

P. S. HAY.

SALISBURY'S GREATEST STORE.

The Imperial guarantee won't give you a new hat if a horse drives his hoof through the crown, or a fat woman occupies the theater seat from which you have forgotten to remove it. But it will give you back your own \$3.00 or another

Imperial Hat

if the color fades or the hat loses shape or the binding and band prove bad in less time than they should. That's why it is so foolish to pay more than \$3.00 for any hat.

The Imperial \$3.00 Hat

looks just as well at either end of the season. \$3.00—worth it in style, worth it in fit, worth it in wear. All told—overworth it.

High Class School Entertainment.

The Salisbury borough schools closed last week. There being but one graduate, the customary commencement exercises were dispensed with. The graduate is Miss Pearl Dean, daughter of Mr. and Mrs. Grant Dean.

However, the close of school was not without its special event. The teachers arranged for a high class entertainment, which was given in Hay's opera house, last Saturday evening, to a large and appreciative audience, and the universal opinion is that it was the best attraction shown in the opera house in a long while, reflecting great credit on teachers and pupils alike.

The following program was rendered:

PART I.
Cantata—"Festival of the Flowers."
Handkerchief Drill.
Fan Drill and Burlesque.
Doll Drill—"The Children's Good Night."

PART II.

Pantomime—"Coming Through the Rye."

Flag Drill—Contest between the Spanish and Cubans. Final Victory for the Cubans through the aid of the Americans.

"A Perplexing Situation"—A comedy in two acts, rendered by the following cast of characters:

Mr. Middleton..... Charles Newman
Mrs. Middleton..... Pearl Dean
Tom Middleton..... Fred Wagner
Jessie Middleton..... Grace Wagner
Sue Middleton..... Myrtle Johns
Lucy Fair..... Florence Keim
Maud..... May Lichtler
Mrs. Nosie..... Nellie Statler
Alexander Wilson..... William Petry
Mary..... Alma Livengood
Fritz..... Jonas Lichty
Uncle Epitimus..... Otto Petry
Health Officer..... Ray Smalley

Time and space will not permit our going into details concerning the entertainment, and besides, most of the people interested were there and know all about it. Suffice it to say, therefore, that the costumes, decorations, etc., and all things pertaining to the entertainment in any way, were all that could be desired. And the excellent music furnished by the Salisbury Orchestra was also a very pleasing and highly commendable feature of the evening.

NEW LAWS.

GOOD WORDS FOR CHAMBERLAIN'S COUGH REMEDY.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips, of Barclay, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy whenever she has had a cold since she was two months old. About a month ago I contracted a dreadful cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale at Miller's Drug Store. 6-1

George Biser to Locate in Meyersdale—Resigned Present Position.

George C. Biser, who for the past few years has been manager of the Dull Mercantile Company's Salisbury store, has resigned his position, and on the 15th of this month will take personal charge of the City Bakery, in Meyersdale, which he purchased on May 1st.

It is with much regret that the many friends of Mr. Biser and his estimable wife learn of their intended removal from our town, but all unite in wishing them much prosperity and happiness in their new location.

We have done business with Mr. Biser ever since he came to Salisbury, and a more honorable gentleman we have never dealt with. He is a man of generous impulses, and in him we have found a staunch and steadfast friend, one who never forgets a kindness rendered, and one who is ever ready to reciprocate for any courtesy extended to him.

Mr. Biser always stood well with his employers and the patrons of the store he had charge of here, and all will regret the severance of his connection therewith. He will enter business in Meyersdale under very favorable looking prospects, and the people of that town and vicinity will soon learn that he is a most excellent and pleasant gentleman to deal with, for with him every man will get a square deal. That much THE STAR will vouch for.

Mr. Biser's successor here will be Mr. Austin Kimmel, who at present is employed in the Dull Mercantile Company's Meyersdale store. The gentleman is a stranger to us, but he comes well recommended as a worthy man for the place, and we bespeak for him a generous patronage and the same friendly relations that existed between our people and his predecessor.

MORE NEWS FROM THE NEW ENGLAND STATES.

If any one has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr. Alvin H. Stimpson, of Willimantic, Conn., who after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute kidney trouble. Sold by all Druggists. 6-1

HALF MILLION FOR RESIDENCES.

Permits Issued in Pittsburg for this Amount in a Single Day.

Pittsburg, Pa., May 1st.—All records were broken here, last week, in the number of permits issued by the Bureau of Building Inspection for residences in a single day. The amount of the improvements specified in these permits will aggregate close to a half million dollars. The new homes range in cost from \$3,500 to \$85,000.

Down-town realty is selling, and many old landmarks are being razed to make way for sky-scrapers. Although many office buildings have been erected during the past five years, the demand for offices continues to increase.

New high prices are being set each week. The improvements in the Turtle Creek Valley, where the Westinghouse industries are located, are greater than ever. The new Arlington Park plan of acre lots, at Wilmerding, is being greatly improved. G. M. Cypher & Company, of McKeesport, who own these lots, report that they are selling rapidly at the low price of \$800, which they are asking.

WONDERFUL ECZEMA CURE.

"Our little boy had eczema for five years," writes N. A. Adams, Henrietta, Pa. "Two of our home doctors said the case was hopeless, his lungs being affected. We then employed other doctors, but no benefit resulted. By chance we read about Electric Bitters; bought a bottle and soon noticed improvement. We continued this medicine until several bottles were used, when our boy was completely cured." Best of all blood medicines and body building health tonics. Guaranteed at E. H. Miller's Drug Store. 50c. 6-1

Trade at Home.

The Turkeyfoot News is doing all in its power for the merchants, within its constituency. Its town-booming helps which have appeared on the last page nearly every week for the past two months have been favorably received. But we must say that it makes us very tired indeed to have some merchants insist on us to urge the people to trade at home, and not send away to mail-order houses or big city stores for their goods, and when we go around to settle our accounts with such, have presented to us a bill head printed away from home, or receive copy for an "ad" written on a letter head which never "traded at home." Yes, we believe in it, but those who cry out so loud and persistently should certainly be first to set the example.—Turkeyfoot News.

NOTICE TO OUR CUSTOMERS.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law, as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Sold by all Druggists. 6-1

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

There is probably no medicine made that is relied upon with more implicit confidence than Chamberlain's Colic, Cholera and Diarrhoea Remedy. During the third of a century in which it has been in use, people have learned that it is the one remedy that never fails. When reduced with water and sweetened it is pleasant to take. For sale at Miller's Drug Store. 6-1

A Noble Woman Gone.

Lizzie Catharine Walter Humbert was born March 31st, 1845, and departed this life on April 29th, 1907, aged 62 years and 29 days.

Deceased was a daughter of the late Jacob M. and Elizabeth Walter, of Somerset township, and was united in marriage with Wesley C. Humbert, a veteran of the Civil War, July 1st, 1868, who with one son and one daughter survive her. One son preceded her to the spirit world over nine years ago. Deceased is also survived by one sister, Miss Maggie Walter, and two brothers, Frank and Samuel Walter, all of Somerset township.

Mr. and Mrs. Humbert began house-keeping at Livengood's Mills, near Salisbury, and afterwards moved to Berkley's Mills, where they remained until about 1870, when they made their home near Milford Station, where they continued to live until Mrs. Humbert's death.

Deceased always took a great interest in her home and the welfare of her neighbors and friends, trying at all times to make those about her comfortable and happy. She also took a deep interest in procuring good literature for herself, and she will long be remembered by all who knew her, for her noble qualities.

Mrs. Humbert was converted in her youth by Rev. D. W. Wampler, and afterwards joined the Lutheran church under the ministry of Rev. J. S. Harkey, and she lived an upright Christian life to the end. She was a loving daughter and sister, a faithful wife and mother, and always kind to the aged and poor. Of her it can be truthfully said, none knew her but to love her, none named her but to praise.

Though dead, her memory and good deeds will continue to live. Her end was peace and good will to all, believing in the Lord Jesus Christ and the resurrection.

The remains were interred in the cemetery at St. John's church, two miles southwest of Somerset, May 1st, at 12:00 o'clock. The funeral services were ably conducted by Rev. Patterson, of Somerset. Peace be unto her.

RELIEF FROM RHEUMATIC PAINS.

Among the troubles that beset mankind rheumatism is one of the most aggravating. "I suffered with it for over two years," says Mr. Rolland Curry, a patrolman, of Key West, Fla. "Sometimes it settled in my knees and lamed me so I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it, my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale at Miller's Drug Store. 6-1

Some Rich Ore Specimens.

We are in receipt of some very rich ore specimens sent to us by Sam Kimmel, an old Salisbury boy, who with another prospector recently discovered a very rich ledge of copper, gold, silver and lead bearing ore in Smith's Valley, Nevada. The specimens are from claims owned jointly and individually by Kimmel and his partner, and assays that have been made, show the ore to be very rich.

The Lyon County Times, published at Yerington, Nevada, has the following to say of the discovery recently made by Kimmel and Es partner:

NEW DISTRICT LOOKS GOOD.

Quite a number of people have made locations during the past week in the new district discovered in Smith Valley, east of the Fallon ranch. Among these are F. C. Ehlers and his partner, A. Schafer, of this place. They have brought in some nice samples of copper ore from these claims. George Warren was one of the discoverers of the district, last fall, and another prospector, by the name of S. A. Kimmel, was in on the ground early. W. S. Fuller, who gave us the news of the district, last week, also has some good prospects. The district may not prove to be a large one, but some good mines are very liable to be developed there. The ledges do not crop prominently, but the section is capped with an iron gossan, which, when pierced, invariably shows good copper ore.

A NARROW ESCAPE.

G. W. Cloyd, a merchant, of Plunk, Mo., had a narrow escape four years ago, when he ran a jimson bur into his thumb. He says: "The doctor wanted to amputate it, but I would not consent. I bought a box of Bucklen's Arnica Salve, and that cured the dangerous wound." 25c. at E. H. Miller's Drug Store. 6-1
