\$100 For Memorial Day Expenses.
Governor Stuart has signed the bill passed by the present Legislature directing County Commissioners to appropriate annually an amount not to exceed \$100 to each post of the G. A. R., in their respective counties, to aid in defraying the expenses of Memorial Day. Each year the ranks of the old soldiers are becoming more and more thinned out by the Grim Reaper, and the number is getting so small now that it is a considerable hardship for the aged veterans to secure the necessary funds for the proper observance of the day. By this law the necessary financial aid is extended to perpetuate the beautiful custom of keeping green the memories of the dead who served their country in its hour of dire peril.

Another Mutual Fire Insurance Company.

It is more than likely that another mutual fire insurance company was organized in this county, last Monday, judging from the following, which recently appeared in the Somerset Standard:
"Within the next week or two another mutual fire insurance company is to be organized in Somerset county. The meeting will be held at Somerset. The required amount of insurance that is necessary for application for charter in compliance with an act of the General Assembly of the Commonwealth of Pennsylvania approved the first day of May, 1876, is all subscribed. Those who are at the head of this new enterprise are, H. L. Sipe, E. E. Pritts, J. G. Emert, Somerset; W. H. Fritz, Garrett; J. C. Liphart, Casselman; C. C. Schmucker, Boswell; F. G. Fryburg, Hooversville; J. W. Barkley, Bakersville; G. L. Dobson, Stoyestown; H. L. Walker, Berlin, and others.
"That there is a demand existing for another mutual fire insurance company in Somerset county is not questioned, and from present indications this new company will have a large amount of insurance in effect from the start.
"The purpose of this company is to give the people of Somerset county fire insurance at actual cost, and the premium notes to be based on old line rates, less 25 per cent. Assessments at no time can exceed the amount of the premium notes. There will be only one paid office, that of the secretary. Any one desiring insurance can apply to H. L. Sipe, Somerset, Pa."
All parties interested are to meet at the office of H. L. Sipe, in Somerset, Monday, April 8, for the purpose of organization and the transaction of such business as may be necessary. The new company will be prepared to issue insurance policies by May 1.

Joke on Herr Von Heinrich Vogel.

Herr Von Heinrich Vogel, who resides a half-mile south of town, is believed to have royal blood coursing through his veins, as he believes in having a royal, rip-roaring time, every now and then.
Some time ago Heinrich and some of his fellow workmen employed at Niverton had a little beer "fest" at that village, but as they did not drink all of the amber fluid they had on hand, Heinrich strapped a keg of it onto a hand sled he had there for the purpose of transporting it home in the evening, where he intended to have a little "fest" of his own.
The sledding wasn't very good, but Heinrich resolutely pulled the sled home, a distance of about three miles, and in due time the keg was tapped, when behold it contained nothing but air. His brother, John P., was near by at the time, and the way John laughed caused the whole neighborhood to turn out to find out what had broken loose. John knew that there would be some fun when that keg was tapped, as he had knowledge of the fact that some practical jokers at Niverton confiscated the full keg while Heinrich was not present, and strapped on his sled an empty keg instead.
When the empty keg was tapped, Herr Von Heinrich said numerous and divers things that wouldn't look well in print, and at last report John P. was still laughing.
There's many a slip 'twixt cup and lip. An ancient sage has said. And there's only dregs in empty kegs. Though hauled three miles on sled.
IT IS BAD BUSINESS to allow people to look in vain through the columns of THE STAR for an advertisement of your business. tf

WHY WE CARRY

THE RALSTON

Because we are catering for YOUR trade. We know that in a pair of RALSTON HEALTH SHOES you get more satisfaction and value than in any other \$4.00 shoe on the market; for not only do they have the style and individuality usually found only in \$5.00 and \$6.00 shoes but they also have a certain foot-fitting quality found in no other shoe. They "need no breaking in" because the inner soles are made to conform exactly to the bottoms of your feet which, as you know, are full of mounds and depressions. Ralston Shoes are literally foot-moulded—and sole-fit plus upper-fit gives you perfect fit, and that means Comfort from the first.
