Indigestion NAIL CAMPAIGN LIE

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, billousness, bad breath and, sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

SHEATZ SOLDIERS' FRIEND

Men Who Served at Harrisburg With Nominee For State Treasurer Tell of His Interest In Veterans' Pension Bill.

[Special Correspondence.]

Philadelphia, Sept. 24.
Members of the legislature who served with John O. Sheats at Harrisburg have supplimented the action of the war veterans in exposing the trick of Democratic campaign managers who sought to misrepresent the action of Mr. Sheats as a member of the gen eral assembly in dealing with the bill to provide pensions for old soldiers. The war veterans of this city, by res-

clution and through vigorous speeches of some of their most prominent mem-bers, repudiated the campaign circular sent out by Democratic politicians of Lycoming county, in which Mr. Sheats was held responsible for the failure of the plans to have the state provide pensions for veterans of the civil war who enlisted from Pennsylvania, and who are now residents of this state.

Without regard to party or factional affiliations, men who sat in committee with Mr. Sheats, when the old sol-siers' pension bill was under consider-ation, have united in public declara-tions which show the falsity of the charges of the Democratic tricksters. One of the most active of the young-

er members of the general assembly Representative Joseph S. Thomas, of Bucks county, has come out boldly in defense of Mr. Sheats in a statement which leaves no room to doubt that he is speaking with absolute sincerity and

Democratic Lies Nailed. Thomas, who is editor of the Bristol Gazette, reproduces the allega-tions made by the Lycoming Demo-eratic outfit in their document sent out to influence old soldiers against the Republican nominee for state treasu-rer. He takes up each of the misstatements of fact, and gives the truth as he knows it.
"There is not a single line that does

not contain statements which I know to be absolutely untrue," declares Rep-resentative Thomas. "John O. Sheatz, in a thoroughly conscientious and businesslike manner, did everything in his power to pass the real pension bill.

"He did not add a single item nor add one dollar to the figures that was not absolutely necessary to carry the bill into effect. He did not sit along side the governor and even suggest the veto of the bill. He did not put a single straw in the way to cause the bill's defent.

"The alleged pension bill was introduced into the Senate by a Democrat.

The bill as introduced by Senator Cochran was a ridiculous farce, and if passed in that shape and approved by the governor it never could have been put into operation. One million dollars appropriation was called for, but no provision was made whatever for the machinery to put the law into mo-

Sheatz's Conscientious Work "The bill passed the senate, went to the house and was referred to the apa member. Mr. Sheatz, the chairman of the committee, realized that the senate was engaged in a game of buncome set to work and for three weeks labored to whip the bill into shape. He called to his aid the auditor general and General Mulholland, of Philadelphia, the pension expert. Thorough calculations were made as to the amount of money that would be necessary to pay the pensions, and plans for a state pension bureau, under the charge of the auditor general were de-

"Through General Mulholland, from the best obtainable figures, it was learned that about 55,000 were likely to apply for pensions and that the average to each would amount to \$82.50. That made it necessary to appropriate \$5.574.000 to cover the 15 months until the new legislative appropriation becomes available.

Let Truth Be Known. "The amounts fixed by the house appropriation committee were carefully figured, and Mr. Sheatz worked earnestly and faithfully to make a sane and correct measure out of the farce passed by the senate. Governor Stuart, in my hearing, declared that he surely would have vetoed the bill as it came from the senate, and that the house had made a thorough hill of it and that he intended to approve it if there was revenue enough

"The house of representatives also would have produced sufficient funds to pay the pensions to old soldiers, but Senator Cochran's colleagues in the senate killed every one of them, and that was the reason the governor ve-

toed the pension bill.

"John O. Sheatz acted fairly and squarely with the veterans. He was their best friend and labored in their behalf, while Senator Cochran trifled

with a sentiment to play politics.
"Mr. Sheatz did his duty honestly and conscientiously, and has nothing to fear from the result of any examination made into its record.

Other Legislators Speak Out. Representatives Andrew J. Pfaff and John R. Gillette. City Party members of the house from this city, and Representative Robert P. Habgood, of Mc-Kean county, are among others who

have given public declarations that the charges that Mr. Sheats did not work fairly in the interests of the old solare absolutely false and mali-

The nomination of Hon. John O. The nomination of Hon. John O. Sheatz by the Republican party for state treasurer removes the last doubt as to whether a Republican or Democrat shall fill that important office as the successor of Treasurer Berry. The good sense of the party has prevailed, and a more logical candidate could not have been named. Taking into con sideration the exigencies of the situa-tion, the nomination was a master stroke, and all factions of the Republican party can have no further reason at this time for remaining outside the breastworks.

"There is absolutely no truth in the campaign charges that Mr. Sheats is not a friend of the old soldiers. I say with knowledge of his work at Harrisburg in their interests.'

Enthusiastic Recruits Among Hosts of Republicanism.

NATIONAL FIGHT COMING

Contest at the Pennsylvania Election This Fall Regarded as Skirmish of the Great Presidential Battle of Next Year.

[Special Correspondence.]

[Special Correspondence.]

Harrisburg, Sept. 84.

A significant feature of the gathering of Republican clubmen in this city this week is the presence of so many young Republicans, many of them to

be first voters at the coming election.

The activity of young men in the ranks of the State League of Republican clubs in this campaign has been the subject of general comment, and the party leaders who have been fighting the battles of Republicanism for years are elated over the accession

of so many enthulastic recruits.

The popularity of the nominee for state treasurer, the fact that he is, himself ,a staunch member of the himself ,a staunch member of the State League of Clubs, and that his candidacy typifies the desires of the men who seek to advance the cause of Republicanism's highest ideals, may, in a measure, account for the gratify ing interest taken in the present state campaign by the young men, both of the cities and the counties of Penn-

is calculated to inspire the youth of

this commonwealth.

The story of his labors as a lad in the great Baldwin Locomotive works in Philadelphia and his subsequent success as a business man, his nomination for the state legislature in an independent district in the Quaker city, his splendid record as a lawmaker at Harrisburg, which led to his nomination by the Republican state convention by a unanimous vote for the office of state treasurer, has been studied by the young Republicans of Pennsylvania, who have enlisted in the campaign to bring about his election by an unprecedented majority for an off year in November next.

Presidential Battle Coming. The fact that next year will be presidential year may also account for the interest taken in the Republican party organization this fall by the younger

element. Colonel Wesley R. Andrews, chairman of the Republican state commit-tee, reports that the chairmen of the several county committees find that great interest is being taken in na-tional politics this year, and that every one is looking forward to the coming

Republican convention.

Pennsylvania will have 68 votes in that national gathering, the largest delegation, save one, that will sit in the convention, and the voice of Pennsylvania, as in the past, it is predicted, will again be potential in the national councils of the party.

In order that Pennsylvania shall maintain her proud place as the key-stone of the Republican national arch, it is recognized by the young men who have rallied to the party colors in the present campaign that the vote at the if it is practical. If found so to be, you coming election must show a pro-nounced Republican majority. It is true that the opposition is de-

moralized, and is without an issue. The danger to the Republican forces lies in over confidence and the apathy that frequently follows the absence of

an aggressive opposition.

The Capitol Grafting Issue. Nominee for treasurer, Mr. Sheatz, has reason to be proud of the ovation given him here this week by the clubmen gathered from every section of

While in this city, Mr. Sheatz had several conferences with Governor Stuart. They talked over the state capitol graft cases. It is recognized that the Democrats lost their only issue when Attorney General Todd pro-ceeded against the men who were named in the report of the legislative probers as responsible for the looting of the state treasury through irregu-larities attending the construction of

the capitol. With the knowledge that the pledges of the Republican party are being ful-filled, and that after the thorough probing of the capitol job, the Re-publican state administration is pro-ceeding to prosecute all who had a hand in the affair, the Democrats are absolutely deprived of an opportunity to play the capitol scandal to advance their political interests.

Building Projected a Quarter of a Mile High

A 150-story structure is projected for New York, and the plans are being made for it. This may sound as madness, but there is only one way New York can grow—and that is up in the air. There must be some way devised to build higher buildings. This build ing won't be erected at once; but i being figured out by engineers to se may be sure it will be put up. apparently nothing in the way of building structures as high as desired; fo it is all a matter of foundation building, and that has its mathematical methods which insure safety. making a foundation for a building a quarter of a mile high is certainly something new by way of undertaking. However, it is worth remembering that such lofty structures as the Flat Iron Building occasion no interest among New Yorkers any more. That is noth ing out of the ordinary now, for it is being beaten in height, and that sets it back with the old numbers.
