You May Need It

Ask your doctor about the wisdom of your keeping Ayer's Cherry Pectoral in the house, ready for colds, coughs, croup, bronchitis. If he says it's all right, then get a bottle of it at once. Why not show a little foresight in such matters? Early treatment, early cure.

Many a boy is called dull and stupid, when the whole trouble is due to a lazy liver. We firmly believe your own doctor will tell you that an occasional dose of Ayer's Pills will do such boys a great deal of good. They keep the liver active.

Made by Dr. J. C. Ayer Co., Lowell, Mass.

If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by E. H. Miller. 2-1

Our friend Calvin Fuller, of West Salisbury, was badly squeezed in the Big Vein mine, last Monday, by a fall of breast coal that pinioned him against a prop. We are glad to note that his injuries are not of a serious nature, but he was squeezed bad enough, nevertheless, to make him feel too sore to work for about a week.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while, especially after meals, something like KODOL For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by E. H. Miller. 2-1

Chas. Durst, who resided near Grantsville, Md., died last Saturday evening, of a complication of diseases. He was aged nearly 43 years, and is survived by a wife and eight children. Wm. H. and Lew S. Keim, of Elkins, W. Va., arrived in town on Saturday evening and remained over Sunday, visiting their mother and sister, Mrs. S. C. Keim and daughter Cora. It was their first trip over the P. & M. trolley line, and naturally it was a great satisfaction to them to be able to land in the town of their nativity by such a modern method of travel.

Billy Bowman, the genial and popular P. & M. motorman, has been quite ill at his home in Boynton, during the last week. He showed marked symptoms of appendicitis for several days, and for a time it looked as though he would have to be taken to a hospital for an operation. We are glad to announce, however, that at last report he was on a fair way to recovery.

Mr. and Mrs. Simon S. Miller returned from an extended visit in the West, last Saturday. They left here last August, and visited friends and places of interest in many of the Western states, going as far as Southern California. They report having had a very enjoyable time, and they were greatly impressed with the greatness of our country and the many interesting things to be seen on a journey to the Pacific coast. Mr. Miller invested in some California land before returning home.

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Sold by All Dealers. 2-1

It afforded the editor much pleasure, yesterday, to accept an invitation from President C. H. Jennings, of the Penna. & Md. Street Railway Company, to accompany a party on a special trip over the road. The party consisted of Messrs. C. H. Jennings, John M. Wright, H. H. Maust, J. L. Barchus, Harvey Hay and the editor. All were guests of Mr. Jennings at the Colonial Hotel, after reaching Meyersdale, where the party enjoyed a fine supper, and an hour or two of story telling, after which Mr. Jennings departed for Jenningston, W. Va., and the balance of the party returned to Salisbury.

A tickling cough, from any cough, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by All Dealers. 2-1

WHY SUFFER FROM RHEUMATISM?

Do you know that rheumatic pains can be relieved? If you doubt this, just try one application of Chamberlain's Pain Balm. It may not give you relief from pain, but will make rest and sleep possible, and that certainly means a great deal to any one afflicted with rheumatism. For sale at Miller's Drug Store. 2-1

Salisbury Lecture Course.

Rev. L. P. Young informs us The Brockway Bureau is sending a high class concert company in place of Dr. John Driver. This company is composed of five artists, giving comic operas in costume. Tenor, soprano and baritone solos. It is a one hundred and fifty dollar attraction, and is sent through the courtesy of the Bureau, in order that Rev. Young may not lose money. The concert will be given Tuesday evening, Jan. 28, 1908.

We are fortunate in having Rev. Young's influence secure such a great company of singers. No one ought to miss this opportunity of hearing one of the greatest singing parties on the Lyceum platform, "The Kellogg Haines Singing Party." Let everybody attend and show their appreciation.
