Partly Wrong Again.

Russell Hay and Roscoe Welfley, of Salisbury, who were in the East making purchases for their respective stores, reached town on their homeward road, Tuesday. Russell looked a bit tired. They were waiting on breakfast when we saw them.—Meyersdale Commercial.

The old man is partly wrong again. Hay and Welfley were not waiting on breakfast; they were waiting for it.

ATTACK OF DIARRHOEA CURED BY ONE DOSE OF CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

I was so weak from an attack of diarrhoea that I could scarcely attend to my duties, when I took a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me entirely and I had been taking other medicine for nine days without relief. I heartily recommend this remedy as being the best to my knowledge for bowel complaints.—R. G. STEWART, of the firm of Stewart & Bro., Greenville, Ala. For sale at Miller's Drug store. 10-1

The Broken Bank.

We regret that other of our citizens are feeling the effects of the financial strain brought about by the closing of the Livengood Farmers Bank. The more so since the outlook is growing so promising. The appraisers who worked hard, last week, made good results, and they will report ere long. The outlook is that as matters look at the present there will be perhaps 75 cents to the dollar for the depositors, and we do not think this will be all of it. Meyersdale is not in the mood to stand any flim-flam games, as was the case with other broken banks in this section. The town believes it will pay dollar for dollar, and will not be content with less. We have not seen Mr. Berkeley, this week, but he is hard at work to get out the last dollar for the depositors. Patience and time will work wonders.—Meyersdale Commercial.

HEALTH IN THE CANAL ZONE.

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained, however, by the fear of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influence with Electric Bitters on hand. Cures blood poison, too, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by E. H. Miller, druggist. 50c. 10-1

"Advertising or Advertisity?"

A little pamphlet published by the Cosmopolitan puts a vivid question in a forceful way. "Which will you have?" it asks; "advertisity or advertity?" No merchant who depends upon the good will of the public for the success of his enterprise can dodge the choice. Leaving advertising to the other fellow often results in opening business relations with the sheriff. The highway to prosperity is so plainly marked that any merchant possessed of a spark of business instinct can find it. Does it pay to take the wrong road when the tolls exacted for the privilege of traveling the right one are reasonable?

Pain anywhere, pain in the head, painful periods, Neuralgia, toothache, all pains can be promptly stopped by a thoroughly safe Little Pink Candy Tablet, known by Druggists everywhere as Dr. Shoop's Headache Tablets. Pain simply means congestion—undue blood pressure at the point where pain exists. Dr. Shoop's Headache Tablets quickly equalize this unnatural blood pressure, and pain immediately departs. Write Dr. Shoop, Racine, Wis., and get a free trial package. Large box 25 cts. Druggists. 10-1

A SCHOOLBOY'S ESSAY.

Virtue Has Its Own Reward.

"A poor young man fell in love with the daughter of a rich lady who kept a candy shop. The poor young man could not marry the rich candy-lady's daughter because he had not money enough to buy furniture. A wicked man offered to give the young man twenty-five dollars if he would become a drunkard. The young man wanted the money very much, so he could marry the rich candy-lady's daughter, but when he got to the saloon he turned to the wicked man and said: 'I will not become a drunkard, even for great riches.' And as he turned around to go home he saw lying on the sidewalk a pocketbook containing a million dollars in gold. Then the young lady consented to marry him.

"They had a beautiful wedding, and the next day they had twins."—Ladies' Home Journal.

A HUMANE APPEAL.

A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 West Main St., says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough and cold cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness, and phthisis, stops hemorrhages of the lungs and builds them up. Guaranteed at E. E. Miller's drug store. 50c. and \$1.00. Trial bottle free. 10-1

The Automobile Terror.

Though the newspapers chronicle accidents and fatalities resulting from the automobile craze, they do not begin to touch upon the real terrorism of this fad. Country and city alike are its victims. Sane and cautious devotees of the auto there are, of course, but there are too many brutes abroad in them, and it is high time that the authorities grappled with the problem these fat-headed marauders present to the community. These are they who consider it the height of superiority to break speed laws and ignore the rules of the road. The pedestrian, the occupant of the ordinary vehicle, and the householder along the route have no rights which these honking highway-men feel bound to respect.

LOST AND FOUND.

Lost, between 9:30 p. m., yesterday and noon to-day, a bilious attack, with nausea and sick headache. This loss was occasioned by finding at E. H. Miller's drug store a box of Dr. King's New Life Pills. Guaranteed for biliousness, malaria and jaundice. 25c. 10-1

It Made a Difference.

A plainly dressed man, who introduced himself as Mr. John Smith, walked into a doctor's office in a Texas town, and, having explained his symptoms, asked the doctor how long it would take to cure him. The doctor, who had treated the visitor with every possible courtesy, replied:

"You will require careful treatment under my personal supervision for about two months before you are able to resume your labors in the bank."

"Doctor you are fooling yourself. I am not Smith, the banker, but Smith, the street car driver."

"Is that so? Well, my good fellow, I don't see what you came to me for. There is nothing the matter with you, except that you are not a banker." 10-1

CHAMBERLAIN'S COUGH REMEDY

ONE OF THE BEST ON THE MARKET.

For many years Chamberlain's Cough Remedy has constantly gained in favor and popularity until it is now one of the most staple medicines in use and has an enormous sale. It is intended especially for acute throat and lung diseases, such as coughs, colds and croup, and can always be depended upon. It is pleasant and safe to take and is undoubtedly the best in the market for the purposes for which it is intended. Sold at E. H. Miller's Drug Store. 10-1

WHEN A MAN TELLS YOU it does not pay to advertise, he is simply admitting that he is conducting a business that is not worth advertising, a business conducted by a man unfit to do business, and a business which should be advertised for sale. tf
