**Dr. King's New Life Pills**  
The best in the world.

**Indigestion**

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

**FOR ASSEMBLY.**

Charles Rishebarger.

TO THE REPUBLICAN VOTERS OF SOMERSET COUNTY:—

I desire to state that I am a candidate for the office of Assemblyman. I was born and reared in Addison, and never lived elsewhere. I have been a staunch Republican worker for over thirty years. I have never missed but one election, and at that time I was prevented by sickness. I have never asked the voters of Somerset county for any office, except two years ago, when I was a candidate for the same honor I now seek. After some contest at that time, I gave way to my friend and neighbor, the Hon. J. W. Endsley.

I thank all my friends for any interest taken in my behalf at that time, and solicit a continuance of the same at the Primary on April 11, 1908. If I should be nominated and elected I will stand first, last and all the time for what I believe to be for the best interests of Somerset county. I am

Yours Respectfully,

Addison, Pa. CHARLES RISHEBARGER.

The Best Oil doesn't come from a tank wagon. Exposure and much handling spoils it.  
**Family Favorite Oil** The Best for Illuminating.  
Is a clear, colorless, odorless oil that is served by your dealer to you directly from the original barrel. Just like buying from the refinery. Safe and burns out dry to the last drop. Will not smoke chimneys or clog wicks. Speak to your dealer about it.

The Somerset Democrat seems to think that a lie well stuck to is as good as the truth, and it talks glibly of its unfamiliarity with billingsgate, etc. If we mistake not, the editor of the Democrat is a lawyer, and he is also the son of a lawyer, and all such are well versed in billingsgate. He looks like an innocent "sissy," to be sure, with his hair parted in the middle, but when he goes to dabbing himself "a true man," he causes a smile to creep over a fellow's face. Neither he nor his hen-pecked assistant, who is accredited with writing much of the rot that the editor of the Democrat must be held responsible for, will ever be taken for true men, nor even in this age of male "sissies" and cigarettes.

**"MODEST BOSSES."**

From the Johnstown Tribune. One of the things which promoters of the Local Option movement would do well to guard against is being led into doing foolish things by the glamour of a sentiment that seems to be setting pretty strongly in their direction. Most of them, we believe, act from the best motives; though it is not beyond the possibilities that there should creep among them some who are actuated by desires entirely personal, rather than by any consuming desire for the welfare of the public. And it would be just as well for those who are in the movement from disinterested motives to keep watch for this sort of assistance, as well as upon the bounds of their own course.

It is not unlikely that the error into which the Local Option leader is most likely to fall is that of becoming somewhat of a "boss" himself, while investigating in bosses and bossism in general. This is the most likely if he has not been accustomed in the past to take any active part in politics, but it will not hurt the cause any less on that account. As an instance where zeal seems to have run away with good judgment is the action of the heads of the Local

Option movement in regard to the nomination for Assembly on the Republican ticket in Somerset county. There are quite a number of aspirants for that nomination, and to all of them was sent a list of questions which, of course, entirely was within the rights of the Local Option people. But it was stated that, regardless of how many answered satisfactorily, the questions propounded, the Local Option Committee of three, to be enlarged later by itself, proposed to pick out two and favor them. Half a dozen others might be just as strong for Local Option, some of them stronger, but that didn't make any difference; the committee proposed to pick out two of the lot, say they should be elected and the others cast aside.

That was doing pretty well in the Czar line for a starter. But the modest committee didn't stop there. It proposed further that every one of the candidates which it didn't endorse should withdraw from the ticket and leave a clear field for its two favorites. For this it was promised the withdrawing candidates should be "favorably remembered" in the future. This may not be the old brand of political bossism that has become so repugnant to the people in the past years, but will require an expert to discern any improvement over that article.

A GERMAN scientist says that "Marriage develops will power." Also won't power.

NOTWITHSTANDING the extraordinary bomb drop, there is no dearth of candidates for Presidencies and thrones.

**CAMBRIDGE**  
Reversible Sulky Plow  
The Cambridge Reversible Sulky Plow is the highest type of plow of the twentieth century—constructed on correct scientific and mechanical principles. It is the result of a constant endeavor to produce a perfect plow, and has 62 years experience in plow making back of it. The demand of the times has been for a better riding plow—the Cambridge means that demand and only needs to be tried to convince the farmer that it is the superior of any riding plow ever before produced. It will do equal work equally well on level land or on the hillsides. It will leave the soil smooth and free of ridges and dead furrows; works with lighter draft than any hand plow doing the same work—easy on man and team. Made in two sizes and from the best materials—iron and high grade steel; improved and extra heavy steel wheels with dust cap and removable chilled boxes. Easy to manage, always under perfect control.  
SUCCESSFULLY OPERATED BY ANYONE WHO CAN DRIVE A TEAM  
You'll want to know all about the Cambridge before you buy a new plow. Write today for special circular describing its construction and working points. We'll send it free also complete catalog of "The Lovejoy Line" of Farm Tools that will interest you. If we have no dealer in your town, we want to make you a Special-Price Offer that will save you some money.
