I had a terrible cold, and nothing relieved me. I tried Ayer's Cherry Pectoral and it promptly broke up my cold, stopped my cough, and started every part of my body. It did wonderful work for me. — Mr. J. F. LUTZ, Toledo, Ohio.

There is something about Kennedy's Laxative Cough Syrup that makes it different from others, as it causes a free yet gentle action of the bowels through which the cold is forced out of the system. At the same time it heals irritation and allays inflammation of the throat and lungs. It is pleasant to take. Children like it. Contains no opiates nor narcotics. Sold by E. H. Miller. 1-1

C. A. Wilt and family, who now reside at Bayard, W. Va., arrived here last Saturday. Millions of bottles of Foley's Honey and Tar have been sold without any person ever having experienced any other than beneficial results from its use for coughs, colds and lung troubles. The George's Creek Press, the official organ of the United Mine Workers of this district, suspended publication, last week. An out and out labor organ cannot exist long in a town no larger than Lonaconing, Md., where the Press was published, especially when the subscription price ranges from 50 cents to a dollar a year, and a large percentage of the subscribers won't pay up even at those starvation rates.

When the Stomach, Heart, or Kidney nerves get weak, then these organs of ways fail. Don't drug the Stomach. Nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or Liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Sold by All Dealers. 1-1

George Walker, Sr., whose death was noted in last week's STAR, was born in Scotland, July 17th, 1842. He died near Somerset, Pa., Nov. 27th, 1907. He resided at Coal Run, Pa., a number of years, where he had the good will of everybody, for he was a man of kindly and inoffensive disposition. His remains were laid to rest in the I. O. O. F. cemetery, at this place, last Thursday. Of his family we know but little, but he was the father of George P. Walker, of Coal Run, and Mrs. Albert Stein, of Meyersdale.

Whenever you feel that your stomach has gone a little wrong, or when you feel that it is not in good order, as is evidenced by mean headaches, nervousness, bad breath, and belching, take something at times, and especially after your meals until relief is afforded. There is nothing better offered the public today for stomach troubles, dyspepsia, indigestion, etc., than KODOL. This is a scientific preparation of natural digestants combined with vegetable acids and contains the same juices found in every healthy stomach. KODOL is guaranteed to give relief. It is pleasant to take; it will make you feel fine by digesting what you eat. Sold by E. H. Miller. 1-1

The Ladies' World for December is one of the most attractive magazines that has come to our table. It is full of entertainment, information and suggestion for the holiday season, has a lot of capital stories and some special art features that are remarkable—very remarkable when one considers the low price at which the publication is offered. Among the short fiction there is a characteristically tender story by Chas. G. D. Roberts, where the interest centers in a little girl, while J. J. Bell touches our sympathy with Tam, a

story of a Scotch boy that is excellently done. Henrietta Crossman gives a vivid description of her ante-stage life which was spent largely on the frontier, and tells how she and her mother became medicine women of the Chippewas. The second part of Roy Norton's serial, The Captain and the Maid, confirms the good impression made last month, and promises to be an unusually fine story. For the children Livingston B. Morse begins a series of Dream Animal Tales which will delight the young people, and for them, too, there are some ingenious puzzles. The housewife will find on every page something she wants to know, whether it be about cooking, needlework, inexpensive Christmas gifts, the health, etiquette, what to wear herself and dress her children in—or practically anything else about her home life, for the number is most complete. New York; Fifty Cents a year.

A tickling cough, from any cough, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by All Dealers. 1-1

The Hand Bill Nuisance

The following notice given through the columns of the Meyersdale Republican, by Burgess Reed, of that town, is appropriate and in order:

IMPORTANT NOTICE.

The practice of parties distributing hand bills promiscuously on the streets and the ringing of door bells must be discontinued at once. The police have instructions to arrest persons guilty of this practice. Persons who send out the bills should instruct those who pass them to this effect.

J. C. REED, Burgess.

It is time for a notice of the same kind to be given by the Burgess of Salisbury. Meyersdale business men have lately been flooding this town with hand bills, and the insolence and impudence of some of the bill distributors has reached the unbearable stage. They have even been nailing bunches of bills to people's shade trees in Salisbury, and it is time for such conduct to be stopped. If we catch anybody driving nails into our own shade trees, we will at once proceed to drive a few nails into the offender's coffin.

We like to see people advertise their wares, but there is a right way and a wrong way to go about it. Newspaper advertising is by all odds the best. The bill distributor and constant door bell ringer is a public nuisance.

MIXED OFTEN.

Druggists Hear Much Praise for This Simple Home-Made Mixture.

Some remarkable stories are being told about town and among the country people coming in of this simple home-made mixture curing Rheumatism and Kidney trouble. Here is the recipe and directions for taking: Mix by shaking well in a bottle one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Take a-a dose one teaspoonful after meals and at bedtime.

No change need be made in your usual diet, but drink plenty of good water.

This mixture, writes one authority in a leading Philadelphia newspaper, has a peculiar tonic effect upon the kidneys; cleansing the clogged up pores of the eliminative tissues, forcing the kidneys to sift and strain from the blood the uric acid and other poisonous waste matter, overcoming Rheumatism, Bladder and Urinary troubles in a short while.

A New York druggist who has had hundreds of calls for these ingredients since the first announcement in the newspapers last October, stated that the people who once tried it "swear by it," especially those who have Urinary and Kidney trouble and suffer with Rheumatism.

The druggists in this neighborhood say they can supply the ingredients, which are easily mixed at home. There is said to be no better blood-cleansing agent or system tonic known, and certainly none more harmless or simple to use.

BADLY MIXED UP.

Abraham Brown, of Winterton, N. Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth, blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed for blood poison, weakness and all stomach, liver and kidney complaints, by E. H. Miller, druggist, 50c. 1-1
