There is a remedy over sixty years old—Ayer's Cherry Pectoral. Of course you have heard of it, probably have used it. Once in the family, it stays; the one household remedy for coughs and hard colds on the chest. Ask your doctor about it.

"I have had pneumonia three times, and Ayer's Cherry Pectoral has brought me safely through each time. I have just recovered from my last attack, aged sixty-seven. No wonder I praise it."—E. V. Higgins, Stevens Point, Wis.

Made by J. C. Ayer & Co., Lowell, Mass. Also manufacturers of Sarsaparilla, Pills, Hair Vigor.

Ayer's Pills increase the activity of the liver, and thus aid recovery.

DeWitt & Co., of Chicago, at whose laboratory Kodol is prepared, assure us that this remarkable digestant and corrective for the stomach conforms fully to all provisions of the National Pure Food and Drug Law. A reward of \$1,000 is now offered for the capture and conviction of the murderer of Mrs. Catherine Stauffer, who was brutally slain at her home in Stonycreek township, several weeks ago. Mahlon Livengood, a brother of Archibald, Elijah, Harvey and John W. Livengood, died very suddenly, last Sunday. He was in good health, as usual, and shortly after the noon hour went out to feed his hogs. He did not return, and an hour or more later he was found dead in his hog pen. Deceased was a farmer about 55 years of age, and he resided near Fort Hill. His death is supposed to be due to heart failure or apoplexy.

Alexander Shultz died at his home on the 26th of November, 1906, at Hutchinson, Kansas, at the age of 77 years. He was one of the 18 children of Adam Shultz, who died in Grantsville, Garrett county, Md., in 1864, aged 75 years. This very numerous and prominent family left that neighborhood about the close of the Civil war for the West, with the exception of the first born of the family, Eliza Royer, and strange to say she remains near her first home on the top of Keyser's Ridge, Garrett county, considerably up in her nineties.—Oakland Republican.

Reprint, News-Herald: "There is at least one effectual, safe, and reliable Cough Cure—Dr. Shoop's—that we regard as suitable, even for the youngest child. For years, Dr. Shoop bitterly opposed the use of opiates or narcotics in medicine, offering \$10 per drop to any one finding Opium, Chloroform, or any other poisonous or narcotic ingredient in Dr. Shoop's Cough Cure. And the challenge is as yet unanswered. Here is one manufacturing physician, who welcomed with much satisfaction, the new Government Pure Food and Drug Law. The public can now protect itself at all times, by insisting on having Dr. Shoop's when a cough remedy is needed." Sold by Elk Lick Pharmacy. 1-1

One of the fellows who poses as one who is wise above that which is written, recently answered the following advertisement in an eastern 15-cent paper: "We will send 11 cents for 1902 pennies." He scraped around until he got fifty of the 1902 mintage, and forwarded them in a registered letter. He received immediate reply saying that when he sent 1852 more pennies, sufficient to make up the number—1902—he would receive his 11 cents. He gave himself a kick, borrowed enough to subscribe for this paper and proposes in the future to keep posted on these little graft games.

Elder Jonathan Kelso died at his home near Carleton, Neb., one day last week, aged about 81 years. Elder Kelso resided for many years in Elk Lick township, this county, where he followed preaching, farming, cabinet-making and brick-making. He was prominent in the German Baptist Brethren church, and for many years was Bishop of the Elk Lick congregation. Elder Kelso was twice married, first to Susan Lichty, and after her death to Mrs. William Horner, who also passed to the spirit world some years ago. He is survived by two sons and one daughter, namely, David and Edward Kelso, of Carleton, Neb., and Mrs. Mollie Shoemaker, of Oklahoma.
