WILL TACKLE BEEF TRUST

Special Grand Jury is Called for October 1st in Chicago.

THE ENTIRE JUNGLE LOT IN IT

Government Said to Have Received Some Valuable Information About the Workings of the Trust.

Government officials have turned Government officials have turned their searchlight on the beef trust, and an investigation has been commenced having for its purpose the prosecution of the packers composing the \$500,000,000 trust, for having violated the Sherman law in making the vast merger that brought the big senerary of the country together. concerns of the country together.

concerns of the country together.

It is the present purpose of the
government to bring witnesses before a special grand jury that was
called for Oct. 1, and examine them
as to the formation of the existing

It is charged that the combination comprises the biggest trust in the country, the ramifications being now charged to exceed those of the steel trust. Strong intimation is made that the entire collection of jungle syndicate will be placed under the microscope of United States District Edwin W. Sims

Attorney Edwin W. Sims.

It is alleged that the instructions include the Armour, Swift, Cudahy, Hammond, Morris, National Packing and Schwarzschild & Sulzberger companies, the understanding being that the National Packing Co. is the holding company, or that it stands in the same relation to the combination that the holding companies of other

the same relation to the combination that the holding companies of other trusts maintain. The Schwarzschild & Sulzberger Co. is under the light because of the allegation that Vice President Josephs' holdings became a part of the new trust.

There comes the sensational piece of information that the government had long possessed a line of information that was not placed before the centrs in the packers' prosecutions of two years ago. This information was affected to be gathered by a representative of the department of commerce and labor, but for some reason never used. It was also learned that the attitude of Ferdinand Sulzberger, managing head of learned that the attitude of Fordinand Sulzberger, managing head of the Schwarzschild & Sulzberger plant, had made the government's task of pursuing its present investigation comparatively easy. Through Mr. Sulzberger's defiance of the trust in its efforts to control his concern, the government has been given an the government has been given an opportunity for learning speedily just how the trust was formed, how it financed its merger and how it made an effort to drive Mr. Sulzberger from his cherished institution and take over its control.

SIX PERISH ON LAKE

Nimmick's Crew Battle Bravely With Gale on Lake Superior's Bleak Shore.

The \$50,000 lake steamer Alexander Nimmick of Cleveland, O., was wrecked Saturday night on the south-

wrecked Saturda high of the saturation of Lake Superior, 13 miles west of Whitefish Point.

No living soul was within many miles of the desolate place where the survivors laboriously managed 10 lifeboats through raging surf; no help was at hand to minister to the exhausted and frozen sailors or to care for the bodies of the six or seven victims washed up

the six or seven victims washed up on the rocks by the waves.

The dead: Capt. John Randall of Algonae, Mich.; Steward Thomas Parent of Port Huron, Mach.; First Mate James Haynes of Detroit, is supposed to be among the dead; three or four sailors.

It appears that the ill-fated steamor washed through the canal locks at

er passed through the canal locks at Sault Ste. Marie, Thursday, bound up the lakes with a cargo of 3,000 tons of coal from Cleveland, O. A heavy northwest gale, which was at its height when the Nimmick plowed her way out of the Soo river into Lake Superior, looked too dangerous to be cided to establish a legation as Washtrusted

The shelter of Whitefish point was accordingly taken advantage of until when the storm seemed to have spent its force. Capt. Randall then pointed his vessel out into the big lake. All would have gone well had not the steering gear or part of the machinery gone wrong only a few miles away from St Mary's river the steamer was dis abled and helpless under a deadly at tack from the tail of the storm the storm. There was enough left of the tempest to dash the yessel a hopeless wreck on one of the many dangerous reefs that line the southern shore and overboard Steward Parent be fore the lifeboats could be sent away.
Then, driven overboard by the
steamer's breaking to pieces under
their feet, the crew began to battle in the small boats with the treacherous surf. Eleven managed to pull themselves up exhausted on the in-hospitable coast, but one boat, con-taining Capt. Randall and five of his cansized in the surf and all

In a battle between federal troops nd a band of Maya Indians near San Isidor, seven soldiers and a number of Indians were killed.

22 Are Condemned to Die.

Twenty-two out of 58 men, who have been on trial at Riga, Russia, charged with participation in the volt in the Baltic provinces in have been condemned to death.

STANDARD OIL SECRETS

Amount of Rockefeller's Holdings-Working Agreement With Independent Refiners,

Records of the stockholders of the Standard Oil Company of New Jersey, laid bare at the hearing of the Government's suits for the dissolution of the oil combine, disclosed the fact that John D. Rockefeller owns 2017-692, shows on pearly five times fact that John D. Rockefeller owns 247,692 shares, or nearly five times as much as any other individual shareholder, and that he and his associates, who signed the trust agreement in 1882 still control a majority of the Standard Oil stock.

Measured by the present market price of \$440 a share, the holdings of Mr. Rockefeller in the Standard Oil Company have a value of \$109,000,000. Stock sold at almost double the present price a few years

ble the present price a few years

ago.

Through Wesley H. Tilford, treasurer of the Standard Oil Company, the Government Attorney, Frank B. Kellogg, was able to obtain evidence ment that had been made between the Standard and independent refin-eries doing business near Pittsburg of an understanding or verbal agree

ment that had been made between the Standard and independent refineries doing business near Pittsburg and Cleveland.

This agreement which was entered into in the latter part of 1902, provided that the companies should sell their entire output of oil, refined for export, to the Standard's export "department, in return for which the Standard was to sell the companies a certain amount of crude oil each day.

il each day. Mr Tilford said that previous to

Mr Tilford said that previous to the making of the agreement the supply of crude oil to these companies had been reduced.

Mr. Kellogg then developed from the witness that the export business was chiefly handled by the Standard Oil Company of New York, and that in buying oil for export purposes it paid the market price to the independent refineries. Mr. Kellogg asked if the Standard Oil did not determine dent refineries. Mr. Kellogg asked if the Standard Oil did not determine the market price, and Mr. Tilford replied that it did.

THIRTY-THREE KILLED

El Paso Express Crashes Into Freight audit Train Through Disregard

of Orders.

There has been a disastrous wreck on the Mexican Central railroad. A the capitol building and raised bills on the Mexican Central ratifond. A the capitol building freight train and a pussenger train of sub-contractors, came into collision at Encarnacion, near the city of Aguas Calientes. Thirty-two persons were killed and 33 from sub-contract to the collisions of the capitol building from sub-contract to the collisions of the capitol building from sub-contract to the capitol building from sub-contractors.

There are no prominent persons among the killed or wounded. The Puliman cars were not badly damaged, but the two engines and several first, second and third-class coaches of the passenger train were demolished. The injured are being takes to the hearital at Agnas Caltaken to the hospital at Aguas Cal-

ientes.

The disaster is said to have been due to a disregard of train orders.

MINE DISASTER

Fatally Injures Seven.

Eleven men were killed outright and seven fatally injured by the fall-ing of a cage in the rolling mill mine ing of a cage in the rolling mill mine at Negaunce, Mich. The dead are: Charles Kent, underground captain: Alfred J. Wills, Joseph Rodda, Matt Lind, John Aho, John Cheri, Thomas Blight, Antonio Curto, John Johnson and two unidentified bodies. The injured: Sam Stevens, John Makki, John Kelvisto, Alfred Jewell, George Sebastono, Thomas Roberts and Emil Muhanen.

The cage was full of men The caga was full of men and every one in it was killed or seriously injured. The steel cable broke and the cage dropped 700 feet. The bodies have been taken out and the injured are being cared for.

The mine is the property of the Jones & Laughlin Steel Co. of Pittsburg.

AMERICAN ARMY IN CUBA

Soldiers Are Needed to Fill Regiments.

Brig. Gen. Thomas H. Barry filed his report of the work of the army of Cuban pacification. From the beginning of the provisional government last September, Gen. Barry says con ditions have steadily improved. He recommends increase of pay of offi cers and enlisted men; reorganiza cers and enlisted men; reorganiza-tion of the mobile army and immedi-ate increase of the infantry by 24 regiments; increase of the term of enlistment from three to five years, and sale of beer and light wines in

the post exchange.

The report pays tribute to Gov Magoon's administration and to the rural guard. Gen, Barry says the rural guard has been what its name implies, an army of pacification, and no occasion has arisen for resort to force, the moral effect of the troops' presence being most beneficial.

The operations of the pay depart-

ment covering disbursements for pay of the army amount to \$1,500,000. It has been impracticable, he says, to keep the organizations of the comto an efficient strength, owing to great difficulty in obtaining recruits, the command to day needing 1,186 men to fill the organizations to their authorized

Explosion of 10-Inch Shell on Japanese Battleship.

OFFICERS AMONG THE DEAD

Accident Followed an Attempt to Remove an Unexploded Shell from a Gun

Twenty-seven of the crew were killed, eight seriously and eight slightly injured on board the Japan se battleship Kashima, by an exolosion of a 12-inch shell within the shield during target practice, near-kure, at 4 p. m. on Sept. 9. The Kashima, under command of Capt. Koisumi, reached Kure at 6 p. m., where the wounded were placed in the hospital. The fatalities included a lieutenant, two cadets and one staff officer, the rank and name of whom is not given. Exact details rewhom is not given. Exact details regarding the effects of the explosion are lacking, but it was terrific and the ship is badly damaged.

The explosion followed an attempt to remove an unexploded shell from

the gun.

the gun.

The casualties are as follows:
Killed, 5 officers (names not given)
and 22 men; seriously wounded, two
officers and six men; slightly
wounded, two officers and six men. wounded, two officers and six men.

The explosion occurred inside of the shield of the starboard. It was not the sliell which exploded, but powder, which evidently caught-fire from the grape mitted from the breach, when it was opened for the purpose of reloading the gun.

The Kashima is a ship of 16,400 tons, and was built in England in 1905. She carries four 12-inch and four 10-inch guns, the 12-inch guns in pairs, and the 10-inch slightly in barbettes. Her complement is 980 men.

Evidence adduced by the govern-

ment's counsel in the Standard Oil inquiry in New York showed that a \$4,000,000 block of Waters-Pierce Oil Co. stock was passed about from one Standard Oil interest to another when the government's chase, along with the Texas octopus hunt, began to make things lively for the big coralong with poration. It was also brought out that the Indiana corporation made 1,000 per cent profit on its invest-ment in 1906.

STANDARD MUST GIVE BONDS

Chicago Judge Fixes Amount of Security at \$6,000,000.

Judge Grosscup of the United States Circuit Court at Chicago fixed the appeal bonds of the Standard Oil Co. in the \$29,240,000 fine case at \$6,000,000. District Attorney Sims at once announced that he was not satisfied that the bond was large enough and he would have additional facts

and he would have additional facts to present.
Judge Grosseup said he believed that the amount was ample to secure the government its judgment. He said that he would hear whatever arguments Mr. Sims had to present. There were two bonds filed, one \$1000,000, to guarantee that will be no changes to disturb the value of the Whiting, Ind., plant, and the other for the remaining \$2,000,000.

The \$2,000,000 bond must be a cash bond to insure payment of that amount against the fine upheld. Judge Grosscup intimated that this amount orosscup immated that this amount will cover the value of the refinery at Whiting. John S. Miller, attorney for the oil company, asked if the Standard Oil Co. of New Jersey might not be security for the indiana company, and Judge Grosscup ruled that this would be satisfactory if the New Jersey correction but subject to the control of New Jersey corporation had authority to go on bond.
