George Krausse, who came home from Pittsburg, some time ago, with typhoid fever, is again able to be out.

Robert Beachy, who had been visiting Salisbury friends for some weeks, returned to his home at Esbon, Kan., this week.

Howard Yaist, a former citizen of this place, but who now resides at Vale Summit, Md., was here on business, last week.

G. D. Lichty, a well known citizen of Meyersdale, is reported dangerously ill. Late reports say that his recovery is hardly possible.

Our friend Daniel Livengood orders THE STAR sent to his address at Munn-hall, Pa., where he has moved with his family and is clerking for Miller & Miller, druggists.

Stewart Smith, manager of the Howard Meager & Co. store, quit that position yesterday. The store will now be managed by Miss Lottie Meager and Robert Tremain.

Dr. E. C. Saylor and Herbert Engle are again able to be about. Both had been sick and showed symptoms of typhoid fever, which, however, we are glad to say did not develop.

Frank Wagner has leased Hay's hotel and will have full charge of it in a few days. Frank is a popular and accommodating man, and we predict that he will have a large patronage.

The Lutheran Reunion of Somerset county Conference will be held at Edgewood Grove, Aug. 27th. Fine Speeches. Good Music. Cordial fellowship. And Hier Stehle Ich.

Yesterday the Sunday school of St. Michael's church, West Salisbury, had a pleasant outing and picnic party at the famous Findlay spring, about three miles east of Salisbury. A good time is reported.

We are under obligations to the Meyersdale Automobile and Garage Company for a very neat thermome-

Like the automobiles sold by the said firm, the thermometer is all right, and we return thanks for the same.

Alfred Wagner and Solomon Meese, two very worthy old soldiers, recently were granted a substantial increase in pension. Mr. Wagner now gets \$20 per month, and Mr. Meese \$25. We congratulate them on their good fortune.

A society woman in Somerset announced a white elephant party. Each guest was to bring something that she could not find any use for, and yet too good to throw away. Eleven of the nineteen women brought their husbands.

John, the youngest son of Mr. and Mrs. P. J. Livengood, came home last Friday with a case of typhoid fever. He had been conducting a meat market for a firm at Mt. Pleasant, Pa. He is getting along as well as can be expected.

Piles get quick and certain relief from Dr. Shoop's Magic Ointment. Please note it is made alone for Piles, and its action is positive and certain. Itching, painful, protruding or blind piles disappear like magic by its use. Large nickel-capped glass jars 50 cents. Sold by Elk Lick Pharmacy. 9-1

John Kann recently moved to Pittsburg, where he is working at his trade, carpentering. We are sorry to lose John and his family as residents, as they are the best kind of people. However, we wish them much success in their new location.

Orino Laxative Fruit Syrup is sold under a positive guarantee to cure constipation, sick headache, stomach trouble, or any form of indigestion. If it fails, the manufacturers refund your money. What more can any one do. Sold by all Druggists. 9-1

An exchange remarks that a man can start out any day, and inside of an hour and thirty minutes he can engage a woman to work for him for life at nothing a week, while it will take two weeks of solid search to get one to work at fair wages and board.

Don't accept a cough cure that you may be told is just as good as Kennedy's Laxative Cough Syrup, because it isn't just as good—there is quite a difference. Kennedy's Laxative Cough Syrup acts gently upon the bowels and clears the whole system of coughs and colds. It promptly relieves inflammation of the throat and allays irritation. Sold by E. H. Miller. 9-1

Genial George P. Walker, of Coal Run, Pa., had a set-to with one of the Turveys, of the same place, last week. It is needless to say that George vanquished his man without much trouble. George is a good-natured, kind-hearted sort of a fellow, but when he is imposed on he is a husky fellow to go up against.

A Frostburg father recently called to his daughter from the head of the stairs, "Ethel, what time is it?" The daughter answered from the parlor, saying, "It's a quarter past ten, father." All right," responded the father, "but don't forget to start the clock again after the young man goes out to get his breakfast."

John Riab, a prominent dealer of Vining, Ia., says: "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by E. H. Miller. 9-1

G. A. R. is making elaborate preparations for a grand celebration at Edgewood Park, on Thursday, Sept. 5, 1907. In a short time the program will be announced. This notice is given early, that old soldiers and their friends in Somerset county may begin to make their plans to be in attendance, says the Somerset Democrat.

Walter DeLozier, of Johnstown, Pa., writes that he hasn't received the "Twinkler" for two weeks, and adds that he misses it very much. It's no fault of our's, Walter, as we have been mailing the paper regularly to your address, and the fault for non-delivery must surely be at the Johnstown post-office, or with the carrier who delivers your mail.

I'll stop your pain free. To show you your first—before you spend a penny—what my Pink Pain Tablets can do, I will mail you free, a Trial Package of them—Dr. Shoop's Headache Tablets. Neuralgia, Headache, Toothache, Period pains, etc., are due alone to blood congestion. Dr. Shoop's Headache Tablets simply kill pain by coaxing away the unnatural blood pressure. That is all. Address Dr. Shoop, Racine, Wis. Sold by Elk Lick Pharmacy. 9-1

A Meyersdale high society woman was heard to remark, recently, that she was going to build a condition to her residence, so she could ascertain her friends with more hostility, and she was going to have a purgatory on top of the house and a memorandum all lit up with indecent lights for them to lemonade on. Oh, joy! How'd you like to be one of her friends?

Geo. C. Biser was in town a short time this week, and his many friends were all glad to see him. He came up from Frederick county, Md., in response to a message from the Dull Mercantile Company, the firm he used to work for. The same people again want him to take charge of one of their Somerset county stores. Mr. Biser is a good store manager, and an all-around good fellow. We would like to see him come back to old Somerset county again, but when we last saw him he was undecided.

A lady in an adjoining town spied what she supposed to be her pet kitten in the cistern making a terrible ado. Her love for the pet made her determined to rescue it at all hazards. She applied a rake, but all to no use, so in she jumped, and the water came up to her neck. Shortly after her husband arrived, fished her out and discovered the kitten on the roof, while its shadow was reflected in the water.—Confluence News.

Those who have stomach trouble, no matter how slight, should give every possible help to the digestive organs, so that the food may be digested with the least effort. This may be done by taking something that contains natural digestive properties—something like Kodol For Indigestion and Dyspepsia. Kodol is a preparation of vegetable acids and contains the very same juices found in a healthy stomach. It digests what you eat. Sold by E. H. Miller. 9-1

Mix five cents worth of tartar emetic with an equal amount of sugar, make it quite moist with cold water, and set it in small dishes where the ants are troublesome. They will disappear quite as mysteriously as they came, and there will be no dead ants lying around. You can use this mixture over again by moistening it. This will drive away both the large black ant and the small red ant, says an exchange.

Free, for Catarrh, just to prove merit, a Trial size Box of Dr. Shoop's Catarrh Remedy. Let me send it now. It is a snow-white, creamy, healing, antiseptic balm. Containing such healing ingredients as Oil Eucalyptus, Thymol, Menthol, etc., it gives instant and lasting relief to Catarrh of the nose and throat. Make the free test and see for yourself what this preparation can and will accomplish. Address Dr. Shoop, Racine, Wis. Large jars 50 cents. Sold by Elk Lick Pharmacy. 9-1

Frequently you pick up one of the local papers, and, after glancing at the head lines, wearily thrust it aside, remarking, "Nothing in the paper today." Did you ever stop to think what that phrase—"nothing in the paper, this week," means? It means that in the week just past no misfortune has befallen one in our city; that no fire has wiped out a neighbor's worldly goods; that the grim angel of death has crossed no threshold of a friend; that no man driven by liquor, hatred or fear has taken the life of a fellow human; that no poor devil, haunted by the past or misdeeds of some others, has crossed the divide by his own hand; that many things that ought not to happen have not happened. So the next time you pick up a paper that doesn't announce a tragedy, give a thanks—instead of grumbling because there is no news.—Ex.

"We never repent of eating too little," was one of the ten rules of life of Thomas Jefferson, president of the United States, and the rule applies to every one without exception during this hot weather, because it is hard for food, even in small quantities, to be digested when the blood is at high temperature. At this season we should eat sparingly and properly. We should also help the stomach as much as possible by the use of a little Kodol For Indigestion and Dyspepsia, which will rest the stomach by digesting the food itself. Sold by E. H. Miller. 9-1

Talk about catching fish—well, lots of fellows talk about it, but when it comes to making big catches, THE STAR man easily takes the belt. Week before last Tom Daugherty and the editor went up the river with a box of good, clean earth worms, and the catch was, Daugherty, 57; Livengood, 75. On Tuesday last Albert Petry and the editor went fishing up the river, with the same kind of bait, and the catch was, Petry, 20; Livengood, 121. Some nice bass were included in each catch, but most of the fish were red horse. THE STAR man hasn't tried to do his best yet, as the water has been too high all along. When the water once gets just right, the editor is willing to wager that he can catch anywhere from 200 to 300 fish in the Casselman in one day, using only a single hook baited with earth worms. Fish are not scarce in the Casselman, as most fishermen declare, but one must know how to catch them in order to bring in a nice string.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—mean stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Elk Lick Pharmacy. 9-1

In James Madison's second term occurred the war with England and the famous burning of defenceless Washington. Dolly Madison has left posterity a record of those thrilling days in August, 1814, when she remained in the Presidential Mansion—"having no fear but for him (Madison) and the success of our army." Many women of position had left the city, but Mrs. Madison stayed on, awaiting dispatches from her husband. We see her with her spy-glass "watching with unwearied anxiety, hoping to discern the approach of my dear husband and his

friends." Off at Bladensburg the cannon boom, filling the city with panic; but her one thought is for him—not of her own danger. "Mr. Madison comes not. May God protect him! Two messengers, covered with dust, come to bid us fly; but I must wait for him—" When she finally did leave, the British were expected in a few minutes. The dinner was left untasted on the table, a small number of the household treasures were thrown into a wagon, and the Washington portrait sent away. Jumping into her "chariot," attended by her servant-maid Sukey, Mrs. Madison was whirled off to Georgetown Heights, where a few hours later, saddened and tearful, she watched the flames of the city light up the evening sky.—From "The Love Story of James Madison" in The Ladies' World for August.

Rev. C. L. E. Cartwright Has Introduced an Innovation in the Braddock Churches.

Rev. C. L. E. Cartwright, for many years pastor at Scottsdale, and now at Braddock, has introduced an innovation which is being commented upon favorably. While the other pastors of town are taking vacations, Rev. Cartwright is keeping his church open, spending a few days each week with his family at Ligonier, but conducting the Sunday services as usual.

At the services, Sunday evening, he urged the men to remove their coats and the women their coats and be comfortable. The problem of securing attendance is thus far towards solution these hot days, says the Connellsville Courier. THE STAR thinks Rev. Cartwright's idea is a good one.

HAD AN AWFUL TIME.

BUT CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY CURED HIM.

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time, and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—SAM. H. GWIN, Concord, Ga. For sale at Miller's Drug Store. 9-1

Hint To Swimmers.

"You often read of people dying from cramps while in swimming," said James D. Rose, of Martin, Tenn. "People don't die from cramps while in bathing. The water gets into the ears, floods the ear drums and causes the nerves leading to the brain to become paralyzed. This naturally forces other vital nerves to cease performing their duty, and the result is death. If people who go in swimming would put cotton in their ears, the number of deaths from cramps would be much smaller. This information was imparted to me several years ago by an old German physician who lived in East Tennessee in the mountains, and who was an intelligent, but queer individual. Whenever I go in swimming I always put cotton in my ears, and I'm never afraid of having cramps."—Nashville Tennessean.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY, BETTER THAN THREE DOCTORS.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. JOHNSONS, Linton, Miss. For sale at Miller's Drug Store. 9-1

TEN YEARS IN BED.

"For ten years I was confined to my bed with disease of my kidneys," writes R. A. Gray, J. P., of Oakville, Ind. "It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a Godsend to me." Sold by all Druggists. 9-1
