For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. A sluggish liver gives a coated tongue, red, bristly, constipated bowels. Correct all these by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

Made by J. C. Ayer Co., Lowell, Mass. Also manufacturers of HAIR VIGOR, AGUE CURE, CHERRY PECTORAL.

Rest is the great restorer. We tire our muscles by exercise and then rest to restore them; yet a great many of us do not stop to think how little rest we give to our stomachs. As a usual thing no part of our bodies is so generally overworked as our digestive organs. A tired and overworked stomach will give signs of distress to which we pay no heed until at last Dyspepsia takes hold. Indigestion is just a warning, and if we heed the warning we can easily avoid further consequences. KODOL is a most thorough stomach relief. It digests what you eat and gives the stomach the needed rest and greatly assists in restoring it to its normal activity and usefulness. KODOL is sold on a guarantee relief plan. It is sold here by E. H. Miller. 5-1

Dr. E. C. Saylor, Salisbury's hustling and efficient dentist, requests us to change his professional card in this issue of THE STAR, he having moved from the Henry DeHaven residence, on Union street, to the Mrs. M. Dively residence, on Grant street, where his many customers will find him better equipped than ever to do their dental work. Dr. Saylor is a very excellent workman, as well as a kind-hearted, unassuming, affable gentleman. He came to Salisbury practically a stranger, less than two years ago, but he did not hide his candle under a bushel. On the contrary, he let the people know from the start that he came here for business, and his policy all along has been, "live and let live." He has built up a most excellent patronage, and he deserves the splendid success he is meeting with.

The News—No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is, and has been for 20 years. The National Law now requires that if any poisons enter into a cough mixture, it must be printed on the label or package. For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison-marks on Dr. Shoop's labels—and none in the medicine, else it must be law on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold by Elk Lick Pharmacy. 5-1

Two Deaths in Meyersdale in One Day.

Two well known Meyersdale men died on Tuesday. They were Hugo Larentz, cashier of the Farmers' Bank, and Frank Beynon, bar-keeper at the Klare hotel.

Mr. Lorentz died very suddenly, and if we are correctly informed, he had some affection of the spine that proved fatal.

Mr. Lorentz was aged probably 40 or 45 years, and he was a son-in-law of Banker S. D. Livengood. He is survived by his wife and Charles Bursten, a step son.

Money Divided.

Saturday last the heirs of the late C. P. Livengood received their portion from the estate, the settlement being made at the office of Justice Hay. The amount due each heir (that is, the children of Mr. Livengood) was a trifle over \$8,000, less, of course, the amount each heir was charged with having received during the life of the testator. The children of the late Mrs. W. H. Landis, who was a daughter of Mr. Livengood's, each received over \$1,900. One son yet being under age, his portion was paid to Banker S. D. Livengood, his guardian. We should judge that about \$40,000 was thus paid out. The sale of a section of land in Nebraska added largely to the estate.—Meyersdale Commercial. 5-1

DOING BUSINESS AGAIN.

"When my friends thought I was about to take leave of this world, on account of indigestion, nervousness and general debility," writes A. A. Chisholm, Treadwell, N. I am now doing business again as of old, and am still gaining daily." Best tonic medicine on earth. Guaranteed by E. H. Miller, druggist. 50c. 5-1
