BOWLING NEWS.

Berlin Defeats Both Somerset and Meyersdale in Recent Contests. Last Thursday night the Somerset and Berlin Ten Pin clubs played three match games in Somerset. The contest was a victory for Berlin by a total score of 2444 to 2395.

On Tuesday evening of this week, Berlin also defeated the Meyersdale club at Meyersdale, but we have no report of the score.

Tonight Salisbury will play Somerset at Meyersdale.

The Berlin club is accused of "loading up" with players not really members of their club, and if the charge is true, the other clubs should not permit it.

Thomas A. Edison, the great American inventor, says "Fully eighty per cent. of the illness of mankind comes from eating improper food or too much food; people are inclined to over-indulge themselves." This is where indigestion finds its beginning in nearly every case. The stomach can do just so much work and no more, and when you overload it, or when you eat the wrong kind of food, the digestive organs cannot possibly do the work demanded of them. It is at such times that the stomach needs help; it demands help, and warns you by headaches, belching, sour stomach, nausea and indigestion. You should attend to this at once by taking something that will actually do the work for the stomach. Kodol will do this. It is a combination of natural digestants and vegetable acids and contains the same juices found in a healthy stomach. It is pleasant to take. It digests what you eat. Sold by E. H. Miller. 11-1

Two Very Large Deeds.

Yesterday morning, two deeds, probably the largest ever placed on record in this county, were left with Recorder John R. Boose to be recorded. They show transfers of coal property in Conemaugh township from E. J. Berwind to the Wilmore Coal Company, which is the really owning corporation of the Berwind-White concern. The consideration in one deed is \$1,037,200, and in the other, \$683,100. The deeds bear date of December, 1901, at which time it was required to place revenue stamps upon all instruments of that character, on account of the Spanish-American War. The stamps on one cost \$517.75, and on the other, \$340.75. The denomination of stamps varies from 25 cents to \$500.—Somerset Standard.
