A RELIABLE REMEDY FOR CROUP.

With the dry, cold weather of the early winter months, parents of croupy children should be on the alert for ominous symptoms. There is no cause for anxiety, however, when Chamber-lain's Cough Remedy is kept in the home. If this medicine is given as soon as the child becomes hoarse or even after the croupy cough has appeared, the attack may be warded off Mrs. S. Rosinthal, of Turner, Michigan, says: "We have used Chamberlain's Cough medicine for ourselves and Jos. T. Glotfelty, D. A. Vaughn, Ralph children for several years and like it T. Ashby, Jno. M. Falkenstien, James very much. I think it is the only Brock. remedy for croup and can highly recommend it." For sale at Miller's Drug Store. 12-1

THE PETITION HABIT.

Connellsville Courier.

The Connellsville Courier gets off great deal of truth in the following:

"Governor Guild, of Massachusetts complains justly of the practise of reputable men signing petitions for the pardon of the worst criminals.

"The signing of petitions is a national

weakness. It has been said that most men will sign a petition to hang themselves. It is not meant that they will deliberately do so, but that so reckless is the average citizen in affixing his name to a petition that he seldom even reads what he signs.

"It is a cheap accommodation. It costs nothing to sign, and sometimes much to refuse. The person solicited dislikes to decline. It frequently means the ill-will of the solicitor and of the beneficiary and his friends. Petitions for pardon or suspension of sentence are often signed by people who feel in their hearts that they are doing wrong, but who have not the moral courage to stand up and say nay

to the man who asks their signatures.
"Justice should be tempered with mercy, it is true; but the penalties of the law are not lightly put. They are not inflicted without a purpose. The purpose is the protection of society from the assaults of the reckless and the criminal class who know not mercy and are not entitled to mercy.

"The petition habit is itself sometimes reckless, and at times it verges on the criminal."

considerable in the different districts, An Appeal for "The Bread Line." The Bowery Mission "Bread Line," at which 1,000 men who are out in the streets for the night are given a breakfast of hot coffee and rolls every morning at one o'clock, is one of the most pathetic sights in all the wide, wide world. Long before the hour of opening, these poor, starving men stand in a single line that sometimes extends for blocks in length, waiting for the coffee and rolls. During the last winter, this breakfast was given to a total of 144,000 homeless men and boys, and up to date nearly half a million of the homeless have had their weary tramp restfully interrupted by this unique ministration. The first of these breakfasts is given on Thanksgiving morning, and the last on the following Easter morning. Altogether the Mis sion supplied, this year, over 233,000 meals and 10,072 lodgings to homeless

men and boys. is for this grand, philanthropic work that we ask your kind and prac-tical co-operation. The homeless, friendless, disheartened and despairing men and boys of the Bowery are not native New Yorkers, but men and boys who, until within a year, lived happily at the old homestead with father and mother, and perhaps wife. They are stranded here, and in despair appeal to the Old Bowery Mission, which, for over thirty years, has been to the unfortunate, as the rescue cities of old, a haven of encouragement, rest and protection. Shall we turn them away? rests with the good people of this country to decide this question, and may God graciously help you to decide it aright. John C. Earl, Financial Secretary, 92 Bible House, New York City

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigetion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nething else.

Le was this fact that first correctly led Dr. Shoop in the creation of that now yery popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do.
