Take Foley's Kidney Cure at the first sign of trouble, as it corrects irregularities and prevents Bright's disease and diabetes. Sold by all Druggists.

William Engle and Wm. C. Lichliter, two well known clerks of our town, started for Atlantic City today via Johnstown, Pa., and the Pennsylvania railroad. We wish them a nice time, as both are hard-working fellows and have earned an enjoyable vacation.

M. J. Glatfely and wife started this morning for York, Pa., to attend a reunion of the Glatfely family, which is to be held in that city on the 14th inst. York county, it is said, has many residents by the name of Glatfely, who are distantly related to the Glatfelys in this locality.

Born to Mr. and Mrs. Wm. H. Keim, of Elkins, W. Va., last Tuesday, a boy, Mr. and Mrs. Keim are the parents of six daughters, the oldest of which is eleven years, and the new arrival being the only boy in the family, the parents are naturally much elated. Here's our congratulations.

The annual conference of the Evangelical Association of Western Pennsylvania will be held at Meyersdale, September 19 to 21. Addresses will be delivered by the Rev. W. H. MacLaughlin and the Rev. J. W. Richards, presiding elders of the Pittsburg and Johnstown districts, respectively.

Last Monday Mrs. L. P. Young received a message summoning her to Pittsburg at once, to the bedside of her husband, who is in a hospital there, recovering from an operation for appendicitis. At first it was feared that Mr. Young's condition had grown worse, but late reports say that he is getting along nicely.

At the September court to be held at Bedford, next week, only twenty cases are on the quarter sessions list for trial. Somerset has nearly a hundred, says the Somerset Standard, and then asks: "Are the morals of Mother Bedford better than here? or, does it show how Somerset county has grown?" The answer is both.

The way to get rid of a cold, whether it be a "bad cold" or just a little one, is to get it out of your system through the bowels. Nearly all Cough Cures, especially those that contain opiates, are constipating. Kennedy's Laxative Cough Syrup contains no opiates and acts gently on the bowels. Pleasant to take. Sold by E. H. Miller.

We call your attention to the advertisement of the Meyersdale Fair and Races, to be held Sept. 24th, 25th, 26th and 27th. The fair will be good, this year, and the races far the best ever arranged for in Meyersdale. There will be all kinds of attractions, premiums, etc., and the attendance is bound to be very large.

Owing to the increased cost of white paper, the Pittsburg "Post" has advanced the price of its daily edition from one to two cents. The advance in the cost of paper has reduced the "profits" of the country weeklies, and they may be forced to advance their subscription prices in order to "break even," remarks the Somerset Herald, very truthfully.

There's a reason for that ache in your back—right where it "stitches" every time you bend over, turn around or walk any distance. It's your kidneys. Take DeWitt's Kidney and Bladder Pills. They are unequalled for backache, weak kidneys and inflammation of the bladder. A week's treatment 25 cents. Sold by E. H. Miller.

In response to many requests for a write-up of our recent Eastern trip, we had promised to publish an account of the same in this issue, but have been unable to do so on account of being sorely afflicted with asthma most of the week, hence not in a mood for writing descriptive articles. However, we hope to be able to give the promised write-up in our next issue.

There will be a lively time at the primary election, next spring, among the candidates for the Republican nomination for Sheriff. Meyersdale is presenting Frank B. Black, J. P. Swindell and E. B. Dayton. In Somerset the names of N. B. McGriff and Charles Weimer are being discussed. Other parts of the county will also have its candidates, says the Somerset Democrat.

Occasional headache, belching, bad taste in the mouth, lack of appetite and slight nervousness are symptoms of indigestion which, when allowed to go uncorrected, will develop into a case of dyspepsia that will take a long time to get rid of. Don't neglect your stomach. At the first indication of trouble take something that will help it along in its work of digesting the food you eat. Kodol For Indigestion and Dyspepsia will do this. Kodol will make your food do you good, and will enable you to enjoy what you eat. Sold by E. H. Miller.

Last Saturday morning a brand new 11-pound boy arrived at the editor's home. The new arrival is boy No. 4 and child No. 8, if we have counted right. It will be seen, therefore, that libel suits are not the only marks of distinction coming our way, and we expect to demonstrate our ability to take care of all of them, thanks to an excellent and growing newspaper and job printing patronage.

Slow progress is being made on the trolley line, these days, owing to scarcity of workmen and other complications that are unavoidable. However, many of the poles and some of the wire is now up, and the work of completion is progressing as fast as circumstances will permit, although not as fast as we would like to see it. Get a move on, gentlemen, for the people are becoming impatient, and they don't want to pass another winter without the trolley.

To check a cold quickly, get from your druggist some little Candy Cold Tablets called Preventics. Druggists everywhere are now dispensing Preventics, for they are not only safe, but decidedly certain and prompt. Preventics contain no quinine, no laxative, nothing harsh nor sickening. Taken at the "sneeze stage" Preventics will prevent Pneumonia, Bronchitis, La Grippe, etc. Hence the name, Preventics. Good for feverish children. 48 Preventics 25 cents. Trial Boxes 5 cts. Sold by Elk Lick Pharmacy.

Sergeant Mark Prynn, of the State Police force, arrived in town, last week, and will remain until about the 18th inst., when he will again return to his duties. Mr. Prynn is looking well, and he likes his official position very much. He favored THE STAR with a call, Monday, and he is always a welcome visitor. The State Police have lately been doing yeoman service in bringing the murderous Blackhanders to justice, and Sergeant Prynn has been doing his full share of the good work.

Last Sunday the wife and three children of Robert Tremain arrived here from England, accompanied by Miss Myrtle James, who went to England, last winter, with some of her relatives. Mr. Tremain came to this country a year or more ago, and is now helping to conduct the general store of Howard Meager & Company. Naturally, he is glad to be once more with his family, and we understand they have decided to make America their home. They are good people, and we welcome them to our town.

There are a great many people who have slight attacks of indigestion and dyspepsia nearly all the time. Their food may satisfy the appetite, but it fails to nourish the body simply because the stomach is not in fit condition to do the work it is supposed to do. It can't digest the food you eat. The stomach should be given help. You ought to take something that will do the work your stomach can't do. Kodol For Indigestion and Dyspepsia, a combination of natural digestants and vegetable acids, digests the food itself and gives strength and health to the stomach. Pleasant to take. Sold by E. H. Miller.

Charles Newman, Harry Reitz, Cynthia Wright, Jennie Wagner and a daughter of Mr. and Mrs. M. J. Blough were all immersed in Flog Pond, last Sunday. They did not join the Baptist church, however, and neither did the Rev. Calvin Fuller immerse them. They were merely out for a boat ride, and the boys rocked the boat just for fun. The whole party was spilled out in the water, neck deep, and then came the struggle to reach dry land. The boys, of course, rescued their fair companions in the most heroic manner, and they declare that no one can ever know how affectionately and frantically a girl will cling to a fellow until he spills her out of a boat.

Our old friend J. R. Joy recently purchased a restaurant in Somerset, taking charge of it a short time ago. He is located in the basement of the Freese
