## Two Sons of Nicholas Murphy Killed in Awful Mine Explosion.

The awful mine explosion which occurred at Jacob's Creek, Pa., last Thursday, numbered among its victims Joseph and Nicholas Murphy, Jr., both sons of Nicholas Murphy, the well known Grantsville policeman, and brothers of Frank and James Murphy, who conduct a restaurant in Salisbury.

Up to this time the body of Nicholas has not been found, or if found could not be identified. The body of Joseph, however, was one of the first to be recovered from the ill-fated mine, and was interred at Meyersdale, Monday forenoon.

Deceased was better known in Meyersdale than here, and the Meyersdale Commercial makes the following mention of the unfortunate man and his funeral:

Joseph Murphy, fire boss of the Darr mine, unmarried and unrecognizable, was laid to rest here in his childhood home, Monday forenoon, by the rites of the R. C. Church. Joseph, we think, was born here and grew to manhood here. He became an expert miner. He drifted to the coke region, where wages were better, and his known ability soon gave him the promotion he worthily earned. He was about 31 years of age and was unmarried. When Joseph was about eight years old, he fell from High street bridge, on to the caboose of a passing freight train below, and bounced from the roof to the track. Councilman Jac. J. Holzahu tenderly lifted the little fellow from the track, expecting to find him dead, but death was not yet ready for him; a broken limb was the worst, and Dr. Good soon had the little fellow on the mend, and in a short time he was good as new.

## HERE'S GOOD ADVICE.

## Wife of Dr. A. M. Lichty Dead.

Jennie Hay Lichty, the estimable wife of Dr. A. M. Lichty, of this place, died last Saturday morning, after suffering a long time from a complication of diseases. Her death was not unexpected, for her condition had been very critical for a long time.

Her death is mourned by a very large circle of friends in addition to her immediate relatives, all of whom loved and esteemed her very highly. She was a woman of kind and sympathetic disposition, and she bore her suffering bravely.

Deceased was a daughter of the late Peter S. and Elizabeth Dively Hay, and a sister of Harvey, Russell and George C. Hay, who are conducting the well known store established by their father in Salisbury in 1853. Besides the three brothers named, she is survived by her husband, one son and one daughter.

The funeral service was held at 10 o'clock a. m. last Monday, and was conducted by her pastor, Rev. H. S. May, of St. John's Reformed church, assisted by Rev. S. C. Stover, pastor of St. Paul Reformed church, and Rev. L. P. Young, pastor of St. John's Lutheran church. Interment was made in the Odd Fellows' cemetery, and a large number of sorrowing friends turned out to pay their last sad respects to the deceased, who was aged about 40 years.

## PAST EXAMINATION SUCCESSFULLY.

James Donahue, New Britain, Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Cure. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Cure cures back-ache and all forms of kidney and bladder trouble. Sold by all Druggists. 1-1

## Man Shot at Coal Run.

One John Pierce, of Coal Run, was shot in the back, last Saturday night, the weapon used being a shotgun. It is reported that bad blood exists between Pierce and another Coal Run man, and the circumstances of the shooting are said to be somewhat sensational. No arrests are liable to follow, and while Pierce has an ugly wound, Dr. P. L. Swank, his physician, says the man will recover. The shot was fired at close range, and had Pierce not been in a stooping position when the charge struck him, it would have torn a hole through his body large enough for a big rat to crawl through.

## A FINE COMPLIMENT.

Kind Words from John Crawford Mackey, D. D., of Uniontown, Pa.—Would Stump the County for Us.

In remitting for subscription to THE STAR, John Crawford Mackey, D. D., of Uniontown, Pa., refers to the "Twinkler" as "the good, moral, fearless STAR," and then adds the following:

"Old fellow, I have listed you among those that I understand and admire—one well worthy of the friendship of the best men. I only wish I was in Somerset county. I should be tempted to 'stump' it for you in your race for Legislature.

"We join in good wishes to you and all at home."

The Rev. Dr. Mackey also adds the following postscript:

"Why has not the trolley company published a time card? I have been looking for it since the announcement that it began doing business."

First of all, we return our grateful thanks to Dr. Mackey for his remittance and his kind words, especially for the latter. We value a compliment coming from such a scholar and gentleman as he is, far more than money and bank checks, and kind regards are always appreciated, no matter from what source.

In regard to our valued friend's question concerning the trolley schedule, we will state that one of the officials of the road has informed us that the company will publish a schedule just as soon as they get the contract for carrying the mails, which may or may not be soon. Mr. Stotler, the present mail contractor, is only too anxious to relinquish the mail contract in the trolley company's favor, and a postoffice inspector has promised that the change would be made in due time. However, with the Postoffice Department there is no hurry, and there is no public utility, whether managed by the government or private corporation, that strikes us as being so bunglingly managed as the mail service. The people who are howling for government ownership of all public utilities, would soon get such nonsense out of their heads if they were as familiar with the many needless weak spots in the mail service as are those who have been in that service for a few years. But we are digressing from the subject, and by way of conclusion will state that the trolley company has promised to publish a schedule just as soon as its officers adopt a regular one. The present schedule is only a temporary one, but the company ought to have it published, just the same, as it may be in force a good while yet. Besides, when a new schedule is adopted, it is a matter of only a few minutes for the printers to make the necessary corrections, and there would be no additional cost for making them.

## A HOME MADE HAPPY BY CHAMBERLAIN'S COUGH REMEDY.

About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors, but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me, and failed to get it, when one of the storekeepers insisted that I try Chamberlain's Cough Remedy. I did so and our baby is alive and well today.—Geo. W. SPENCE, Holly Springs, N. C. Chamberlain's Cough Remedy always cures and is pleasant and safe to take. For sale at Miller's Drug Store. 1-1

## Accidents on Trolley Line.

Last Saturday morning an accident happened on the trolley line that caused all traffic to be suspended until Sunday afternoon. Some of the electrical apparatus of the car got out of fix and literally burned out. Mr. Shanabarger made the necessary repairs, however, and then everything went well until Christmas night, when a rock rolled down Hunters hill, landed on the track and derailed the car, which was not gotten back on the rails until today.

The motorman and conductor both saw the rock coming, but were so close to it that the car could not be stopped before it rolled onto the track and derailed the car.

## GOODBYE OLD YEAR.

We are about to step from the old year to the new, and we are reminded that after all our fears and apprehensions, to many of us it has been a very kind year. To some, we know that the dark side has been turned, but after all, there is a gleam of sunshine for all, if we but look for it. We would not forget that upon the homes of some of our readers, since last New Year's day, a shadow has fallen, and a mantle of sorrow has wrapped its inmates in its sombre folds.

Other homes are like the empty nest that hangs on the withered bough, desolate because the life and song went out with the birds. New homes have been made and old ones have been severed, but in our onward march it is not well to stop and weigh the load each one carries. No life is all sunshine or all storm. If the new year brings prosperity, let us rejoice; if adversity, let us be brave. The sunset gate of life will swing shut upon some of us ere the close of another year. Let us see to the record left on this side. If our dear ones and friends leave us for the summer land, let not the memory of harsh words spoken by us, add to the pangs of separation.

## WHEN TO GO HOME.

From the Bluffton, Ind., Banner: "When tired out, go home. When you want consolation, go home. When you want fun, go home. When you want to show others that you have reformed, go home and let your family get acquainted with the fact. When you want to show yourself at your best, go home and do the act there. When you feel like being extra liberal, go home and practice on your wife and children first. When you want to shine with extra brilliancy, go home and light up the whole household." To which we would add, when you have a bad cold, go home and take Chamberlain's Cough Remedy, and a quick cure is certain. For sale at Miller's Drug Store. 1-1

## Serious Runaway.

Last Saturday while John Rodamer, of West Salisbury, was storing a few beef hides away which he had purchased, he left his team of horses standing in the road near his father's residence, and for some cause unknown to the owner, the animals ran away. They followed the county road for some distance, then left it and took the railroad. In attempting to cross the railroad bridge near West Salisbury, both horses stepped between the ties and floundered down, where they were held in a very perilous place until rescued by a force of men and boys who soon appeared on the scene. Both animals were more or less injured, one so badly that it had to be killed. The other, however, is getting along fairly well, and will recover.

# Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local.

Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, causes nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well
