to know where to get the best of everything. She knows that, especially in drugs, medicines, toilet articles and stationery, there's never anything gained, and frequently much lost by using something cheap and inferior.

We have quite a crowd around our place, but there's always room for one more, and our clerks are of the spry kind. They don't keep a customer hanging around half a day before being waited upon.

**An Old Proverb that Does Not Hold Good.**

An old proverb says that a "green Christmas makes a fat churchyard," and as most people accept a proverb as if it were indisputably true, it should be said that there is no truth whatever in the particular saying. No warrant is found for it in statistics, and the very fact that people whose health is below the average are advised by physicians to seek a mild climate in winter, should show others that when the Christmas holidays are mild and pleasant they should not be oppressed with any unusual dread of impending death. It is much and more likely that old ladies who dwell in a world of proverbs will come to grief than that undertakers will have any special reason to rejoice.

**AGREEABLY SURPRISED.**

Many sufferers from rheumatism have been agreeably surprised at the prompt relief afforded by applying Chamberlain's Pain Balm. It makes sleep and rest possible. For sale at Miller's Drug Store. 1-1

**CHICAGO** now has a young and handsome woman on the police force. It will undoubtedly tickle some men to be pinched by her.

**IS SIMPLE.**

**Mix This Simple, Helpful Recipe at Home and Try It, Anyway.**

Get from any prescription pharmacist the following:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in a New York daily paper, as the finest prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home when asked stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

**Christmas Plums.**

Be merry.  
Be friendly.  
Hide mildly.  
Give good gifts.  
Don't be grouchy.  
Love all, hate none.  
Forget your troubles.  
Remember dear ones.  
Make everybody happy.  
Wish all a merry Christmas.  
Tone up and be at your best.  
Wind up the year as well as you began.

Don't spend the day so it will bring regret.

For goodness sake pay up your subscription.

Forget your grudges and give a friendly grasp.

Appear different, if it's nothing more than to smile.

Be grateful for what you have, and hopeful for what you may reasonably expect.

If you enjoy a good, fat dinner, don't forget the many that will surround a scanty table.

Don't down so much plump pudding and stuffing that you'll terrorize your stomach and have the gout for a month.

In your home gatherings, let some one read the "Events of the Year," as reflected in this paper, then subscribe for it, recommend it to your neighbors and send it to your friends.

We wish our readers a merry time, in fact, of all others, the most sublime; be good, be true, and be ye cheery, and may your Christmas be right merry.

**PAST EXAMINATION SUCCESSFULLY.**

James Donahue, New Britain, Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Cure. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Cure cures back-ache and all forms of kidney and bladder trouble. Sold by all Druggists. 1-1

**PRESIDENT ROOSEVELT** is strenuously supporting and urging a measure before Congress that ought to interest every citizen in the United States. It is generally admitted that the recent bankers' panic, was entirely unnecessary, and was caused by the baseless fear of depositors withdrawing their money from the banks, thus taking it out of circulation. While there are a great many timid people in this country, with money, who fear to trust the banks, which are, however, ten times safer than their own custodianship, they would not fear for a moment to trust that money to a bank owned and operated by the Government itself. We should establish Postal Savings banks, into which people could deposit their money and draw a small interest, and thereby keep all of our money in circulation. As before stated, the recent panic was caused by hoarding, and it will be seen that by establishing these postal saving banks, we could keep all of our money in circulation, thus making it impossible for a money panic to occur in times of prosperity like the present, and in fact there would not be any diminution of prosperity. Suppose you, Mr. Voter, write to your Senator and Congressman, and urge them to pass a law establishing postal saving banks. The country needs them, and the President wishes to see such a law enacted.

**JOHN SHARP WILLIAMS** has advised the Democratic minority that it will be necessary to "work together like a football team." And goodness knows the average Democrat enjoys nothing better than a chance to kick. 1-1

**A HOME MADE HAPPY BY CHAMBERLAIN'S COUGH REMEDY.**

About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors, but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me, and failed to get it, when one of the storekeepers insisted that I try Chamberlain's Cough Remedy. I did so and our baby is alive and well today.—Geo. W. Spence, Holly Springs, N. C. Chamberlain's Cough Remedy always cures and is pleasant and safe to take. For sale at Miller's Drug Store. 1-1

**A REAL WONDERLAND.**

South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mound City, in the home of Mrs. E. D. Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting, coughing spells occurred every five minutes," writes Mrs. Clapp, "when I began giving Dr. King's New Discovery, the great medicine that saved his life and completely cured him." Guaranteed for coughs and colds, throat and lung troubles, by E. H. Miller, druggist. 50c. and \$1.00. Trial bottle free. 1-1

**Heart Strength**

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds it strengthens; it offers real, genuine heart help.

If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with
