Not a drop of Alcohol

Doctors prescribe very little, if any, alcohol these days. They prefer strong tonics and alteratives. This is all in keeping with modern medical science. It explains why Ayer's Sarsaparilla is now made entirely free from alcohol. Ask your doctor. Follow his advice.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

Ayer's

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia. We wish you would ask your doctor about correcting your constipation by taking laxative doses of Ayer's Pills.

To have perfect health we must have perfect digestion, and it is very important not to permit of any delay the moment the stomach feels out of order. Kodol is a natural digestant, and will digest what you eat. Sold by E. H. Miller. 5-1

With a letter recently received from Ed. Flynn, who for the past few years has been located in Arkansas, that gentleman enclosed a neat sum to apply on his subscription to THE STAR. He hopes for better luck, this year, and we trust that his fondest hopes may be realized.

Kennedy's Laxative Cough Syrup—the cough syrup that tastes nearly as good as maple sugar, and which children like so well to take. Unlike nearly all other cough remedies, it does not constipate, but on the other hand it acts promptly, yet gently on the bowels, through which the cold is forced out of the system, and at the same time it allays inflammation. Always use Kennedy's Laxative Cough Syrup. Sold by E. H. Miller. 5-1

Miss Lou Kurtz, one of our old teachers, has our thanks for the price of another year's subscription to THE STAR. In her letter she expresses regret that we failed to secure the Republican nomination for Assembly at the recent primary election, but very truly adds, "It is better to lose on the side of right than to win in the cause of wrong." Miss Kurtz resides in Grantsville, Md.,

but has many friends in Salisbury and vicinity, hence is always interested in the Salisbury news.

Kodol For Dyspepsia has helped thousands of people who have had stomach trouble. This is what one man says of it: "E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. I could not digest anything I ate and in the spring of 1902 I bought a bottle of Kodol, and the benefit I received from that bottle, all the gold in Georgia could not buy. I still use a little occasionally, as I find it a fine blood purifier and a good tonic. May you live long and prosper. Yours very truly, C. N. Cornell, Koding, Ga., Aug. 27, 2006." Sold by E. H. Miller. 5-1

Mrs. Margaret Getty, one of the best-known women of Grantsville, Md., died at her home in that town yesterday morning, aged 71 years. She was the wife of the late Senator Wm. R. Oscar Wagner, who for a long time has been suffering with a very sore hand, went to the Mercy Hospital, in Pittsburg, last week, upon the advice of his physician, to have the sore examined by specialists. We are very sorry to learn that the Pittsburg doctors pronounced the sore a cancer, and recommended the removal of the greater portion of the hand. The remedy is a severe one, but we trust that it will effect a cure. Oscar intends to have the operation performed just as soon as he finishes some painting which he now has on hand. The cancer is on his left hand, but the Pittsburg surgeons think they will be able to save the thumb and index finger.

That languid, lifeless feeling that comes with spring and early summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired, run-down nerves, and but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually reaching that tired spot. The indoor life of winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air ties up the liver, stagnates the kidneys, and oft-times weakens the heart's action. Use Dr. Shoop's Restorative a few weeks and all will be changed. A few days test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by all dealers. 5-1

The Ladies' World for May has a very interesting article by Charles M. Alexander, the singing evangelist, on "The Power of the Gospel Hymn." The author tells the story of the most popular of the songs sung at the revival meetings, and gives incidents where they have touched the hearts of hardened listeners. As Mr. Alexander and the Rev. Wilbur Chapman have just held a very successful meeting in Philadelphia, the article is most timely. The fiction in the number is high class and varied enough to suit all tastes. Elliott Flower describes the painting of a porch in a way that keeps the reader quietly chuckling when not laughing outright, while Susie Bouchelle Wright tells with tender pathos a love story which centers about a musical composition. "The Romance of the Flying Dutchman," and the continuation of "The Captain and the Maid" are all good, while the children have a special treat in the opening chapters of "Elsie and the Arkansas Bear"—a fine combination of Albert Bigelow Paine and Frank Verbeck. The fashions for the month will appeal strongly to the ladies for themselves, and the children, and the dressmaking lesson will be appreciated. Household matters are fully considered, and in a very sensible kind of way, and in addition there is "Fancy Work," "Music," contributions on "Health," "The Children," "Good Looks" and many other things. New York: Fifty Cents a Year.

A WOMAN TELLS HOW TO RELIEVE RHEUMATIC PAINS.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines, but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it, and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—MRS. SARAH A. COLE, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale at Miller's drug store. 5-1
