The Elma B. Smith Company, which appeared in Hay's opera house, last night, gave a very rare musical treat. The bird and child imitations were as perfect as any other part of the program, but the latter became somewhat tiresome to many of the parents who hear a superabundance of the real thing. The audience was large, and upon the whole, the people were well pleased.

"For years I starved, then I bought a 50 cent bottle of Kodol Dyspepsia Cure, and what that bottle benefited me all the gold in Georgia could not buy. I kept on taking it and in two months I went back to my work as machinist. In three months I was as well and hearty as I ever was. I still use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper."—C. N. Cornell, Roding, Ga., Aug. 27, 1906. Kodol is sold here by E. H. Miller. 12-1

Two well known Uniontown men killed a rabbit on a farm near Addison, Tuesday, which cost them \$12.00. They had just shot the rabbit when the farmer on whose land they were, came up and told them he did not want them to hunt on his land any more, and it is charged the Uniontown men used profane language in reply, and the farmer had them arrested and taken before Justice Charles Bibeberger, of Addison, where they were fined, the fines and costs amounting to a total of \$12.00.—Rockwood Leader.

The Penn-Garrett Coal Co., of near Friendsville, this county, are shipping coal from their mines to Pennsylvania and other markets. The binder between the two first seams of coal opened up has about cropped out, giving the company a solid face of coal, and making it easier to mine. They have every prospect for an increasing business, as the coal is of excellent steaming quality.—Oakland Journal.

Yesterday evening an old muzzle-loading shotgun bursted in the hands of one of John Tedrow's young sons. The lad was struck in the face by one of the pieces, which inflicted an ugly wound. It was at first reported that his entire nose was knocked off, but later reports are to the effect that the boy was not seriously hurt. Too many guns are being handled these days, by boys not old enough to handle them.

The Boswell Sentinel collapsed about the time the fusion movement in Somerset county collapsed. The Sentinel was the sheet in which E. O. Kooser, fusion candidate for Congress, published his silly attack on Congressman Cooper, and then circulated it throughout the district. The paper was one of those boodle campaign sheets that are wholly without influence, and its demise is no loss to reputable journalism.—Uniontown News-Standard.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish, dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful, pink, velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free trial box, at our store, and be convinced. Large nickel capped glass jars, 25 cents. Elk Lick Pharmacy. 12-1

Harry McCulloch, who recently sold his undertaking business to R. Reich & Son, will have a novel sale at the public square, in Meyersdale, Dec. 2nd. He will offer his unpaid book accounts at public auction, to the highest bidder. It's a good idea, even if the accounts bring little or no cash, as it will at least put other business men onto a good sized list of deadbeats. The man who will not pay for the burial of his dead will steal sheep and pull up little corn.

Dr. and Mrs. E. H. Perry, and the Dr. and Mrs. E. H. Perry, moved to New Castle, Pa., last Saturday, where the doctor expects to locate permanently and follow his profession. Dr. Swank, who some time ago bought the handsome Perry residence, has his family here now, and they are snugly domiciled in their new home. We trust that Drs. Swank and Perry will both find their change of location pleasant and profitable to themselves and their patrons alike.

The best treatment for indigestion and troubles of the stomach is to rest the stomach. It can be rested by starvation or by the use of a good digestant which will digest the food eaten, thus taking the work off the stomach. At the proper temperature, a single teaspoonful of Kodol will wholly digest 3,000 grains of food. It relieves the present annoyance, puts the stomach in shape to satisfactorily perform its functions. Good for indigestion, sour stomach, flatulence, palpitation of the heart and dyspepsia. Kodol is made in strict conformity with the National Pure Food and Drug Law. Sold by E. H. Miller. 12-1

Rumor has it that our genial friend Ed. Reitz is to be married today to Miss Iretta Deal, one of Elk Lick's most charming and estimable young women, a daughter of Mr. and Mrs. Ambrose Deal, who reside about 1 1/2 miles east of Salisbury. The reported groom is a son of Mr. and Mrs. H. H. Reitz, of this borough, and there isn't a better young man in the town. If our information is correct, and we believe it is, we extend our congratulations to the happy young couple.

Edward Haselbarth took his wife to the University Hospital, in Philadelphia, last Sunday evening, where she may have to undergo a surgical operation. Mrs. Haselbarth has been in poor health for some time, and her many friends here all hope that her health will be speedily restored. We sympathize not only with the afflicted woman, but also with her husband, for we know how it makes a fellow feel when he has to take a loving and devoted wife to a place from whence she may never return alive.

The new Pure Food and Drug Law will mark it on the label of every Cough Cure containing Opium, Chloroform, or any other stupefying or poisonous drug. But it passes Dr. Shoop's Cough Cure as made for 20 years, entirely free. Dr. Shoop all along has bitterly opposed the use of all opiates or narcotics. Dr. Shoop's Cough Cure is absolutely safe, even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable Cough Cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. Elk Lick Pharmacy. 12-1

Mrs. Ed. Glatfely, who sustained a surgical operation at a Springfield hospital, about two weeks ago, is improving rapidly, it being her physician's opinion that she could not do better. Sunday she sat up in bed and ate a good dinner, and Providence permitting, will be completely cured and in her home by Thanksgiving day. The above is the gist of a letter received by J. M. Glatfely, yesterday morning, from his brother Ed. The lady's many Lanark friends will be glad to know she is getting along so nicely.—Lanark (Ill.) Gazette.
