A WOMAN TELLS HOW TO RELIEVE RHEUMATIC PAINS.
I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines, but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it, and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—MRS. SARAH A. COLE, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale at Miller's Drug Store. 5-1

The Courier is Right.
The Meyersdale Commercial says the policy of the Lincoln party is to "watch and wait."
That's about all there is left to do, and there are not many left to do that. The Lincoln party was great only in name. It is less, much less, to-day than it ever was. It has been discovered. It won't fool the people soon again. Not even the Democrats will bite a second time.—Connellsville Courier.

CHAMBERLAIN'S COUGH REMEDY AIDS NATURE.
Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, aids expectoration, opens the secretions, and aids nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. For sale at Miller's Drug Store. 5-1

P. S. HAY.

SALISBURY'S GREATEST STORE.

There's Lots of Go in the RALSTON

You have heard so much about the comfort which is to be found in a ROLSTON HEALTH SHOE that perhaps you think that we've made style a secondary consideration. That's not so—and to prove it we would like to have you look over our Spring line of ROLSTONS. You'll find all the snap and go that good taste allows.

That's not all, either,—the unique construction of their lasts which are "true to nature" models of the soles of your feet give you "sole fit" as well as upper fit and this not only means comfort but it means also that your shoes will retain their shape and wear longer because they fit perfectly from the first.
