Last Friday Harry Anderson was taken to a Pittsburg hospital to be operated on for appendicitis. The operation was performed several days ago, but we have learned nothing concerning his condition since. However, we trust that all is well, and that he will soon be able to return home. The patient is the eldest son of Mr. and Mrs. Luther B. Anderson.

Babies and children need prompt attention when suffering from coughs and colds. The best remedy for mothers to use is Kennedy's Laxative Cough Syrup. It tastes nearly as good as maple sugar. It contains no opiates, and it is laxative and drives the cold out of the system by gently moving the bowels. Sold by E. H. Miller. 12-1

Passenger traffic was exceedingly heavy on the P. & M., last Sunday. Hundreds of people traveled from Meyersdale to Salisbury, and hundreds from Salisbury to Meyersdale. The Citizens' Cornet Band, of Meyersdale, came to Salisbury in the afternoon and favored our people with music. Some forty guests, including the band aforesaid, registered at Hay's Hotel and took supper there.

The versatile John M. Smith, of Meyersdale, came up on the trolley, the other day, and in speaking of the new way of coming to Salisbury, he said: "This is simply immense, this new trolley line, and the people up here deserve all the credit for it. Meyersdale people only talked trolley, but Salisbury capital and enterprise took hold and helped to build it. Meyersdale has no share in the credit due for the building of the road."

There is nothing better for stomach troubles than KODOL, which contains the same juices found in a healthy stomach. KODOL is offered on a guaranteed plan for the relief of heart burn, flatulence, sour stomach, belching of gas, nausea, and all stomach troubles. So at times when you don't feel just right, when you are drowsy after meals, and your head aches or when you have no ambition, and you are cross and irritable, take a little KODOL. It digests what you eat. It will make you healthy. Sold by E. H. Miller. 12-1

John W. Miller is visiting his parents, Mr. and Mrs. Jacob D. Miller, and he thinks he will again move back to Salisbury. John purchased a little farm near McHenry, in Garrett county, Md., during the past year, but the crops were poor and he is disgusted with farming. Lately his health has been going back on him, and he is trying to recuperate. We hope he will succeed, for there is no other thing so valuable as good health.

You can't be well if you have a weak, unhealthy, tired out stomach. Neither can you feel good if by some little irregularity in eating you have caused the stomach to get out of order. These little stomach troubles are signs of indigestion, which may and very often do turn into a very bad case of dyspepsia. Don't allow this to go on a single day without doing something to overcome it. Take some good reliable and safe digestant like KODOL. For Dyspepsia, KODOL is the best remedy known today for heart burn, belching and all troubles arising from a disordered digestion. It is pleasant to take and affords relief promptly. Sold by E. H. Miller. 12-1

While en route to Pittsburg, last Sunday, we met Wendell Smith, a former Salisbury boy, at Connellsville, also George Langford, a former citizen of Boynton, who will be remembered by many of our people as the genial and hustling setter at the Dill-Watson sawmill, which for years did a big business at Boynton. Mr. Langford is now a resident of Connellsville, but conducts a store for the Kendall Supply Company, at Kendall, Md.

N. G. and Lew S. Keim, of Elkins, W. Va., were in town this week visiting their mother and sister, Mrs. S. C. Keim and Miss Cora Keim. They find some pleasure in coming to Salisbury since the trolley line is in operation, and as former Salisbury boys they rejoice in the old town's advancement. Lew reported to THE STAR while here that the Keim population of Elkins and vicinity now numbers 25, and is confined to his own family and the families of his brothers, George, Jonas and William. No race suicide there.

A tickling cough, from any cough, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by All Dealers. 12-1

On Tuesday viewers were looking over the proposed location of a new road to run from West Salisbury to Boynton, the same to be graded around the South and East sides of Flog Hill. It seems to strike many thinking and observing people that Elk Lick township already has more roads than the township is able to keep in proper condition, and that the new road petitioned for would be of but little value to anybody, and of no value to nearly everybody. What Elk Lick township needs is better roads, not more of them, and it is not likely that the proposed road mentioned will be granted.

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Sold by All Dealers. 12-1

Mr. and Mrs. J. C. Balliet, who moved here from Montour county, Pa., about 17 years ago, have shipped their household effects to Elizabeth, Pa., where they will set up house-keeping and have their son Clyde, who holds a mine formanship near that place, live with them. Mr. Balliet will travel for the Harvey Oil Company. When he came to Salisbury he was the junior member of the firm of Billmeyer & Balliet, a well known lumber firm, which was dissolved some years ago, when each member of the firm started in business for himself, and conducted sawmills individually until both retired from the lumber business, some years ago. Mr. and Mrs. Balliet have many friends here who regret their removal, and all wish them well in their new home, where THE STAR will visit them weekly and keep them posted on the news of this locality.

Temporary Trolley Schedule. The trolley company expects to run its cars on schedule time as soon as the B. & O. winter schedule goes into effect, which will be some time this month. At present cars are running as follows: Leave Salisbury at 5.30 and 9.30 a. m., and 1.00, 3.30, 7.00 and 9.00 p. m. Leave Meyersdale at 6.30 and 11.00 a. m., and 2.00, 5.00, 8.00 and 10.00 p. m. Upon opera nights and other special occasions, an extra trip will be made after 10.00 p. m.

CURED OF BRIGHT'S DISEASE. Mr. Robert O. Burke, Elnora, N. Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve to twenty times a night, and I was all bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up hope of living, when a friend recommended Foley's Kidney Cure. One 50 cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's disease." Sold by All Druggists. 12-1

The Dunbar Hand Bell Ringers. The Dunbar Hand Bell Ringers and Male Quartet, which was the first attraction of the Salisbury Lecture Course, this year, appeared in Hay's opera house, last Saturday evening. A large audience greeted them, and to say that all were pleased, is putting it very mildly. Each one of the quartet is a fine artist, and it would be hard to say which one was the star performer.

As for us, we liked the bass vocalist and the clever impersonations of Harry Dunbar a little the best. The impersonation of an English clergyman's dissertation was indeed a masterpiece, and the audience roared with laughter. It reminded us of the many sermons we have heard in church from time to time, when we did not dare laugh, but were supposed and expected to take the sermons seriously to heart, when there was in reality no more in them to be taken seriously—no more logic, reason or sense than there was in Harry Dunbar's burlesque, which is intended only for a mirth promoter, and which admirably serves that purpose.

And right here we can truthfully add that the people of most towns usually have no occasion to go away from home to hear sermons of the "Mary's Little Lamb" brand. If all the religious denominations could weed out of their pulpits the little, narrow-minded bigots and incompetents that want to pose as sky pilots, and have only clergymen of brains, sound logic and ability in their places, church membership and church attendance would soon be much larger, and the world would soon be much better. When people are expected to contribute to the salaries of clergymen who can preach sermons only of the "Mary's Little Lamb" brand, or to even waste time in going to listen to their labored vapors, only disappointment and indifference in church matters can be the result.

It used to be that dangling a devil with hoofs and horns before a congregation, and shouting about fire and brimstone until the fumes of sulphur could be smelled all through the church, would bring forth the people
