### Dr. King's New Life Pills The best in the world.

## Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments. The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, ceases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

### FOLEY'S KIDNEY CURE Makes Kidneys and Bladder Right

## IS SIMPLE.

Mix This Simple, Helpful Recipe at Home and Try It, Anyway.

Get from any prescription pharmacist the following: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in a New York daily paper, as the finest prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home when asked stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

### EDITOR LENOX A CANDIDATE.

Editor John E. Lenox, of the Berlin Record, has announced his candidacy for the Republican nomination for Clerk of the Courts. If elected he will undoubtedly make a good officer, for he is a man of acknowledged ability, as well as an all-around good fellow. In his paper he has always championed the cause of the farmer, and like his supporters, he says he is opposed to eternally keeping the same men in office. The Somerset Herald, in a recent issue, had the following to say, and everybody who is acquainted with Lenox and his ably edited paper will concur in the Herald's opinion: "Editor John E. Lenox, of the Berlin Record, modestly announces his candidacy in the last issue of his newsy journal for the Republican nomination for Clerk of Courts. One thing is obvious, and that is that a man who can conduct a country weekly as ably as Lenox, can run any of the county offices satisfactorily to the voters." It

### Remonstrances Against Two Somerset County Hotels.

Mr. Driscoll, superintendent of the Pittsburg division of the B. & O. railroad, has written a letter to M. H. Fike, clerk of the courts, remonstrating against the granting of a license to H. C. Farner, proprietor of the Sand Patch hotel. Mr. Driscoll states in his letter that trains are frequently delayed at Sand Patch, which he attributes largely to the fact that trainmen frequent Mr. Farner's bar room.

The B.&O. is also back of a remonstrance filed against Hotel Wabash, which is quite near the B.&O. station at Casselman, the railroad company making allegations similar to those in the Sand Patch case.

That saloons near railroad tracks are a great menace to life and limb, is an undisputed fact. But it is equally true that they are an intolerable nuisance anywhere, at all times inciting trouble and bringing to the surface the worst elements in the make-up of their patrons. Of the Hotel Wabash, we know nothing. But it must be said to the credit of Hotel Farner that it is not one of the joints at which only the booze end of the business is given attention. Its other accommodations are first class, and it is one of the best conducted hostleries in Somerset county. However, we feel sure that if Judge Kooser would grant license to sell liquor to no man, he would not only be doing the right thing from a moral standpoint, but he would be greatly elevated in the esteem of all the right-thinking people in Somerset county.

## PENROSE BEFRIENDS THE COUNTRY PRESS.

The rather peremptory and dictatorial order of the Postoffice Department, that weekly newspapers shall not be permitted the privilege of the mails unless their subscription lists are paid up within one year, may have been well intended, but it was ill-considered, and it is certainly a stretch of authority.

The law declares that all legitimate publications are entitled to the use of the mails at certain rates. No conditions as to the credit which the publisher may see fit to extend to his subscribers are laid down in the statute.

It is the right and the duty of the Postoffice Department to exclude from the mails all illegitimate publications—that is publications issued for the sole purpose of advertising, in other words handbill publications; but it is the rankiest injustice and the greatest folly to set up a general rule highly oppressive to the rank-and-file of the country weeklies in order to catch a few offenders. No general rule can be established for particular cases. It is the duty of the department to sift the bad from the bunch and eliminate them by special process, not to cast a drag-net over the whole.

We are informed that Senator Penrose, who is Chairman of the Senate Committee on Postoffices and Post-roads, has interposed his objections, and has succeeded in having the rule suspended until April 1st, pending further investigation of its wisdom and justice.

Senator Penrose is serving his newspaper constituency to some purpose, and he is making no exceptions of his enemies. In this respect, his action is more creditable than that of the late Senator Quay, who would have punished his friends as well as his foes in the passage of an infamously unjust libel law.—Connellsville Courier.

### Unique Campaign Calendar.

Attractive two color calendars advertising the candidacy of P. L. Livengood, editor of THE SOMERSET COUNTY STAR, for the Assembly, are being distributed throughout the county. For a unique campaign advertising scheme, "Pete's" calendars take the lead. The card is 10x14 inches in size and is printed in black and red, producing a very showy effect. In the center of the upper part of the card, incased in a red border, is a fine half-tone picture of the fearless editor who aspires to represent Somerset county in the Lower house at Harrisburg, below which appears his announcement, subject to the decision of the Republican voters. On the lower part of the card is a yearly calendar, the whole making a mighty clever piece of campaign advertising. The printing was done in "Pete's" STAR office, and reflects much credit upon that establishment.—Berlin Record.

## CAMBRIDGE

### Reversible Sulky Plow

The Cambridge Reversible Sulky Plow is the highest type of plow of the twentieth century—constructed on correct scientific and mechanical principles. It is the result of a constant endeavor to produce a perfect riding plow, and has 23 years experience in plow making back of it. The demand of the times has been for a better plow—the Cambridge plow meets that demand and only needs to be tried to convince the farmer that it is the superior of any riding plow ever before produced. It will do splendid work equally well on level land or on the hillsides; will leave the soil smooth and free of ridges and dead furrows; works with lighter draft than any hand plow doing the same work—easy on man and team. Made in two sizes and from the best malleable iron and high grade steel; improved and extra heavy steel wheels with dust cap and removable chilled boxes. Easy to manage, always under perfect control.
