Jailed Black Pair.

Constable Fred. Dupont, of Rockwood, brought to Somerset, on Tuesday, a pair of Roanoke, Virginia, negroes that had entered the house of Mrs. Catherine Cough, at Rockwood, the night before. The burglars were frightened from the house by the screams of Mrs. Cough, and when Constable Dupont learned of the attempted burglary he started in pursuit of the rogues. He met them by surprise and gave the usual command of "hands up!" emphasizing his remarks with a displayed revolver. One of the darkies obeyed promptly and the other put up but one hand, and with the other he attempted to draw a pistol he was carrying. Dupont shot to scare him, and it had the effect. The negro not only dropped the gun, but fell himself. It is reported that they will plead guilty to a charge of burglary.—Somerset Standard.

DIGESTION DECIDES IT.

GOOD DIGESTION MORE THAN HALF THE BATTLE.

Life is a ceaseless struggle for success because success is supposed to insure happiness.

Ambition and ability make for success, but without health too, failure is more than probable.

If the digestion is poor, the nerve unsteady, the blood thin, the weight less than it should be, and ambition and energy at low tide because of stomach trouble, failure is almost a certainty.

Whether you make much or little of life, whether you fail or succeed, your digestion largely decides it. So confident is E. H. Miller that Pepsikol Tablets will renew your energy, steady your nerves, drive away that tire feeling, give tone to the digestion, improve your appetite, bring up your weight to where it should be, put new color into your cheeks and new life into your stomach, that they continue to sell this grand dyspepsia remedy on the money-back plan.

Have confidence. The guarantee absolutely protects you. Mr. Miller will gladly pay back your quarter if at the end of the ten days' treatment you have not been cured or decidedly benefited.

Harry Sheets Goes to Pen for Five Years.

Chambersburg, Dec. 4.—In court here today Judge Gillian sentenced Harry Sheets, who pleaded guilty to horse stealing, to five years in the penitentiary. Officers were here from Blair and Lancaster counties to serve warrants on Sheets for similar offenses in case he was acquitted.

He was arrested in Cleveland, O., last month, taken to Somerset county and then brought here to answer the charge of stealing a team at Green Castle.
