Alcohol not needed

Ayer's Sarsaparilla is not a strong drink. As now made, there is not a drop of alcohol in it. It is a non-alcoholic tonic and alterative. Ask your own doctor about your taking this medicine for thin, impure blood. Follow his advice every time. He knows.

Ask your doctor, "What is the first great rule of health?" Nine doctors out of ten will quickly reply, "Keep the bowels regular." Then ask him another question, "What do you think of Ayer's Pills for constipation?"

The tabulated election returns as published in the various county papers, last week, contained an error in the figures given for the vote cast for the editor of this paper, who received 50 votes in Jenner township, instead of five, the number credited to him in the published tables. The official returns in the Commissioners' office give the correct figures. The mistake was made in copying.

Miss Marion Rees, who was operated on for appendicitis, some months ago, has had to undergo a third operation. We are told, within the past few days. Her mother has been summoned to her bedside, and very discouraging reports have been reaching Salisbury concerning the patient's condition. Miss Rees is in a Pittsburg hospital, and the belief is growing that the operations she has been subjected to were blunders of the most bungling kind on the part of the physicians and surgeons in charge of her.

Our old friend and former neighbor, Jacob Glotfelty, was a caller at THE STAR office, Monday. He was in his usual good humor, although still suffering somewhat from a severe operation he had to undergo, recently, for the removal of an abscess. He stood the severe pain that attended the operation without taking an anesthetic, which shows that Jacob still possesses all of his old-time grit. He resides on the Gephart farm, about two and a half miles east of Grantville, Md., and he reports excellent prospects for good crops, this year.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine, Wis. A bull owned by Elmer Rantz, of Benton township, Columbia county, is of more service to the owner, he says, than any horse he ever owned, and recently increased his usefulness by being ridden by Rantz from his home to North Mountain, a distance of sixteen miles, nearly all up grade and over a rough, heavy road, in less than two hours, arriving half an hour before Rantz's father, who had started at the same time, driving a horse and light wagon. The trip back was made in even better time, the bull being hitched to the wagon and the horse being fastened behind.

To have perfect health we must have perfect digestion, and it is very important not to permit of any delay the moment the stomach feels out of order. Take something at once that you know will promptly and unfailingly assist digestion. There is nothing better than Kodol for dyspepsia, indigestion, sour stomach, belching of gas and nervous headache. Kodol is a natural digestant, and will digest what you eat. Sold by E. H. Miller. 5-1

William Zufall, a prominent and well-known citizen of Meyersdale, died suddenly and unexpectedly at his home in that town, about 3 o'clock, Tuesday morning. Mr. Zufall served as postmaster in Meyersdale during the late Harrison administration. It is said that he was a heavy loser by the failure of the Farmers' Bank, and that the loss had a very depressing effect upon him and undoubtedly hastened his death. Deceased left a suit pending against S. D. Livengood, the owner of the said bank, involving a large sum of money. Mr. Zufall was aged about 70 years, and he is survived by a wife and several children.

Kennedy's Laxative Cough Syrup—the cough syrup that tastes nearly as good as maple sugar, and which children like so well to take. Unlike nearly all other cough remedies, it does not constipate, but on the other hand it acts promptly, yet gently on the bowels, through which the cold is forced out of the system, and at the same time it allays inflammation. Always use Kennedy's Laxative Cough Syrup. Sold by E. H. Miller. 5-1

Road Supervisors Have Say.

A test case was decided last week by the Superior Court, which holds that only road supervisors have the authority to employ help on township roads. The Court decided that a person cannot turn in and help on township roads, without authority from the supervisors, even where repairs are necessary, and collect for the work. This decision reverses the judgment of the Cameron County Court. In that county a road-master placed his team at work for three days, without authority of the supervisors. An amicable suit was arranged to test the law.

Pain, anywhere, can be quickly stopped by one of Dr. Shoop's Pink Pain Tablets. Pain always means congestion—unnatural blood pressure. Dr. Shoop's Pink Pain Tablets simply coax congested blood away from pain centers. These Tablets—known by druggists as Dr. Shoop's Headache Tablets—simply equalize the blood circulation and then pain always departs in 20 minutes. 20 Tablets 25 cents. Write Dr. Shoop, Racine, Wis., for free package. Sold by all dealers. 5-1

To Test School Law.

The school directors of South Union township, Fayette county, are after a test of the law that provides for the payment of the tuition of poor children who come from other districts. The directors assert that the law is not specific enough in its statement of who shall pay the money for such children. It is argued that the Poor Directors should pay, while others assert that payment should be made by the County Commissioners or by the state. It seems there has never been a test of the law, and these directors want to know how they stand, says an exchange.

Kodol For Dyspepsia has helped thousands of people who have had stomach trouble. This is what one man says of it: "E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. I could not digest anything I ate and in the spring of 1902 I bought a bottle of Kodol, and the benefit I received from that bottle, all the gold in Georgia could not buy. I still use a little occasionally, as I find it a fine blood purifier and a good tonic. May you live long and prosper. Yours very truly, C. N. Cornell, Roding, Ga., Aug. 27, 2006." Sold by E. H. Miller. 5-1

Went West for a Bride.

On Sunday afternoon, Mr. Chauncey M. Fisher, the junior member of the firm of Chas. H. Fisher & Son, took his departure for Carleton, Neb. When he returns to Somerset, Mr. Fisher will be accompanied by a bride, in the person of Miss Bertha Elnora Weimer, who is a granddaughter of Mr. and Mrs. Daniel S. Miller, of Somerset.

The ceremony will take place on Saturday, May 9th, at the residence of the bride's parents in Carleton, Neb. Miss Weimer is a daughter of Mr. and Mrs. Herman L. Weimer, and is well and favorably known at Somerset, where she has visited. Mr. Fisher, who is a progressive young business man, will, as usual, be found at Fishers' bookstore upon the completion of the honeymoon trip.—Somerset Standard.

That languid, lifeless feeling that comes with spring and early summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired, rundown nerves, and but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually reaching that tired spot. The indoor life of winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air ties up the liver, stagnates the kidneys, and oft-times weakens the Heart's action. Use Dr. Shoop's Restorative a few weeks and all will be changed. A few days test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by all dealers. 5-1

Mrs. Josiah W. Durst.

Mrs. Nancy J. Durst, of Grantville, Md., departed this life on Saturday morning, April 25, 1906, after an illness of six weeks of typhoid fever. Mrs. Durst was a daughter of Mr. and Mrs. Andrew Cramer. She lived her life in a quiet, humble way, an incessant toiler, laboring hard and earnestly for her home and family. She had a kind, unselfish disposition, which found expression in many acts of kindness. She was a faithful member of the Grantville Lutheran church, a regular attendant, and always doing what she could. She leaves to mourn her loss, her husband, Mr. Josiah W. Durst, three sons and five daughters, her parents and sisters, besides a host of friends.

Funeral services were conducted by her pastor, Rev. L. P. Young, in the presence of a large concourse of people, on Monday, April 27, 1906. Two children are still sick with fever in the home, but are now convalescing. The sympathy of the community goes out to this home saddened by sickness and death.

DEATH WAS ON HIS HEELS.

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at E. H. Miller's drug store. 50c. and \$1.00. Trial bottle free. 5-1
