Non-alcoholic Sarsaparilla

If you think you need a tonic ask your doctor. If you think you need something for your blood, ask your doctor. If you think you would like to try Ayer's non-alcoholic Sarsaparilla, ask your doctor. Consult him often. Keep in close touch with him.

Ask your doctor to name some of the results of constipation. His long list will begin with sick-headache, billousness, dyspepsia, thin blood, bad skin. Then ask him if he would recommend your using Ayer's Pills.
