For Thin, Poor Blood

You can trust a medicine tested 60 years! Sixty years of experience, think of that! Experience with Ayer's Sarsaparilla; the original Sarsaparilla; the strongest Sarsaparilla; the Sarsaparilla the doctors endorse for thin blood, weak nerves, general debility.

Not even this grand old medicine cannot do its best work if the liver is inactive and the bowels constipated. For the best possible results, you should take the laxative doses of Ayer's Pills while taking the Sarsaparilla. The liver will quickly respond, and so will the bowels.

Made by C. Ayer & Co., Lowell, Mass. Also manufacturers of HAIR VIGOR, AGUE CURE, CHERRY PECTORAL.

LOCAL AND GENERAL NEWS.

NEWSY ITEMS GATHERED HERE AND THERE, WITH AN OCCASIONAL JOKE ADDED FOR SPICE.

Mr. and Mrs. Harvey Keim, who spent several weeks at Atlantic City, N. J., Elizabeth, N. J., and other places, returned to Salisbury on Tuesday. They report a very pleasant trip.

DeWitt's Carbolyzed Witch Hazel Salve is good for boils, burns, cuts, scalds and skin diseases. It is especially good for piles. Sold by E. H. Miller. 10-1

J. C. Fravel, who moved from Salisbury to Jerome, last spring, is now firing on the Pennsylvania railroad, and orders THE STAR sent to him at Derry, Pa. Mr. Fravel says he feels lost without the home news.

"Fight to keep the home trade," is a good motto, and there is no better or cheaper way than to use the columns of the local papers. They not only do the printing, but see that what is printed reaches the family circle and is not used to carpet the lawn.—Ex.

Jer. J. Livengood, our venerable ex-Burgess, went to Johnstown, last Sunday, to visit his daughter, Mrs. Wm. Williams, who has been very ill for some time. He was accompanied by his other two daughters, Mrs. M. F. Stabler and Mrs. R. A. Kidner.

Mrs. C. E. Sperry, of Wilmerding, Pa., came to Salisbury last Friday and had charge of the Western Union telegraph office here while her sister, Mrs. V. E. Baumgardner, the regular operator, was in attendance at a convention of the Evangelical Association, held in Meyersdale.

One of the worst features of kidney trouble is that it is an insidious disease, and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble, as it corrects irregularities and prevents Bright's disease and diabetes. Sold by all Druggists. 10-1

Mrs. Ellen Subrie, who owns the large Gay street tenement property known as "The Ark," also owner of the central telephone office and the residence occupied by Geo. Fogle and family, was here looking after her property interests, several days during the past week.

Our old friends and neighbors, Harry McCulloh and family, of Hagerstown, Md., arrived in town a couple of days ago for a visit with friends. "Mack" reports himself fairly prosperous in Hagerstown, but he does not hesitate to say that Salisbury is as good a town to live and prosper in as one could wish for.

The way to get rid of a cold, whether it be a "bad cold" or just a little one, is to get it out of your system through the bowels. Nearly all Cough Cures, especially those that contain opiates, are constipating. Kennedy's Laxative Cough Syrup contains no opiates and acts gently on the bowels. Pleasant to take. Sold by E. H. Miller. 10-1

Does it pay to advertise? E. H. Lambert testifies that it does, if the advertising is done in THE STAR. Last week he had a few lines inserted, offering a cow, calf, mare and colt for sale. He says the "ad" promptly brought him purchasers in abundance. The moral is plain. If you have anything to sell, and advertise it in THE STAR, you will quickly hear from people who want to buy, if you advertise something they want.

It is not surprising that so many of us have such hard work to be decent. Just remember that the first man to dwell upon the earth was no saint. If we can rely upon history he was a liar and a sneak. The first woman kept bad company, and womanlike pried into things that did not concern her. The first child born was a murderer, and killed his brother. Our first ancestors were a tough lot, and it is hard to get it out of the blood, says an exchange.

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys, and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. Sold by all Druggists. 10-1

Mrs. Milton Meese and little daughter Margaret, and Mrs. W. S. Easton, attended the Inter-State Fair, at Johnstown, Pa., last week. Little Margaret had the honor at the fair to do the drawing by which a fine automobile was given away by the Love & Sunshine Company to the holder of the lucky ticket placed in a large box with other tickets. The little girl was blind-folded while doing the drawing. The winner of the automobile was John McDermott, of Blairsville, Pa.

John Grogan, of Scottsdale, and Herbert Short, of Meyersdale, were given a hearing before Squire Hay, of Meyersdale, on a charge of being drunk and disorderly on the Baltimore & Ohio Cumberland excursion train, Sunday. The men started a "rough house" on the train, and were about to have a fist encounter when Officer W. T. Bayless, who was detailed for duty on the train, placed them under arrest and locked them up at Meyersdale. They were fined \$7.50 each for their misconduct, says the Connellsville Courier.

There's a reason for that ache in your back—right where it "stitches" every time you bend over, turn around or walk any distance. It's your kidneys. Take DeWitt's Kidney and Bladder Pills. They are unequalled for backache, weak kidneys and inflammation of the bladder. A week's treatment 25 cents. Sold by E. H. Miller. 10-1

The Salisbury Band furnished the music during the first two days of the Fair and Races, and will play again this afternoon. This efficient musical aggregation is delighting the large crowds of people who daily attend the Fair, with the excellent selections they render from their seemingly unlimited repertoire of the latest music. Salisbury has just reason to feel proud of her band boys, as down here they are simply taking things by storm. Tomorrow the Citizens' Band, of this city, will furnish the music.—Meyersdale Republican.

Occasional headache, belching, bad taste in the mouth, lack of appetite and slight nervousness are symptoms of indigestion which, when allowed to go uncorrected, will develop into a case of dyspepsia that will take a long time to get rid of. Don't neglect your stomach. At the first indication of trouble take something that will help it along in its work of digesting the food you eat. Kodol For Indigestion and Dyspepsia will do this. Kodol will make your food do you good, and will enable you to enjoy what you eat. Sold by E. H. Miller. 10-1

A Michigan woman spanked her seven-year-old son, the other day, with a shingle, and in so doing exploded a dynamite cap the little fellow had in his hip pocket. As a result, the boy will likely die, while the mother lost two fingers and received numerous cuts about the body. We know of some boys here in Salisbury that ought to be spanked, and they ought to have both dynamite caps and dynamite in the seat of their trousers when the spanking is done, for the good of the community, but it might be a little too hard on the spankers.

A minister of the Gospel visited a near-by town, the other day, and inquired of a small boy whether he could

tell him the way to the Methodist church. The lad cheerfully gave the desired information, and then began vigorously puffing at a cigarette. The minister thinking to reprove the boy, said: "My son, you should not smoke those nasty things. Don't you know that if you don't quit such things you will never get to heaven?" The little fellow looked up with the air of a philosopher, and replied, "I don't 'spect it's much you know about heaven, when you don't know the way to the Methodist church."—Ex.

Our old friend "Squire" Samuel Lowry, who spent about two months visiting his daughter, Mrs. Spaulding, who resides in Michigan, returned home last Friday. The visit evidently has done him good, for he has gained in flesh and looks as young as any man of his age that we know of. The many friends of Mr. Lowry are all glad to have him once more with us, as he is ever jovial, and we heard one of his old army comrades remark in Rockwood, last Saturday, that he is one of the most kind-hearted and generous men he ever knew. We agree with the old comrade, and we trust that "Squire" Lowry will remain a familiar figure in Salisbury a goodly number of years yet.

Pain anywhere, pain in the head, painful periods, Neuralgia, toothache, all pains can be promptly stopped by a thoroughly safe little Pink Candy Tablet, known by Druggists everywhere as Dr. Shoop's Headache Tablets. Pain simply means congestion—and the blood pressure at the point where pain exists. Dr. Shoop's Headache Tablets quickly equalize this unnatural blood pressure, and pain immediately departs. Write Dr. Shoop, Racine, Wis., and get a free trial package. Large box 25 cts. Druggists. 10-1

Mr. and Mrs. S. S. Koontz, of Bradock, Pa., and Mrs. W. B. Stevanus, were welcome callers at THE STAR office, yesterday. Mr. Koontz has had very poor health for some months, and not long ago his condition was very serious. He has greatly improved, however, but he is still far from being a well man. We trust that his sojourn here, which will likely be several weeks, will benefit him greatly, and that he will ultimately be restored to rugged health. We are indeed glad to see Mr. and Mrs. Koontz once more among their many friends here in old Salisbury, where a cordial welcome is always in store for them. They visited relatives in the vicinity of Somerset for about a week before coming here.

There are a great many people who have slight attacks of indigestion and dyspepsia nearly all the time. Their food may satisfy the appetite, but it fails to nourish the body simply because the stomach is not in fit condition to do the work it is supposed to do. It can't digest the food you eat. The stomach should be given help. You ought to take something that will do the work your stomach can't do. Kodol For Indigestion and Dyspepsia, a combination of natural digestants and vegetable acids, digests the food itself and gives strength and health to the stomach. Pleasant to take. Sold by E. H. Miller. 10-1

G. W. Whitacre, of West Salisbury, and the editor, took their little deaf girls to the Edgewood Park school for the deaf, at Pittsburg, last Saturday. Mr. Whitacre's child is now started on her second term at school, and our own little girl on her fifth. Both of the children are making excellent progress in their studies, and by the time they graduate they will be the possessors of a splendid common school education. We have noticed long ere this that the many children bereft of hearing and speech who are attending the school aforesaid, are far in advance in their studies of hearing and speaking children of the same age who attend the public schools. We attribute this to superior teachers and methods of teaching at the Edgewood Park school.

Stomach troubles, Heart and Kidney ailments, can be quickly corrected with a prescription known to druggists everywhere as Dr. Shoop's Restorative. The prompt and surprising relief which this remedy immediately brings is entirely due to its Restorative action upon the controlling nerves of the Stomach, etc. A weak Stomach, causing dyspepsia, a weak Heart with palpitation or intermittent pulse, always means weak Stomach nerves or weak Heart nerves. Strengthen these inside or controlling nerves with Dr. Shoop's Restorative and see how quickly these ailments disappear. Dr. Shoop, of Racine, Wis., will mail samples free. Write for them. A test will tell. Your health is certainly worth this simple trial. Sold by Elk Lick Pharmacy. 10-1

Last Monday night the home of Postmaster Lowry and wife was the scene of a very pleasant gathering, the occasion being the celebration of the 21st birthday anniversary of their twin boys, George and Herbert. About 25 guests were present, and the evening was passed in general merry-making. Refreshments were served, and excellent music was furnished by Engle Brothers' Wildcat Orchestra. George and Herbert were the recipients of a number of nice presents, and all who
