Desperate Coughs

Dangerous coughs. Extremely perilous coughs. Coughs that rasp and tear the throat and lungs. Coughs that shake the whole body. You need a regular medicine, a doctor's medicine, for such a cough. Ask your doctor about Ayer's Cherry Pectoral.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

Any good doctor will tell you that a medicine like Ayer's Cherry Pectoral cannot do its best work if the bowels are constipated. Ask your doctor if he knows anything better than Ayer's Pills for correcting this sluggishness of the liver.

Our old friend David Lichty has again planked down the price for six subscriptions to THE STAR, at \$1.25 per year in advance. Mr. Lichty says he was offered six subscriptions to another county paper for less money, but added that the persons he subscribed for prefer THE STAR, and hence he selected it, as usual. For years Mr. Lichty has been paying for six or more subscriptions to this paper, and he always takes advantage of the cash discount, which is a correct idea. He is now almost 70 years old, and his wife is 70. They are a remarkable old couple, and both walk as erect as young people. They are both enjoying splendid health, and they are never more happy than when they are visited by their friends, of which they have many.

Grippe is sweeping the country. Stop it with Preventives, before it gets deeply seated. To check early colds with these little Candy Cold Cure Tablets is surely sensible and safe. Preventives contain no Quinine, no laxative, nothing harsh or sickening. Pneumonia would never appear if early colds were promptly broken. Also good for feverish children. Large box, 48 tablets, 25 cents. Vest pocket boxes 5 cents. Sold by All Dealers. 3-1

The children before going to bed should have their "hour." The intercourse with mother and father, in which should be sweet communion, the giving of childish confidences, and the exchange of views, is more than beneficial to the child. These moments they will carry through life with them. It seems a hard matter to establish upon the proper footing the confidential relations which should obtain between parent and child, and which are so important to the child later. I have seen the grief of many a mother who finds that her daughter will confide to the veriest stranger matters that she will not speak of to her mother, because "Mother will make such a fuss about it." "Mother cannot understand it."

You mothers, whom your daughters need as confidants, whom your sons grow away from, and who grieve in secret over this, analyze the cause. You have, perhaps, been too busy looking after the material welfare of your children, or have left them too much to others. Begin at the very beginning to be with your children at bedtime. Go over with them the events of the day as if you were one of them. It is thus that you will come to the secrets of their young lives; it is thus that you will win their confidences, which will form a habit from which they will not depart in after life. "The Care of Children," in THE LADIES' WORLD for March.

Everything taken into the stomach should be digested fully within a certain time. When you feel that your stomach is not in good order, that the food you have eaten is not being digested, take a good, natural digestant that will do the work the digestive juices are not doing. The best remedy now today for all stomach troubles is Kodol, which is guaranteed to give prompt relief. It is a natural digestant; it digests what you eat, it is pleasant to take and is sold here by E. H. Miller. 3-1

A Good Idea. The Berkeley Springs Messenger taught the teachers of Morgan county a good lesson, last week, by publishing one of their reports of an educational meeting verbatim et literatim et punctatim. The report plainly showed that educational meetings are needed.—Cumberland Alleghanian.

At times when you don't feel just right, when you have a bad stomach, take something right away that will assist digestion; not something that will stimulate for a time, but something that will positively do the very work that the stomach performs under ordinary and normal conditions, something that will make the food digest. To do this you must take a natural digestant like Kodol For Dyspepsia. Kodol is a scientific preparation of vegetable acids with natural digestants, and contains the same juices found in a healthy stomach. Each dose will digest more than 3,000 grains of good food. It is sure to afford prompt relief; it digests what you eat and is pleasant to take. Sold by E. H. Miller. 3-1

Enthusiastic Anti-Saloon League Meeting.

The Anti-Saloon League meeting held in Somerset, last Thursday, was largely attended. Representatives from all parts of the county were there, and the meeting was an enthusiastic one. Stirring addresses were made by prominent speakers, committees were appointed to arrange for an aggressive campaign, etc., and you can look out for a great fight between the saloon and anti-saloon forces at the primary election to be held on the 11 of April.

I wish that I might talk with all sick ones about the actual cause of Stomach, Heart and Kidney ailments. To explain in person how weak Stomach ailments leads to stomach weakness, I am sure would interest all. And it is the same with weak Hearts or weak Kidneys. This is why my prescription—Dr. Shoop's Restorative—so promptly reaches ailments of the Stomach, Heart and Kidneys. It is wrong to drug the Stomach or stimulate the Heart or Kidneys. These weak inside

nerves simply need more strength. My Restorative is the only prescription made expressly for these nerves. Next to seeing you personally, will be to send you free, my new booklet entitled, "What To Do." I will also send samples of my Restorative as well. Write for it a book today. It will surely interest you." Address Dr. Shoop, Box 8, Racine, Wis. Sold by All Dealers. 3-1

Letter from Dixie.

George S. Boushery, who recently moved to Damascus, Va., a small village near the Tennessee border, has the following to say in a recent letter addressed to THE STAR:

"I am always anxious to keep in touch with the Somerset county Dutch, and wish to be classed as one. We are comfortably located here. The mountains of North Carolina and Tennessee are in plain view. What is called the White Top Mountain has been covered with snow since the latter part of October, but we have not had over two inches of snow in the valley, and that only laid a couple of hours.

"Sleighs and sleds are no good here. You can see yoke after yoke of oxen hitched to wagons, twisting and crowding their way along the highway, one usually about four feet ahead of its mate.

"We are all well and happy."

LA GRIPPE AND PNEUMONIA.

Trolley Party.

A trolley party from Meyersdale, consisting of the following named couples, registered at Hotel Wagner, yesterday evening: Mr. and Mrs. W. H. Habel, Mr. and Mrs. P. J. Cover, Mr. and Mrs. W. H. Deeter, Mr. and Mrs. J. S. Graves, Mr. and Mrs. J. F. Naugle, Mr. and Mrs. W. C. Apple, Mr. and Mrs. A. S. Glessner, Mr. and Mrs. W. A. Graves, Mr. and Mrs. H. P. Musser, and Mr. and Mrs. Luke Hay.

A sumptuous supper was served, of which a number of invited home people also partook, as well as a sleighing party from Garrett, composed of J. W. Walker and wife, H. E. Kurtz and wife, A. A. Maust and wife, L. A. Maust and wife and J. A. Merrill and wife.

It is needless to say that the supper was a very fine one, for Hotel Wagner is noted for serving excellent meals, as is also our other hotel, the Valley House. Some hotels cater only to the thirsty, but not so with the Salisbury hotels.

LYDIA MATTHEWS.

Death of a Remarkable Woman.

Last Sunday morning there occurred at the home of her daughter, Mrs. Jennie Frazee, at Selbyport, Md., one of the most remarkable women in Garrett county, Md.—Mrs. Lydia Compton Matthews.

Deceased was aged almost 92 years, and the doctor called during her last illness was the only physician she had any need of during the last 60 years.

Mrs. Matthews was the mother of Ex-County Treasurer W. S. Matthews, of Somerset, and Mrs. Tunison Glatfely, of this place. Her maiden name was Compton, and she was an aunt of the late Samuel Compton, of Elk Lick township. She was indeed a remarkable woman, and few old people could relate more interesting reminiscences than she could.

Mrs. Matthews was married at the age of 16 years, and immediately after her marriage she and her husband took charge of one of the many famous old taverns along the old National Pike. They had for their guests at times such men as General Andrew Jackson, Santa Ana, the great Mexican general, and many other prominent men, including some noted Indian chiefs on their way to Washington to treat with the "Great White Father."

Mrs. Matthews was a famous cook and landlady, also noted for many good traits of character, and in her younger days was considered one of the handsomest women in the country. She retained all her mental faculties to the last.

NEGLECTED COLDS THREATEN LIFE.

[From the Chicago Tribune.]

"Don't trifle with a cold," is good advice for prudent men and women. It may be vital in the case of a child. Proper food, good ventilation, and dry, warm clothing are the proper safeguards against colds. If they are maintained through the changeable weather of autumn, winter and spring, the chances of a surprise from ordinary colds will be slight. But the ordinary light cold will become severe if neglected, and a well established ripe cold is to the germs of diphtheria what honey is to the bee. The greatest menace to child life at this season of the year is the neglected cold." Whether it is a child or adult, the cold slight or severe, the very best treatment that can be adopted is to give Chamberlain's Cough Remedy. It is safe and sure. The great popularity and immense sale of this preparation has been attained by its remarkable cures of this ailment. A cold never results in pneumonia when it is given. J. W. Giffin Meets With Painful Accident.

The following item concerning J. W. Giffin, which appeared in last Saturday's Johnstown Journal, will be very unwelcome news to Mr. Giffin's many Salisbury friends. The people here learned of the death of his wife, who was formerly Miss Jennie Livengood, with much sorrow, and now, so soon thereafter, to learn of Mr. Giffin's painful accident, brings them a double portion of sadness.

"Jacob Giffin, a well known citizen of Conemaugh, was painfully burned about the head and face, yesterday noon, at his home on Railroad street, in that borough. Mr. Giffin recently buried his wife, and from the time of the funeral he has been staying with the family of Burgess Grove. Yesterday he decided to reopen his own home, and in building a fire he threw in some inflammable stuff that was lying around the house. An explosion followed, and his head and face were burned. Dr. Farrell rendered relief, until Mr. Giffin was taken to the Johnstown City Hospital."
