**Free from Alcohol**

Since May, 1906, Ayer's Sarsaparilla has been entirely free from alcohol. If you are in poor health, weak, pale, nervous, ask your doctor about taking this non-alcoholic tonic and alternative. If he has a better medicine, take his. Get the best always. This is our advice.

**Ayer's**

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

A sluggish liver means a coated tongue, a bad breath, and constipated bowels. The question is, "What is the best thing to do under such circumstances?" Ask your doctor if this is not a good answer: "Take laxative doses of Ayer's Pills."

To have perfect health we must have perfect digestion, and it is very important not to permit of any delay the moment the stomach feels out of order. Take something at once that you know will promptly and unfailingly assist digestion. There is nothing better than Kodol for dyspepsia, indigestion, sour stomach, belching of gas and nervous headache. Kennedy's Laxative Cough Syrup—the cough syrup that tastes nearly as good as maple sugar, and which children like so well to take. Unlike nearly all other cough remedies, it does not constipate, but on the other hand it acts promptly, yet gently on the bowels, through which the cold is forced out of the system, and at the same time it allays inflammation. Always use Kennedy's Laxative Cough Syrup. Sold by E. H. Miller. 5-1

A barber in Grantsville, it is reported, has a sign out which announces—"Satisfaction Guaranteed, or Your Whiskers Refunded." Which probably induced a Frostburg minister of humorous turn to tell the Journal of how gilt letters had fallen from a shoe-store window, owned by several splendid bachelors, until it reads—"Fine H E S."—Frostburg Mining Journal.

Kodol For Dyspepsia has helped thousands of people who have had stomach trouble. This is what one man says of it: "E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. I could not digest anything I ate and in the spring of 1902 I bought a bottle of Kodol, and the benefit I received from that bottle, all the gold in Georgia could not buy. I still use a little occasionally, as I find it a fine blood purifier and a good tonic. May you live long and prosper. Yours very truly, C. N. Cornell, Roding, Ga., Aug. 27, 2906." Sold by E. H. Miller. 5-1

Without missing a single day of school in ten years, Ellwood Joder, the 16-year-old and only son of Levi J. Joder, of Pine Hill, attended five eight-month terms of school in Meyersdale, and then five seven-month terms in the country school, whither he had to walk each day a considerable distance in the cold weather of the mountain district. He thus has attended school without the break of a single day for 75 months.

Pain, anywhere, can be quickly stopped by one of Dr. Shoop's Pink Pain Tablets. Pain always means congestion—unnatural blood pressure. Dr. Shoop's Pink Pain Tablets simply coax congested blood away from pain centers. These Tablets—known by druggists as Dr. Shoop's Headache Tablets—simply equalize the blood circulation and then pain always departs in 20 minutes. 20 Tablets 25 cents. Write Dr. Shoop, Racine, Wis., for free package. Sold by all dealers. 5-1

We are under obligations to the Meyersdale correspondent to the Connellsville Courier for a very complimentary mention in Monday's edition of that paper. Following is what the aforesaid correspondent has to say: "Peter L. Livengood, editor of the Salisbury STAR, and a candidate for Assembly, passed through town this morning for Somerset, presumably to learn more fully as to the returns of the primary election held yesterday. Mr. Livengood is one of the candidates who failed in election, yet he would have made as good an Assemblyman as any man on the ticket. His friends are sorry he could not win."

That languid, lifeless feeling that comes with spring and early summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired, run-down nerves, but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually reaching that tired spot. The indoor life of winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air ties up the liver, stagnates the kidneys, and at times weakens the heart's action. Use Dr. Shoop's Restorative a few weeks and all will be changed. A few days test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by all dealers. 5-1

 The Brethren church choir, of Meyersdale, will render an Easter cantata in the Salisbury Brethren church, next Monday evening at 8 o'clock. It will be rendered free of charge, and all are cordially invited to turn out and hear it.

**Sues for Divorce.**  
 Agnes E. Merrill, of Elk Lick township, has filed a libel in divorce against her husband, John A. Merrill, in which she alleges that they were married on June 2, 1899, and that in July, 1904, the respondent deserted her. She also alleges that by cruel and barbarous treatment and indignities to her person, respondent rendered her condition intolerable and life burdensome.

**CURED OF RHEUMATISM.**  
 Mr. Wm. Henry, of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says. "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me, and the strength returned. In three weeks the rheumatism had disappeared, and has not since returned." If troubled with rheumatism, try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords. For sale at Miller's drug store. 5-1

**Strange Disappearance of Meyersdale Business Man.**  
 Fred Antolino, an Italian, who for the past two years conducted a grocery and bank at the north approach to the Flaugherty bridge, disappeared the early part of last week, and nothing can be learned of his whereabouts.

Whether or not he took any of the coin of his countrymen with him, cannot be ascertained. He was always considered an honest man, and it may be possible his accounts were settled ere he left. One of the strange features of the disappearance is that local Italians who had deposited funds in the little bank do not seem to be worried over the sudden and unannounced departure of their banker for parts unknown, says a late news dispatch.

**Free To Our Subscribers.**  
 We will be glad to have every reader of our paper take advantage of the following offer: If you will send your name and address to the Pineule Medicine Co., 359 La Salle Ave., Chicago, Ill., they will promptly mail you post-paid a full week's trial of their most excellent preparation.  
 "Pineules." The preparation is put up in little gelatin globules, easy and pleasant to take, and are truly remarkable in their quick effects on all Back Ache, Lame Back, Rheumatism and all Kidney and Bladder affections. In mentioning it will be necessary to write this paper. Please do so. We hope any of our readers who are suffering from any such complaints will take advantage of this offer at once, as we know the preparation is most highly recommended. 5-1

### AFFORDS PERFECT SECURITY.

Foley's Honey and Tar affords perfect security from pneumonia and consumption, as it cures the most obstinate coughs and colds. We have never known a single instance of a cold resulting in pneumonia after Foley's Honey and Tar had been taken. Elk Lick Pharmacy, E. H. Miller, proprietor. 5-1

### Bad Work of Trespassers—Farmers Have Just Cause to Complain.

The farmers of this vicinity are greatly aroused over the frequent outrages committed against them by trespassers. The wanton destruction of property by trespassers has reached that stage where forbearance ceases to be a virtue, and the farmers have just cause for complaint.  
 A couple of weeks ago Elijah Livengood brought to THE STAR office a pine sugar keeler which some rascally trespasser had placed the muzzle of a shotgun against and fired a load of shot through the vessel, presumably to see how big a hole it would make.

And this is only one of the many depredations committed against the farmers by guns in the hands of reckless and criminal fools. The killing and crippling of stock and poultry, damage to fences, drains and crops, pilfering and general thieving on the part of trespassers is of frequent occurrence. Therefore, under the circumstances, about the only thing the farmers can do for the preservation and protection of their property is to unite and appoint a vigilance committee for the detection and punishment of those who commit such outrages.  
 The true sportsman can always be relied upon to assist the farmers in bringing to justice the criminal classes, those who abuse hunting and fishing privileges, or who roam at will over the farmers' lands without asking for permission, wantonly destroying property and committing other outrages which should either land them in the "pen" or cause them to be filled full of buckshot.

### A COMMON MISTAKE.

Many women mistake kidney and bladder troubles for some irregularity peculiar to the sex. Foley's Kidney Remedy corrects irregularities and makes women well. Miss Carrie Harden, Bowling Green, Ky., writes: "I suffered much pain from kidney and bladder trouble until I started to use Foley's Kidney Remedy. The first bottle gave me great relief, and after taking the second bottle I was entirely well." Elk Lick Pharmacy, E. H. Miller, proprietor. 5-1
