You May Need It

Ask your doctor about the wisdom of your keeping Ayer's Cherry Pectoral in the house, ready for colds, coughs, croup, bronchitis. If he says it's all right, then get a bottle of it at once. Why not show a little foresight in such matters? Early treatment, early cure.

Many a boy is called dull and stupid, when the whole trouble is due to a lazy liver. We firmly believe your own doctor will tell you that an occasional dose of Ayer's Pills will do such boys a great deal of good. They keep the liver active.

Rayman, and while here was the guest of his nephew and family.

Mrs. Alex. Facebaker died at her home on the old William Enfield farm, about three miles southeast of Salisbury, Monday evening last, aged 39 years and 20 days. If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by E. H. Miller. 2-1

Curtin Chaney, who had been confined to his house for several months, on account of a severe case of typhoid fever, is again able to be out. Some time before he ventured out, "Curt" says they weighed him, and his weight, including a big double blanket, was 72 pounds. That is quite a light weight for a man 6 feet 2 1/2 inches tall, but it shows what typhoid fever is capable of doing.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while; especially after meals; something like KODOL For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by E. H. Miller. 2-1

THE STAR is once more very late in making its weekly twinkle, owing to sickness in the editor's family, a large amount of job printing, and the fact that the editor was practically knocked out by la grippe for a couple of days during the week. If it hadn't been for our friend "Saxe" Staub, of the Meyersdale Republican, coming up and giving us a lift the first of the week, the paper wouldn't be out yet.

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Sold by All Dealers. 2-1

Our friend Hanson Brown, of Farmington, Fayette county, Pa., arrived in town last Friday evening for a visit of a few days with friends. He called at THE STAR office, Saturday morning, and added a few jewels to his crown in the next world by paying a year's subscription to the "Twinkler." Hanson looks younger the more he grows older, and his lady friends over about Farmington ought to keep a close watch on him, for we rather suspect that he is considerably interested in one of Somerset county's charming young ladies. But as he is a good fellow, we will not give him away.

To check a cold quickly, get from your druggist some little Candy Cold Tablets called Preventics. Druggists everywhere are now dispensing Preventics, for they are not only safe, but decidedly certain and prompt. Preventics contain no Quinine, no laxative, nothing harsh nor sickening. Taken at the "sneeze stage" Preventics will prevent Pneumonia, Bronchitis, La Grippe, etc. Hence the name, Preventics. Good for feverish children. 48 Preventics 25 cents. Trial Boxes 5 cts. Sold by All Dealers. 2-1

Mr. Samuel Grotfelty, of York, Pa., was visiting friends in Salisbury, last week. He was on his way to Ohio, where he and other persons interested in some land in Cuba were scheduled to have a meeting. The visiting gentleman, in company with M. J. Grotfelty and L. C. Boyer, made THE STAR a pleasant visit, last Saturday afternoon. There are many Grotfelys in York county, many of whom were met by M. J. Grotfelty and wife, last summer, while in attendance at the Grotfelty reunion held in that county. They are related to the Grotfelys here, whose ancestors came here from Eastern Pennsylvania.

A tickling cough, from any cough, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by All Dealers. 2-1

With this number THE STAR closes its 13th volume. The past year has been far the most prosperous one in the paper's career. We trust that the year which will close our next volume will be even more prosperous for the paper than the one preceding it. All Salisbury's business men should be constant advertisers in THE STAR's columns. Otherwise they cannot blame the publisher if he decides to allow Meyersdale merchants to fill his columns with advertisements that will pull much Salisbury trade to Meyersdale. Spasmodic advertising brings better results than no advertising, but the constant, wide-awake advertiser is the one who gradually increases his business and holds it. If your business will not stand judicious and constant advertising, it is a sure sign that it should be advertised for sale, and the buying public is not slow in putting just that kind of an estimate on it.

To the Republican Voters of Salisbury Borough.

It may not be generally known among the Republicans of Salisbury that this borough is without a Republican committeeman since Daniel Livengood has moved to Munnhall, Pa. Such is the case, nevertheless, and if the Republicans want to hold a caucus and nominate candidates to be voted for at the February election, they will have to have a committeeman appointed by the Republican County Chairman, as no one but a regularly elected or appointed committeeman has the lawful authority to hold a political caucus or nomination.

So far as the editor of this paper is concerned, he is not in the least interested in borough politics, this year, and under no circumstances could he be prevailed upon to accept the committee membership, which he has been urged to seek by some of the Republicans of this borough. Therefore, if there are any Republicans in this borough who are interested in borough politics, this year, they should at once confer with Bert F. Landis, Republican County Chairman, Somerset, Pa., and have him appoint some suitable Republican to act as committeeman. Mr. Landis is not a factionist, and whoever the Republicans of this borough want for committeeman, they can have for the asking, so far as Mr. Landis is concerned. We don't care who is appointed, as factional lines have about faded away, but a committeeman must be appointed if a caucus is to be held, and without a caucus no ticket can be nominated.

The borough being strongly Republican, at least a goodly majority of the borough offices should be filled by Republicans. The elections should be a contest between the Republican and Democratic parties, for in that way the best officers are invariably selected, and usually from both parties. Under the fusion program, however, the very poorest material is frequently put in office, and the welfare of our borough and schools has suffered greatly in re-

cent years by red dog or fusion politics. However, if the Republicans who have the most personal interests to be jeopardized by bad borough management, remain inactive and unconcerned, there will be no Republican borough caucus held this year, and borough and school matters will continue to drift along in their present unsatisfactory condition.
