In addition to her four children, Mrs. Harrison is urvived by 15 grand-children and 26 great-grandchildren.

# TROOPS SLAY MANY PEOPLE

Over 100 Killed and 600 Injured in Portuguese Towns.

MILITARY FIRE ON MOBS

Members of Artillery Who Muting and Demand Establishment of Republic Arrested.

Fired on by troops, hunted down through the narrow streets and final-ly pursued by cavalry which rode down men, women and children indiscriminately, over 100 persons are dead and fully 600 wounded as the outcome of violent street demonstrations against the government in the three northern towns of Braga, Villa Real and Vianna Do Castello. Further

trouble is expected.

The mobs paraded the streets shouting: "Down with absolutism," and decrying King Carlos for his attempt to rule the country without parliament. Soldiers sent to disperse the rioters were attacked with stones, bricks and other missiles. They replied with volleys, which stretched scores of rioters in the streets.

scores of rioters in the streets.

This did not quell the mobs entirely. Persons in houses continued to bombard the troops with stones, while hot water was poured on them.

Angered beyond all control, the solutions of the solution of the diers began firing again, shooting down persons as they fled. Cavalry rode down every person who could be

Prosecution and punishment may follow.

## Standard Men Summoned.

Judge Landis of the Federal Court in Chicago, in which the Standard Oil Co. was recently found guilty of vio-Co. was recently found guilty of vio-lating the Sherman anti-trust law, ordered that the chief officials of the company be summoned before him to give information as to the financial standing of the company. Fines ag-gregating nearly \$30,000,000 may be assessed against the company, but presumably before doing so the judge wishes to learn whether the penalty wishes to learn whether might not be too heavy.

#### YALE WINS BOAT RACE

Taken Into Custody.

Taken Into Custody.

Before the largest crowd that ever witnessed a race on the Thames river, the Yale crew, at New London, Conn., rowing on an average of four strokes to the minute less than Harvard, held the big Cambridge eight even until the last half mile, when the blue let out their speed and won a magnificent contest by a scant boat length. Yale's time for the four miles was 21 minutes and 10 seconds; Harvard's 21 minutes and 13 seconds.

The race was accompanied by one

The race was accompanied by on disagreeable incident. This was the arrest of E. H. Harriman, the railroad magnate, by Lieut. Billard, President Roosevelt's naval aide. Lieut. Bil-lard, who was in charge of the revenue cutters, had warned avery boat owner not to follow the race. The big varsity struggle had sca been started when Mr. Harrima a powerful motor boat, started t low the race. Lieut. Billard Chairman Schweppe, who was aboard the regatta committee boat, the Ar-row, repeatedly warned Mr. Harri-man to stop his engine and get out of the course. Mr. Harriman not only the course. Mr. Harriman not only paid no attention to them, but took a position right alongside of the re-feree's boat and held it. Off the navy yard Lieut. Billard signalled for a launch and tooted the revenue cut-ter's whistle,—which finally caused Mr. Harriman to look around.

"You are under arrest, sir," shouted Licut, Billard, "You will give yeurself up to this man, who will take you aboard the Gresham to await my

The exact casualties will probably be never known as the soldiers immediately removed the bodies of the dead and they were buried secretly.

# Mr. Harriman Violates Orders and Is RALROAD RULES COAL FIELD

Government Asked to Aid Mine Owners to Secure Fair Play.

RAILWAY JUDGES ARE BUSY

Interstate Commerce Commission Fin aliy Taking Its Place as Tribunal of Wronged.

No less than 54 complaints were filed with the Interstate Commerce Commission June 25, almost double the number received during the entire year two years ago, showing that the country is beginning to realize that there is at least an effective means of bringing the big transportation companies to account for their conduct toward their patrons and the public gravelly in the conduct toward their patrons and the public gravelly in the conduct toward their patrons and the public gravelly in the conduct toward their patrons and the public gravelly in the conduct toward their patrons and the public gravelly in the conduct toward their patrons are the conductive toward their patrons and the public gravelly in the conductive that the conductive that the patrons are the conductive that the conductive

lic generally.

One of the complaints filed came from the Clark Bros. Coal Mining of Philadelphia, which charges Pennsylvania railway with un reatment in supplying cars and ask damages to the amount of \$36,401.12.
Clark Bros. have three mines at Bigler, Clearfield county, on the line of the Cambria and Clearfield railway, which is part of the Pennsylvania system. The coal company alleges the output capacity of its mines is the output capacity of its mines it 995 tons a day, but it is unable to market this quantity of coal, because the railroad refuses to supply it with the necessary number of cars, all though other mining companies along

the same line of railroad are supplied with all the cars they ask for.

The Pennsylvania railroad is charged by the coal company with fixing an arbitrary rating of its output, capacity, and in consequence of this the coal company has been compelled to close its mines and keep them idle. On the other hand, its charged that other mines in the same district are given an output capacity rating out of proportion to that accorded the com

proportion to that accorded the com-plainant company.

The entire system of rating the out-put capacity of mines, enforced by the railroad company, is declared by the complainant company to be illegal, unjust and inequitable and produces an undue and unwarranted preference and advantage to concerns owning in-dividual cars and receiving in addi-tion their programs share of the comtion their pro-rata share of the com-pany cars, which concerns, it is charg-ed, supply coal to the railroad com-pany for its own use.

The complaint admits that the sup-oly of cars owned by the Pennsyl-vania Railroad Company is inadequate and insufficient, but alleges that this is inexcusable, as the railroad com-pany has large assets, and sinancial credits, and is expending large sums for other devlopments and improve-ments and in the purchase of stocks of other railroad corporations.
