

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood elements. The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weakness and discharges, while the Restorative, ceases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, brings about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

FOLEY'S KIDNEY CURE

Makes Kidneys and Bladder Right

Kennedy's Laxative Honey and Tar Cures all Coughs, and expels Colds from the system by gently moving the bowels.

What Has Become of Him?

Last December, just the week before Christmas, an Italian peddler by the name of Frank Thomas stopped at the Henry Ringler home, just below town, and left his pack there, saying that he was going to Uniontown and would be back the first part of the next week, but since that time has never been heard of. The pack contains clothing, notions, watches, jewelry, etc., and is supposed to be worth several hundred dollars. Mr. Ringler is naturally exercised over the non-appearance of the peddler and is anxious that something be done about the goods at his house. The Italian had stopped at his home a number of times and appeared to be an honest, sober person, doing business among the miners at the several operations in that vicinity, getting around over the territory once or twice a month. What has become of him is a mystery, as nothing has been heard from him since he left about nine months ago, and it is feared that he has met with foul play or some misfortune that prevented his return. Mr. Ringler is advertising for some information of his whereabouts, and if no word is received concerning him, the proper authorities will be notified and the missing man's property disposed of in a legal manner.—Berlin Record.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Elk Lick Pharmacy. 9-1

A Big Spring.

No state in the Union has larger or more numerous springs than Florida. Many of them form good-sized streams from the start, and some of them are navigable. The largest spring in the state, and one of the largest and probably the best known in the United States, is Silver Spring, which is located 6 miles east of Ocala. This spring forms the source of the Ocala River, a tributary of the St. Johns, and steamboats traversing the river enter the spring basin, which has an area of several acres. The water is from 25 to 30 feet deep, and is wonderfully clear, appearing absolutely colorless.

TEN YEARS IN BED.

"For ten years I was confined to my bed with disease of my kidneys," writes R. A. Gray, J. P., of Oakville, Ind. "It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a Godsend to me." Sold by all Druggists. 9-1

A Freak Newspaper.

One of the most remarkable freak newspapers ever printed was The Lumina, published in Madrid. It was printed with ink containing phosphorus, so that it could be read in the dark. Another curiosity was called The Regal, printed with nonpoisonous ink on thin sheets of dough, which could be eaten, thus furnishing nourishment for body as well as mind. Le Bien Etre promised those who subscribe for 40 years a pension and free burial.

"THAT'S JUST MY LUCK."

"That's just my luck," said pessimist Bill. When his wagon stuck on the side of the hill. He was half asleep, and he did not see the rut in the road by the old oak tree. Had Bill been alert with his load of truck He never would have said, "That's just my luck." "That's just my luck," said poor Bill again. Now the fact is this: There's a broken gate. That Bill failed to fix till it was too late. And so the old cow, with an old cow's pluck, Strayed off to the track just to bring Bill luck. One wild, windy night Bill's big barn was burned— "That's just my luck, well, I'll be darned!" Yes, Bill would swear, but here is the joke. That Bill's cob pipe was the cause of the smoke. Whatever we sow we are bound to pluck. Then like Bill we cry: "That's just my luck." —SOLON L. GOODE.

Increase Your Earning Power.

There are thousands of young farmers in Pennsylvania who are trying to find the best way of handling live stock and land. They are wanting to win. The wisest of these men are watching the methods of successful farmers in their neighborhoods. That is a good thing to do. In addition to these observations and their own experience they want to know the principles that control in the development of animals and of plants. When they have the principles there is less guess-work, and there are fewer mistakes and failures. We have in this country tens of thousands of very successful farmers who say that they owe part of their success to the teachings of practical scientists who discovered facts that had a big cash value when carried into the field and orchard and stable.

MEN PAST SIXTY IN DANGER.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate glands. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock-

port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years, and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 61 years old." Sold by all Druggists. 9-1

Prefers English Language.

Baron Kikuchi, a Japanese statesman, in an address in London, recently, declared that in his judgment the Japanese ought to make English their language to the exclusion of the native tongue, and a writer in the Yokohama paper, quoted in The New York Times, vigorously supports that idea.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY, BETTER THAN THREE DOCTORS.

"Three years ago we had three doctors with our little boy, and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. JENKINS, Linton, Miss. For sale at Miller's Drug Store. 9-1

Society Reporter at the Fire.

The regular reporter was taking a vacation and the editor was busy in the office, so when it was learned that on the previous evening there had been a fire in a remote part of the city, the young woman who writes the society news was sent to bring in a report of it for the paper. She came into the office an hour later with the following interesting account:

"Quite a number of people in this part of the city attended a fire last night at the residence of Mr. and Mrs. Blank, on Thirteenth street. Some went in carriages and buggies, but a majority walked. The alarm was sounded about 9:30, and many who attended the fire had just returned from church, consequently they were already dressed for the occasion.

"Mr. Blank was not at home, being out of the city on business, hence the affair will be quite a surprise to him when he returns. Mrs. Blank wore a light percale kimono and had her hair done up in kid curlers.

"The firemen responded readily and worked heroically to subdue the seething flames. Most of them were young and fairly good looking. They were dressed in oilcloth coats, cut short with trousers to match. Their hat rims were narrow in front and broad behind, and sagged down in the rear. The chief's hat was ornamented with an octagonal brass spike, which stuck up above his head like a horn, giving him the appearance of a unicorn.

"When the flames broke out through the second story and cast a lurid hue over the surrounding buildings, the view was one never to be forgotten. At a late hour the sightseers went home, and all felt that they had passed an evening full of interest, and excitement."—Nebraska (Kan.) Sun.
