

S. C. HARTLEY'S

15th Annual Red Letter Sale!

Jan. 18th to Feb. 8th, 1908.

The mere mention of our Red Letter sale is sufficient to attract the attention of careful, prudent buyers. The tremendous success that attends these sales is conclusive proof of what they mean to the people. Our last year's sale was by far the largest in our history, and we have many reasons to believe that this one will surpass it. We have made greater preparations this year. We are not going to offer you merely an accumulation of odds and ends, but also a good lot of new, seasonable goods for spring, which we recently bought actually below their real value. We shall make this sale a hummer. The goods and red letter prices marked on red tickets, in plain figures, at enormous reductions, will do the business. We will also have our

These shoes are too well known to require comment. Don't overlook this special real opportunity to save money. We give 10 per cent. off on all shoes during this Red Letter Sale.

Carpet Room.

We have a good line of all grades of carpet on hand. We shall, during this Red Letter sale, give you 10 per cent. off on all carpets, matting, linoleum and oilcloth, and 15 per cent. off all rugs, room sizes as well as small sizes, in Axminster, Velvet, Tapestry and Body Brussels. This is the greatest cut we ever made on carpet. We have the goods, and if you need anything in this line, this is certainly a special opportunity to save money.

Remember What These Great Reductions Mean,

when considering our former close figures. You must save money, no difference what you buy during this sale, as we make reductions all along the line, in all departments. We have put the red ticket on hundreds of articles, at tremendous reductions, which we can't enumerate here. We haven't bought a single poor piece of goods, or anything in order to make it sound cheap. It does not pay you nor us. We want you to compare goods and prices. Haven't you always found our sales as straight as a die, and more than you expected? Some merchants say we are foolish to sacrifice our goods at these sales, but you know we are all more or less "got" in our ways, and this is our way. The people help us by patronizing us, and we help the people by giving them goods cheaper than they can buy elsewhere. Isn't that a square deal? Our goods must be just as represented, or your money back. Call and see us.

Remember, January 18th to February 8th. S. C. HARTLEY, Meyersdale, Pa.
