## Constipation

Baked sweet apples, with some people, bring prompt relief for Constipation. With others, coarse all-wheat bread will have the same effect. Nature undoubtedly has a vegetable remedy to relieve every ailment known to man. If physicians can but find Nature's way to health. And this is strikingly true with regard to Constipation.

The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But, combined with Egyptian Senna, Slippery Elm Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation. A toothsome Candy Tablet, called Lax-ets, is now made at the Dr. Shoop Laboratories, from this ingenuous and most effective prescription. Its effect on Constipation, Biliousness, Sour Stomach, Bad Breath, Sallow Complexion, etc., is indeed prompt and satisfying.

No griping, no unpleasant after effects are experienced, and Lax-ets are put up in beautiful lithographed metal boxes at 5 cents and 25 cents per box.

For something new, nice, economical and effective, try a box of

### A Giant Ox.

An ox weighing nearly 4,000 pounds and acknowledged to be the largest in the world, arrived at the Union Stock Yards, Pittsburg, one day last week, from Chicago. Cattlemen declare it is the largest of the kind they ever saw, and Simon O'Donnell, superintendent of the stock yards, who makes his summer home at Somerset, says that in all his experience he never saw an animal weighing within 1,000 pounds of this monstrosity in weight.

The animal is a product of Iowa. The breeders, seeing the possibilities in the calf, stall-fed it, with the result that they got this large freak. Over two years ago it was taken to the Union stock yards in Chicago, where it was on exhibition. It was later bought by Darlington Brothers, Chicago, who had it on exhibition at the Windy City, Chicago's great park, during the last two years. The steer weighs 3,740 pounds, is 12 feet in length, 8 feet high and 19 feet in circumference.

Not only is the animal the largest one in the world today, but is next to the largest ever bred of which there is any record. Constitution, the celebrated Massachusetts ox, which was the sensation of the country about 25 years ago, weighed but ten pounds more than this animal. A bullock weighing 2,400 pounds has been considered a freak for the past few years in the east, and nothing over that size has been seen in Pittsburg since.—Somerset Standard.
