"They like the taste as well as maple sugar," is what one mother wrote of Kennedy's Laxative Cough Syrup. This modern cough syrup is absolutely free from any opiate or narcotic. Contains Honey Tar. Conforms to the National Pure Food and Drug Law. Sold by E. H. Miller. 2-1

Ice men are beginning to get a little uneasy as to an ice crop for this year, for so far most of the winter has been composed of sunshine and warm, heavy rains. It is somewhat colder now, but the streams are still very high, and it will have to get intensely cold to freeze thick ice on them. But never mind, gentlemen, February will give you all the ice you are looking for, even though we may not "cut much ice" as a weather prophet.

Mothers who give their children Kennedy's Laxative Cough Syrup invariably endorse it. Children like it because the taste is so pleasant. Contains Honey and Tar. It is the Original Laxative Cough Syrup and is unrivaled for the relief of croup. Drives the cold out through the bowels. Conforms to the National Pure Food and Drug Law. Sold by E. H. Miller. 2-1

The couple is composed of most excellent young people, and THE STAR wishes them a long, happy and prosperous life.

Nearly all the watch signs, probably ninety out of 100, have hands set at 8:18, but comparatively few people know why this is. It is no accident. W. K. Washburn, of New York, was painting a sign for a jeweler of that city when the news of the assassination of Abraham Lincoln, April 14, 1865, was

received in New York, and the latter ordered the painter to put upon the dial the exact time when the fatal shot was fired, namely 8:18, and so they have continued ever since. Whenever you see a sign after this, recall the fact that it points to the fatal moment.

Nearly every person who is subject to attacks from the stomach suffers from a morbid dread of a dietetic treatment for relief, that is three-fourths starvation, and one-fourth toast and milk. On the other hand you can eat as you please and digest the food by the aid of a good digestant, thus giving the tired stomach equally as much rest. Eat what you please and take a little Kodol For Indigestion after your meals. It digests what you eat. Sold by E. H. Miller. 2-1

James C. Begley, editor of the Berlin Gleaner, has instituted a suit in equity to force payment of benefits alleged to be due him from the Hawkins Lodge, Knights of Pythias, of Windber. The plaintiff became a member of that lodge in September, 1899, and subsequently transferred his card to a Conneville lodge, and he is at present a member of the Somerset lodge of that order. The plaintiff met with an injury on the Pennsylvania railroad, at Johnstown, in July, 1900, which totally disabled him for a number of weeks, and thus he alleges, he was entitled to weekly benefits from the lodge for a certain period. At the same time Mr. Begley's wife received injuries that led to her death, which he avers entitled him to an additional \$50 from the lodge. He avers that the lodge has paid him but \$29, and that \$198 is due to him.—Somerset Standard.

### Derailed an Engine.

Jeremiah Haines, a fourteen-year-old lad, was brought to Somerset from Williams Station, the other day, for placing a spike on a rail, which derailed a large engine. The boy was taken before Judge Kooser, Saturday, where he admitted that he placed the spike on the track, but claimed that he meant no mischief; that he had often seen others place pins and small articles on the track to be flattened out, and he wanted to see what a train would do to a spike. The boy was given into the custody of L. C. Colborn, the probation officer, who will have him placed with a good family in Milford township, in a few days.

Food don't digest? Because the stomach lacks some one of the essential digestants or the digestive juices are not properly balanced. Then, too, it is this undigested food that causes sourness and painful indigestion. Kodol For Indigestion should be used for relief. Kodol is a solution of vegetable acids. It digests what you eat, and corrects the deficiencies of the digestion. Kodol conforms to the National Pure Food and Drug Law. Sold here by E. H. Miller. 2-1

### Marriage of Prof. E. J. Egan.

The following account of the recent marriage of Prof. E. J. Egan appeared in the Hagerstown Globe: "It was the writer's good fortune to be present at a wedding at the home of Mr. David H. Hollinger, near Carefoss, Christmas Day. The contracting pair consisted of Mr. Hollinger's third daughter, Miss Olive, and Prof. E. J. Egan, a member of the faculty of Union Bridge College, Md.

The best man was Prof. R. J. Brandenburg, of Frederick City. The bride's attendant was Miss Densie Hollinger, a sister of the bride. She resides in New York City, and is engaged in mission work. Miss Kathryn K. Oellig, of Greencastle, Pa., presided at the organ. The marriage ceremony was very impressive, being performed by an uncle of the bride, Rev. C. R. Oellig, of Waynesboro, Pa.

The bride—I forbear, these latter-day brides are fearfully and wonderfully made, I mean as to attire. My ignorance of the dressmakers' lore would make the writer ridiculous in attempting a description of the bride's dress, and will only truthfully say she was becomingly groomed. The groom was attired in conventional black.

The presents bestowed upon the bride were many and appropriate. Conspicuously among them was a massive Morris chair, quartered and polished oak, luxuriously upholstered. This was a present from the faculty of Union Bridge College, of which institution the bride was a student. She appreciates this piece very highly, owing to associations.

The refreshments were of a very high order, and nearly 100 guests partook. Hagerstown and other nearby points were in evidence. Pennsylvanians were there from Chambersburg, Waynesboro, Greencastle and other points.

When our lines are cast in pleasant places, how swift the moments fly! The shades of evening came on apace, the good-byes were said after many good wishes for the happy pair, and all departed to their near and remote places of abode." MEDICUS.
