We forgot to mention, last week, that our portly friend Lew S. Keim had been at his old Salisbury home on a visit. The latch-string is always out for Lew, in this town, no matter at what old acquaintance's house he calls. His visits are usually too short.

Mrs. C. T. Hay has greatly improved her beautiful residence property by removing the front fence and relaying the pavement to conform with the latest grade and survey of Ord street. Away with the fences. They are a nuisance in town and spoil the looks of any pretty home.

George Stahl, who had long been wanted by the authorities of Garrett county, Md., was taken to Oakland by the Sheriff, Monday morning last. There are several charges against him, one of which is wife-beating. Our informant is Baker Johnson, the Grantsville mail carrier.

Don't accept a cough cure that you may be told is just as good as Kennedy's Laxative Cough Syrup, because it isn't just as good—there is quite a difference. Miller. 9-1

Harvey Hay went to Buffalo and Niagara Falls, N. Y., last week, on a pleasure trip. One of the chief attractions for him in the Empire state was some swell horse races to be pulled off at Buffalo. Harvey is a great enthusiast on horse racing, also a good judge of horses and their riders.

Mrs. E. H. Miller is being visited by all of her sisters, four in number, and it is needless to say that they are all having a good time together. They are a lively bunch of good vocal musicians, and they know about all the good songs ever composed. They know how to sing them, too.

Stanley Boucher went to Duquesne, Pa., last week, with a view to buying out an express business and locating there. We have heard nothing from him since he left here, so we don't know whether he made the deal or not. Stanley is a good fellow, and we wish him success wherever he may locate.

John Riah, a prominent dealer of Vining, Ia., says: "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by E. H. Miller. 9-1

Our old friend Wm. J. Lichty has been quite unwell during the past few weeks. He is badly crippled, and it is very hard for him to get about. We trust, however, that his condition will soon improve, and that he will be able to move about among his many friends, who always miss him when he is housed up.

Mrs. J. T. Smearman, of New Haven, Pa., who had been here visiting her parents and other relatives, returned home several days ago, accompanied by her two little sons, who had been here for several weeks with their grandparents, Mr. and Mrs. Casper Wahl. Her husband was also here over Sunday.

A rumor is afloat to the effect that the Meyersdale Commercial is about to change its politics again and come out as a full-fledged Prohibition paper, this fall. The Commercial has espoused about every other political cause in its time, and it might just as well be a Prohibition paper this year as anything else.

While Annie and Janet McKinley were driving from Meyersdale to Salisbury, several days ago, their horse took fright at an automobile and became unmanageable. Both of them were dumped out of the buggy, we are informed, but were not injured much. The buggy, however, is reported to have been considerably damaged.

"We never regret of eating too little" was one of the ten rules of life of Thomas Jefferson, president of the United States, and the rule applies to every one without exception during this hot weather, because it is hard for food, even in small quantities, to be digested when the blood is at high temperature. At this season we should eat sparingly and properly. We should also help the stomach as much as possible by the use of a little Kodol For Indigestion and Dyspepsia, which will rest the stomach by digesting the food itself. Sold by E. H. Miller. 9-1

A large tallyho loaded with Frostburg people arrived here last Saturday evening. They came over to attend the lawn fete and dance at St. Michael's grove, West Salisbury. They returned home on Sunday. Miss May Cosgrove, our former telegraph operator, was one of the party, and the people here are always pleased to meet and greet Miss Cosgrove, as she is a general favorite here.

The cancerous growth recently removed from the face of Mrs. Catharine DeHaven, was removed by Dr. A. M. Lichty, and not by Dr. T. F. Livengood, as stated in a recent issue of THE STAR. We had been misinformed as to the operation, and gladly make the correction. Dr. Livengood merely assisted by administering the anaesthetic. The patient is said to be getting along nicely.

I'll stop your pain free. To show you first—before you spend a penny—what my Pink Pain Tablets can do, I will mail you free, a Trial Package of them—Dr. Shoop's Headache Tablets. Neuralgia, Headache, Toothache, Period pains, etc., are due alone to blood congestion. Dr. Shoop's Headache Tablets simply kill pain by coaxing away the unnatural blood pressure. That is all. Address Dr. Shoop, Racine, Wis. Sold by Elk Lick Pharmacy. 9-1

Mr. and Mrs. H. S. Hooe, who had been visiting here for several weeks, departed for their home in San Francisco, last Friday. Mr. and Mrs. Hooe are enthusiastic over the future prospects of the Earthquake city, but they admit that the union labor government that has the city in its grasp at the present time, is and has been a great detriment to the city's progress and rebuilding.

John, the second son of Mr. and Mrs. B. F. Krause, who is a student of the Williamson School of Mechanical Trades, in Delaware county, near Philadelphia, came home several days ago to spend his summer vacation. He is learning brick-laying, and is said to be one of the aptest pupils in the school. John is a very athletic young fellow, and has acquired quite a reputation as a baseball twirler.

Mr. and Mrs. Fred Durr, of Greenville township, were the guests of Mr. and Mrs. B. F. Krause, last Sunday. Mr. Durr is one of the leading farmers in the locality where he resides, and he is also a first class business man. He is full of good stories and wise sayings, and as an all-around good fellow, Fred has few equals. The only thing we don't like about him, is the fact that he doesn't like Limberger cheese with his beer.

Those who have stomach trouble, no matter how slight, should give every possible help to the digestive organs, so that the food may be digested with the least effort. This may be done by taking something that contains natural digestive properties—something like Kodol For Indigestion and Dyspepsia. Kodol is a preparation of vegetable acids and contains the very same juices found in a healthy stomach. It digests what you eat. Sold by E. H. Miller. 9-1

William J. Powell and family have shipped their household effects to Arrow, this county, where they will take up their residence in a few days. "Billy" will work in the big mill of the Bobcock Lumber Company, located at that place, where we trust he will prosper and have better health than he had while working in the mines. "Billy" Powell is an honest man, and we wish him prosperity and happiness at all times.

Samuel McClure, who is working for the Remington typewriter people, with headquarters in Erie, Pa., came home last week to spend a short vacation. He is a Remington enthusiast, of course, and has a right to be, for it is a very good machine. However, he admits that there are other good typewriters, and he pronounces the Pittsburg Visible, the kind sold at THE STAR office, a good one, which proves that he is a good judge.

Mr. and Mrs. D. A. McLaughlin, of Roselle Park, N. Y., who had been here on a visit for about two weeks, departed for their home, several days ago, accompanied by Casper Wahl, father of Mrs. McLaughlin, who went for a visit in the Empire state. Claude Menser, a son of Mrs. McLaughlin by her first husband, also went with her. He had been living with his grandparents almost from his infancy.

Rev. Marshall Bowlin, of Illinois, spent a couple of days in Salisbury during the past week. While here he was the guest of his brother-in-law,

## Barchus & Livengood.

"Squire" Levi Lichty, Rev. Bowlin resided in Salisbury about 20 years ago, and his trip east, this time, was a sad one, owing to the death of his sister, Mrs. Sebastian Tissue, who died at her home in Allegheny, Pa., July 24th. He came east to attend the funeral, after which he came to Salisbury for a brief visit with old friends.

Walker, the great policeman who has sued the editor for criminal libel, brought with him from Somerset a petition to have himself appointed Constable of this borough, vice Frank Wagner, resigned. His petition wasn't afloat very long, however, until he found out that the substantial people of this borough had no use for such a lullaby as he is for Constable, and that he is distasteful enough as a policeman. He found out that the people were nearly all for "Barney" Krause, and so he gave up in despair.

No services have been held in the Brethren church for quite a long while, owing to repairs that were being made to the building. Next Sunday, however, the church will be reopened for services, and at 2:30 o'clock in the afternoon Rev. Beechler, the newly appointed minister for the Meyersdale, Salisbury and Summit Mills charges, will preach his first sermon in Salisbury. Rev. Beechler is said to be a very able preacher, and he will doubtless have a large congregation.

Dowe Watson, who resided in Salisbury and vicinity during the past few years, took his departure for Buffalo, N. Y., one day last week, where he sent his family some time ago, and where they will reside. Before leaving here, Mr. Watson ordered THE STAR sent to his new address, and stated that he never took a paper in his life that he didn't pay for. He used to be a printer himself, and says he knows that printers earn their money. We wish Mr. Watson and family much prosperity in their new home.

On Tuesday morning B. F. Krause was appointed Constable of Salisbury borough, vice Frank Wagner, resigned. Judge Kooser could not have appointed a better man for the office than "Barney" Krause. Frank Wagner was also a very good constable, but resigned on account of other business matters that require all of his attention. Mr. Krause has served this community as Constable before, and in that capacity gave eminent satisfaction. His appointment is very acceptable to the best citizens in all the various political parties and factions in this borough, and we congratulate "Barney" on the same.

Every family should have a curfew which should positively "ring to-night," and every night if needed. These curfews are inexpensive and home-made. Take a piece of siding 2 feet long, and whittle one end down to a handle, and the child that needs a curfew and bend it over a barrel. Now take the siding in hand and use it as a clapper. Put it on hot, divide the strokes evenly and see that none miss. Good for a boy or girl up to the age of 16, and three applications are warranted to cure the most pronounced case of street loafing that exists. The music is said to be finer than singing "Where is My Wandering Boy To-Night."—Ex.

Ira Milliron, a former Salisbury boy, came to town on Tuesday in a large touring car. He had his sister, Mrs. C. E. Stabler, of Rockwood, with him, also her children. Ira Milliron was a Salisbury boy in knee breeches, only a few years ago, but today he is an able lawyer and a member of the Pennsylvania Legislature. He is also an inventor and a man of wealth and influence. He has made an invention for cheapening the manufacture of window glass, which is revolutionizing that business, and he holds the controlling interest in a stock company said to be capitalized at about a million dollars, which will own and control the patent. Mr. Milliron is located at Franklin, Venango county, Pa., and we understand he also has paying stock in the oil business. He spends much time in seeing the country, traveling in a fine automobile, and from here he will go to Pittsburg and Cleveland, accompanied by Ernest Livengood, one of his former schoolmates.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Elk Lick Pharmacy. 9-1

## LOS ANGELES LETTER.

Frank DeLozier, a Salisbury Boy Tells of Things on the Pacific Coast.

LOS ANGELES, CAL., Aug. 1, 1907. EDITOR STAR:—I take the pleasure of a short letter to you, enclosing one year's subscription for the ever bright STAR of the East.

I have been along the coast for about eleven weeks, viewing the scenery of the mountains and a number of towns and cities. I must say that Los Angeles is the "candy" of the ones visited thus far.

Last week I went to San Pedro, a distance of about 23 miles, to see the largest sail boat afloat, the property of Germany. It landed at San Pedro from Germany in 102 days, making the distance of 24,000 miles in that time.

I had the pleasure of meeting some of the former Salisbury people, Dr. Speicher and family.

Since my stay here I have witnessed but one rainfall. That was in Oakland, about seven weeks ago. But there is plenty of water, just the same.

There is an opportunity for anyone wishing to buy land in California, between here and Santa Barbara, of which was thought to be too elevated for fruit raising. I had a talk with a ranchman, and also a view of his orchard. Therefrom the yield of prunes, when dry, is estimated at 140 tons. Mr. Farmer may have told a "hawner" on this, but I don't know. At any rate there is some very sweet farming-land, formerly mentioned.

As I am not permanently located, just send THE STAR to Los Angeles, General Delivery. Hoping to receive the same as soon as time will permit, I am yours respectfully.

From the black sheep, F. H. DELOZIER. [The black sheep in this case is a pretty white kind of a boy, and we hope he will write frequently.—Ed.]

## HOME FROM EUROPE.

If what you have read for the last two weeks in THE STAR has not induced you to send for the catalogue of the State Normal at California, do so now. Its principal, Dr. Theo. B. Doss, just back from a year in Europe, and its thirty teachers, all thoroughly trained and prepared for their work, with its fine equipment and professional spirit, render it one of the best schools in the state for the preparation of teachers. Address "Normal," California, Pa. 1t
