

The Pulpit

A SERMON BY THE REV. IRA W. HENDERSON

Subject: Jesus the Teacher.

Brooklyn, N. Y.—Preaching at the Irving Square Presbyterian Church...

From the days of His youth when He put the wise men of the temple to shame...

Fundamentally no teacher is of good report save his teaching comes from experience...

Let us consider some of the minor qualities which inhered to the preaching of the Christ...

The teaching of Christ was searching. How He burned through sham and cant and hypocrisy...

Jesus taught realistically. He did not go into metaphysics to explain His points...

The risen Christ is the hope of the believer—Christ, not in the heavens, but in the heart...

Fulfilling the Plan. The engineer of the Brooklyn bridge was confined to his bed when it was in process of construction...

facts are. He wished humanity to see and to know that sin is disobedience to God...

On the other hand, He wanted men to know what is the nature of God and His character...

There is a movement on foot in England to have the wife adopt her husband's name...

A telephone rebuke. "Some one ought to publish a book on telephone etiquette," said the society matron at a recent dinner...

A young woman named Fraulein Hollda, the daughter of a local magistrate of Gross-Butty, a town in Hungary...

Women are fast replacing men as shopwalkers in millinery and dress shops...

WOMEN AS FLOORWALKERS. Women are fast replacing men as shopwalkers in millinery and dress shops...

RICK-RACK. Ten or fifteen years back every woman was utilizing the flat, wavy rick-rack braid for trimming waists...

The Living Hope. "The risen Christ is the hope of the believer—Christ, not in the heavens, but in the heart..."

The Spiritual Magnet. That great magnet, with its metal frame and its coil of wire, and that strange magnetic power...

Fulfilling the Plan. The engineer of the Brooklyn bridge was confined to his bed when it was in process of construction...

WOMEN: THEIR FADS. THEIR FASHIONS. THEIR WORK. THEIR ART.

OKLAHOMA VIEW OF WOMAN.

In his Muskogee speech Roy Hoffman said: "We love the woman who loves her husband and her country with no desire to run either..."

WIFE TO KEEP HER NAME.

There is a movement on foot in England to have the wife adopt her husband's name...

A TELEPHONE REBUKE.

"Some one ought to publish a book on telephone etiquette," said the society matron at a recent dinner...

YELLOW AND RED BARRED.

A young woman named Fraulein Hollda, the daughter of a local magistrate of Gross-Butty, a town in Hungary...

WOMEN AS FLOORWALKERS.

Women are fast replacing men as shopwalkers in millinery and dress shops...

RICK-RACK.

Ten or fifteen years back every woman was utilizing the flat, wavy rick-rack braid for trimming waists...

The Braid.

The braid, which is generally white, is used to outline bold and conventional figures, cross-bars, seed or French knots...

SLEEP AN AID TO LOOKS.

Sleep is a great preserver of youth. Eight hours at night and a short nap during the day will do much to keep the face free from wrinkles...

A Celebrated Woman.

A celebrated woman, who was famous even in her old age for her beautiful, clear complexion and freedom from wrinkles...

SENSELESS SMART WOMEN.

Among the most aggravating things to deal with in life is the talented or smart woman who has very little common sense...

need of money, but with a clever talent for making sketches that would make her independent.

A friend, after infinite trouble, gets her an order from a leading caterer for dinner cards...

There is the little dressmaker, with the fingers of an artist, struggling along, unknown and unpatronized...

Everybody has had experiences of like character and knows that the most impossible and hopeless and discouraging and heart-breaking thing in the world is to attempt to try to help these smart women without sense.

If you are worrying along with any of these types of senseless smart women, drop them like hotcakes...

OYAMA'S WIFE AS A NURSE.

Perhaps the first portrait of Marquise Oyama, the wife of the famous Japanese Field Marshal who drove the Russian army out of Manchuria...

Embroidery is more lavishly used this season than ever in Paris.

Many of the handsome cloth suits are being copied in the heavy linens. Little capes of silk or cloth to match costumes are very much in order...

There is a sort of red khaki that comes out when elaborated with needlework, but which has no beauty in itself.

Fine silk and lisle stockings in plain colors exactly matching are correct for wear with the pumps and low shoes.

Yards of shimmering ribbons flutter over the gauzy fabrics of evening gowns, and the dainty beauty of each is enhanced by the near association of the other.

Notwithstanding there are thousands of other pretty white materials for waists, is there really anything quite so delightful to wear as linen? or any which launders so well?

In New York City strings of beads are very much in favor for wear with both high and low necked gowns, even she who is in mourning wearing her string of graduated dull beads.

SAVE LINEN COLLARS.

When the men of the house put aside their old collars don't throw them into the rag bag, but remove the fine linen and after washing put into a shoe box...

SABBATH SCHOOL LESSON

INTERNATIONAL LESSON COMMITMENTS FOR JULY 21 BY THE REV. I. W. HENDERSON.

Subject: The Ten Commandments, Duties Toward Men, Ex. 20:12-17—Golden Text: Lev. 19:18—Memory Verses, 12-17.

The commandments that impress upon us our duties toward humanity are the corollaries of the commandments that tell us of our obligations toward God...

The fifth command, which enjoins proper respect to our earthly parents, is the basis upon which all social life is reared. The sense of authority in the home and of obedience to parental control supplies the ground upon which all sane and sound civil governments rest...

"Thou shalt not kill" enjoins the sixth commandment. And you must not only not kill your brother, but also you must not take your own life. It further means that the nations shall cease international murder...

Passages for reference: Psa. 51: 17; Prov. 16: 19; Matt. 23: 12; Luke 18: 28-30; 1 Pet. 5: 5.

The Jewish Church had long been trained for the victorious Messiah. The teachings had been colored by materialism, and so the leaders looked for a temporal king...

The rich man has so many interests and can command so many pleasures and comforts that he often neglects or forgets his spiritual life. The hunger is nevertheless there, and will arouse at the sight of God's manna...

CHRISTIAN ENDEAVOR NOTES

JULY TWENTY-FIRST.

Topic—Present-day applications of the last six Commandments. Ex. 20: 12-17.

Jesus on filial regard, Matt. 15: 4-9. Murder in the heart, Matt. 5: 21-24. Lust is adultery, Matt. 5: 27-32. "Defraud his brother," 1 Thess. 4: 1-6.

No liar in heaven, Rev. 22: 11-15. Covetousness, Eph. 5: 1-7. Long life is not to be the object of our honoring of father and mother; if it is, it will not be the result...

Covetousness is idolatry; the thing coveted is the idol, and self is always the pedestal. Stealing on a large scale is called enterprise, as murder on a large scale is called war.

Next to God, thy parents; next them, the magistrate.—William Penn. I pray Thee, O God, that I may be beautiful within.—Socrates. Prefor loss before unjust gain; for that brings grief but once, this for ever.—Chilo.

"This great republic of ours shall never become the government of a plutocracy, and it shall never become the government of a mob," said the President. He might have added, declares the New York World, that there is no surer way of making it the government of a mob than by first permitting it to become the government of a plutocracy.
