Railroad Company Buys Ties From Hawaii and Japan.

A striking instance of the scarcity timber suitable for railroad ties in the United States is seen in the recent purchase of the Atchison, Topeka & Santa Fe Railway Company of 2,800,000 ties of ohia wood, from a lumber company operating in the Hawaiian Islands. It has been difficult for some time for the railroads of this country to obtain wooden ties satisfactory both in quantity and quality, and many of them have been looking about for an opportunity to purchase tie timber in ther countries.

During a recent trip of this kind by a representative of the Atchison, Topeka & Santa Fe Railway Company, arrangements were made for the purchase of ties, not only in the Hawaiian Islands, but also in Japan. It is stated compares in lasting qualities very favorably with the white oak of this country, which has been considered the most satisfactory wood for tie purposes. About a year ago, before the representative of the railroad had started on his trip, the United States Forest Service made a few tests on the ohia wood. The results indicated that, in point of strength, ohia wood will sexhibited. rank with the oaks. It was thought Have the from these tests that the wood was worthy of further investigation, and the large order placed by the railroad that Hawaiian wood will prove to be a satisfactory material for railroad ties under the conditions existing in this country.

CHAMBERLAIN'S COUGH REMEDY BENE-FITS A CITY COUNCILMAN AT-KINGSTON, JAMAICA.

Mr. W. O'Reilly Fogarty, who is a member of the City Council at Kingston, Jamaica, West Indies, writes as follows: "One bottle of Chamberlain's Cough Remedy had good effect on a ough that was giving me trouble, and I think I should have been more quickly relieved if I had continued the remedy. That it was beneficial and quick in relieving me, there is no doubt, and it is my intention to obtain another bottle." For sale at Miller's Drug For sale at Miller's Drug

Will Put Drinkers out of Church. One of the most flery temperance sermons ever delivered at Franklin, was a discourse several days since by the Bev. M. P. Fikes, who recently lectured in the Salisbury opera house

"If it is the last thing I ever do in Franklin, I am going to drop from the rolls of the church the name of every man who goes into a saloon, a hotel or a drug store for the purpose of procuring liquor."

He was particularly severe on the drug stores, which, he said, furnished liquor to men who were either ashamed to go to the bars, or had been shut off by relatives.

The Rev. Mr. Fikes is pastor of the First Baptist church of Franklin, Pa., and he is the same man who created a sensation a few years ago by advocating billiard room annexes for churches so as to draw men to church by the click of hilliard balls.

It strikes the editor of this paper that a church member in a saloon is no more out of place than a billiard table in church, but we will admit that the church member in a saloon and the billiard table in a church are hardly in their proper places. However, if it is just and right to fire saloon-keepers out of church on account of their oc cupation, it would be equally just to fire drinking men, those who foster and keep up the saloon-keepers' business. There should be justice all around, and if such is not the case in this

To weak and alling women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, noe is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local.
Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.
The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well
