When the Hair Falls

Stop it! And why not? Falling hair is a disease, a regular disease; and Ayer's Hair Vigor, as made from our new improved formula, quickly and completely destroys that disease. The hair stops falling out, grows more rapidly, and all dandruff disappears.

Does not change the color of the hair.

Formula with each bottle Ayer's Hair Vigor. Ask him about it, then do as he says.

The little book in each package gives the formula of our new Hair Vigor, tells why each ingredient is used, and explains many other interesting things. After reading you will know why this new hair preparation does its work so well.

If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by E. H. Miller. 2-1

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble, which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. Take something once in a while; especially after meals; something like KODOL For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by E. H. Miller. 2-1

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Every now and then we read in some of our exchanges about somebody having a social party of some kind in honor of a "house guest." What we would like to know is why a guest or a visitor should be spoken of as a "house guest."

But perhaps some people have stable guests, woodshed guests, corn crib guests, etc., and have to use the word "house" to distinguish the difference between a guest in the house or in one of the out-buildings.

A tickling cough, from any cough, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by All Dealers. 2-1

The editor is a very sick man this week, suffering pains so intense as to be almost unendurable. He was taken sick Sunday night, and was unable to report at the office before Wednesday morning. In the evening his condition again became so serious that he was unable to get home without assistance. Since then he has been suffering intensely, almost continually, and at present writing shows little or no sign of improvement. We trust that our readers will overlook all deficiencies in the paper, and continue to do so until the editor is again able to take full charge.

Concerning People Well Known Here.

Mr. and Mrs. W. T. Shoemaker, of Oklahoma City, accompanied by Mrs. D. H. Kelso, who has been down there nursing them during a spell of sickness, arrived Wednesday evening. They have both been in poor health for some time, and we hope the change of climate and careful nursing will soon bring them again to the state of health that they enjoyed when they left this place several years ago.—Carleton (Neb.) Leader.

WHY SUFFER FROM RHEUMATISM?

Murder at Holsopple.

Two undesirable citizens brought into our county have added another murder to the dark pages of Somerset county history. The assassin and his victim were colored miners, the dead man hailing from Johnstown, and the assailant from Tennessee.

The murder occurred on Tuesday evening, shortly after six o'clock, in one of the houses owned by the Haws Coal Company, at Holsopple. The man alleged to have committed the murder gave his name as Charles Butler, and his victim was Frank Garfield. The men had been drinking during the afternoon, and shortly before the tragedy they quarreled about a colored woman, the murder following shortly after the trouble commenced. Garfield fell dead with a bullet in his head.

Butler made his escape, but was arrested at Johnstown. He will be brought to Somerset for trial, says the Somerset Standard of last week.

We have quite a crowd around our place, but there's always room for one more, and our clerks are of the spy kind. They don't keep a customer hanging around half a day before being waited upon.
