We have quite a crowd around our place, but there's always room for one more, and our clerks are of the spry kind. They don't keep a customer hanging around half a day before being waited upon.

The HOME LIBRARY of MEDICINE

6 VOLUMES—ILLUSTRATED Half Leather Style Binding

The Final Household Encyclopedia of Medicine, Disease, Sanitation, Hygiene, Physical Culture and Long Life

THE GREATEST THING IN LIFE

Health being the greatest thing in life, it is astonishing that the one necessary reference work has not long ago been written, especially since the last generation has seen such revolutions in medicine, surgery and sanitation that no layman, and scarcely any one physician, can keep up with them. As a supplement to the physician's work, as a resource when a physician cannot be had, as an educator in the art of living, the Home Library of Medicine has received the most enthusiastic reception ever accorded a special encyclopedia.

4,000 SETS WERE SOLD BEFORE PUBLICATION

Before this physicians have discouraged such works, and rightly. Now that a really standard household medical library is at hand to aid in the work of showing intelligent people how to live vigorously and happily, the best physicians are welcoming it with the highest praise. It is written so that any man, any woman and any household can understand and use it. Associated with Dr. Kenneth Winslow, a former Harvard Professor, in this work, is a notable board of 23 eminent specialists—landmarks in the medical profession.

EVERYBODY CAN UNDERSTAND and USE IT

Every important illness, small and great, is described as clearly and concisely as possible, and under each disease the reader is instructed what to do, whether to consult a physician, what to do until the physician comes, and what to do if a physician cannot be had. The remedies and treatment resulting from the very latest scientific knowledge are given; all data concerning prescriptions, etc., have been rigorously revised and safeguarded by the most famous specialists.

We are not book publishers and we do not have to make a profit out of this set other than the widened recognition of the REVIEW OF REVIEWS as the magazine most closely up to the times, a magazine that consistently helps in living and thinking. The six handsome volumes would be cheap at ten dollars, and this will be their price when they are put on sale at the book stores.

I enclose 50c. for the Home Library of Medicine and the Review of Reviews for two years. If I like the books, I will accept your Introductory Offer.

OUR SPECIAL INTRODUCTORY OFFER

This first edition we are going to ship to responsible persons who send 50 cents, engaging to pay \$1 a month for only seven months—and each purchaser will receive the REVIEW OF REVIEWS for two full years—or \$7 pays for the books and the two years' subscription.

As this proposition is to deliver to you the full standard \$10 set of the Home Medical Library, express prepaid, for \$1 over the regular subscription price of the magazine, it is obvious the first edition will not last long.

HERE'S GOOD ADVICE.

O. S. Woolever, one of the best known merchants of Le Raysville, N. Y., says: "If you are ever troubled with piles, apply Bucklen's Arnica Salve. It cured me of them for good, 20 years ago." Guaranteed for sores, wounds, burns or abrasions, 25c. at E. H. Miller's drug store. 1-1

Jonas Stevanus Loses House by Fire.

Last Saturday Jonas Stevanus moved some of his household effects from his residence on Negro Mountain to Coal Run, but before he got all his goods moved, his mountain home went up in smoke. There was no insurance on the house or contents, and the loss is several hundred dollars.

The origin of the fire is unknown to the owner, but it is hinted that some other person or persons know all about it.

A DANGEROUS DEADLOCK

that sometimes terminates fatally, is the stoppage of liver and bowel functions. To quickly end this condition without disagreeable sensations, Dr. King's New Life Pills should always be your remedy. Guaranteed absolutely satisfactory in every case or money back, at E. H. Miller's drug store. 25c. 1-1

Will Seek Home in Far West.

On Wednesday morning Clarence Loechel and family started for Oklahoma, where they expect to make their future home. They departed from the scenes of their youth with stout hearts and a determination to succeed, and if they keep their health, we feel sure that their fondest hopes will be realized.

"Go west, young man, and grow up with the country," is as good advice now as it was when given a generation ago by that great journalist and thinker, Horace Greely.

There is greater opportunity in the West for young men of pluck and industry to succeed than there is here in the crowded East, and much as we regretted to see Mr. Loechel and his fair young wife depart from this locality, we wish them all manner of success in the West, and we feel sure that they will never regret the move.

HOW DIPHTHERIA IS CONTRACTED.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. For sale at Miller's Drug Store. 1-1

A HOME MADE HAPPY BY CHAMBERLAIN'S COUGH REMEDY.

About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors, but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me, and failed to get it, when one of the storekeepers insisted that I try Chamberlain's Cough Remedy. I did so and our baby is alive and well today.—Geo. W. SPENCE, Holly Springs, N. C. Chamberlain's Cough Remedy always cures and is pleasant and safe to take. For sale at Miller's Drug Store. 1-1
