Don't force unpleasant medicine down their throats, Kennedy's Laxative (containing Honey and Tar) is most pleasant to take. Children like it, and as a relief for colds, coughs, etc., there is nothing better. No opiates. Conforms to National Pure Food and Drug Law. Sold by E. H. Miller. 12-1

The Twinkler is very late in making its appearance, this week, owing to the fact that we have been nearly buried in job printing during the entire week. We have had very little time to devote to the paper, and as a result much important news and timely editorial comment must be held over until next week.

Here is our condensed opinion of the Original Laxative Cough Syrup: "Nearly all other cough syrups are constipating, especially those containing opiates. Kennedy's Laxative (containing) Honey and Tar moves the bowels. Contains no opiates. Conforms to the National Pure Food and Drug Law. Sold by E. H. Miller. 12-1

A local paper tells of a bolt of lightning that struck a barn, ran down where a man was milking a cow, and tore his rubber boots off his feet without injury to man or cow. The 'phone girls do not answer calls in a thunder storm. They are afraid it might run along the wire and knock the rubber-necks off the line.

Preventics, as the name implies, prevent all Colds and Grippe when "taken at the sneeze stage." Preventics are toothsome candy tablets. Preventics dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Preventics are thoroughly safe for children, and as effectual for adults. Sold and recommended in 5 cent and 25 cent boxes by Elk Lick Pharmacy. 12-1

L. E. Coder, our popular and efficient jeweler, moved his quarters, last week, but has already moved his jewelry stock and tools back into the P. S. Hay building again, where he expects to remain permanently. He is a good workman, having had thirteen years experience at his trade, and he is also a very good citizen.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish, dry nose means sickness with a dog. And so with the human lip. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful, pink, velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free trial box, at our store, and be convinced. Large nickel capped glass jars, 25 cents. Elk Lick Pharmacy. 12-1

Jer. B. Keim and family moved into their fine new residence in this borough, recently, thus adding one more excellent family to our citizenship. For years Mr. Keim was one of the leading farmers of Elk Lick township, but has now retired and turned his fine farm over to his son Clarence, who will operate the same.

Chas. R. Snyder, who resides on the Wm. Stanton farm, near Grantsville, Md., will have a public sale on Saturday, Nov. 17th. He will sell a large lot of farming implements, some live stock, etc., and right here we wish to mention that he will sell four very nice yearling heifers that are not mentioned on his bills. The sale should draw a large crowd. It will begin at 1 p. m.

The best treatment for indigestion and troubles of the stomach is to rest the stomach. It can be rested by starvation or by the use of a good digestant which will digest the food eaten, thus taking the work off the stomach. At the proper temperature, a single teaspoonful of Kodol will wholly digest 3,000 grains of food. It relieves the present annoyances, puts the stomach in shape to satisfactorily perform its functions. Good for indigestion, sour stomach, flatulence, palpitation of the heart and dyspepsia. Kodol is made in strict conformity with the National Pure Food and Drug Law. Sold by E. H. Miller. 12-1

Harry Bepler received a telegram the first of the week announcing the death of his father, Wm. Bepler, which occurred at Schigo, Cal., last Sunday. Deceased was aged about 58 years. He is survived by his wife, who was formerly Lydia Chapman, of Grantsville, Md. He is also survived by several grown children. Mr. Bepler's remains will be interred at Pittsburg.

It is said that Oscar Wagner and Scott Johns cried so much over the result of the late election that their tears rolled down Gravel Hill in such torrents as to drown all of Barney Krausse's chickens, down on Gay street. How about it, Barney? They should have done like Oliver Boyer, set out and give vent to their feelings by stoning the dogs on the street. The town can spare a few dogs.

The first news after the election was to the effect that the Fusion movement swept everything before it, and then the Democrats and "Lincomites" howled and bawled for joy. The chief rejoicers in Salisbury seemed to be "Tisite" Liehliter, Roscoe Welley.

Chas. H. Beal, Scott Johns and a few others of that bunch. But when the news changed, it knocked the false beard off of Johns and caused the whole bunch to sneak away like a pack of coyotes.

Died From Injuries.

August Durst, a prominent farmer of New Germany, this county, a brother of ex-County Commissioner Lloyd Durst, of Lonaconing, met with an accident at his home at New Germany, last Thursday, that resulted in his death. He was mending his roof, and while carrying a bale of shingles, accidentally slipped, and the shingles fell on him, striking him on the head and inflicting a wound that resulted in his death. He fell seventeen feet. Mr. Durst was a widower with six children. —Oakland Journal.

"THE KING BEE."

"The King Bee," the new musical comedy by Chas. Gramlich, was played at Donges Theater, Tuesday, and made the biggest hit of any show seen in Meyersdale in years.

The Speck Bros., as "The Katzenjammer Kids," kept the audience in screams of laughter all through the piece.

The company consists of thirty people, handsome girls and funny comedians.

The people of Meyersdale were so pleased with the production that Manager Allen has arranged for a return date, Saturday, Nov. 10, 1906.

"The King Bee" will be given here in Salisbury, at Hay's Opera House, this Friday evening, Nov. 9th, 1906. Don't miss it. Everybody should see such a good production, and "The Katzenjammer Kids."

Dr. Perry Sells Out.

Dr. E. H. Perry has sold his handsome Grant street residence to Dr. Peter L. Swank, who has also purchased Dr. Perry's practice, taking charge of it on Monday last.

Dr. Swank comes here well recommended, having practiced his profession eleven years at Davidsville, this county, and seven years at Conemaugh, Cambria county, Pa., where his family now resides, but will move to Salisbury about the last of this month.

Dr. Perry thinks he will locate in New Castle, Pa. He located here a little over three years ago, and easily stood at the head of his profession in this community from the start. Dr. Perry made many friends while here, and all of them will regret to see him depart from our town. However, his successor is no doubt worthy and competent enough in every respect to fill his place, and we welcome him to our community.

NO QUESTION ABOUT IT.

PEPSIKOLA MUST CURE INDIGESTION OR IT IS FREE.

E. H. Miller, Elk Lick, continues to sell people with the understanding it must positively cure dyspepsia and indigestion or it will not cost a penny.

Experience has proven that Pepsikola Tablets cure dyspepsia in forty-nine cases out of fifty. That is a remarkable statement, but the facts in the case can easily be verified.

There is every reason to have confidence, for Mr. Miller will hand back your 25 cents without hesitation should you fail of being cured. All kinds of food can be eaten freely—it is more easily digested, there is no fullness or distress after eating, and by aiding the stomach to assimilate and digest, Pepsikola Tablets make more rich, red blood to strengthen the body. They are just the thing if you feel run down, nervous, tired and debilitated and need something to give you new life and new energy. Don't hesitate a minute, but go right to Mr. Miller and try Pepsikola Tablets with the understanding that you must be decidedly benefited or the cost is nothing. 12-1
