A Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor endorses it for your case, take it. If not, don't take it. Never go contrary to his advice.

The dose of Ayer's Pills is small, only one at bedtime. As a rule, laxative doses are better than cathartic doses. For constipation, biliousness, dyspepsia, sick-headaches, they cannot be excelled. Ask your doctor about this.

The trouble with most cough cures is that they constipate. Kennedy's Laxative Cough Syrup does not constipate, but on the other hand its laxative principles gently move the bowels. It is pleasant to take and it is especially recommended for children, as it tastes nearly as good as maple sugar. Sold by E. H. Miller. 6-1

On Thursday, the Standard received through the mail an apple from Joseph Manges, of Shade township, which, he stated in a note, was grown on his farm near Shade Furnace, in the fall of 1908. The apple, which is of the Roxbury variety, is remarkably well preserved.—Somerset Standard.

Mr. John Riha, of Vining, Ia., says: "I have been selling DeWitt's Kidney and Bladder Pills for about a year, and they give better satisfaction than any pill I ever sold. Weak women should read my "Book No. 4 For Women." It was written expressly for women who are not well. The Book No. 4 tells of Dr. Shoop's "Night Cure" and just how these soothing, healing, antiseptic suppositories can be successfully applied. The book, and strictly confidential medical advice is entirely free. Write Dr. Shoop, Racine, Wis. The Night Cure is sold by all dealers. 6-1

Lew S. Keim and family, of Elkins, W. Va., arrived in town, last Friday, for a visit with relatives and friends. Mr. and Mrs. Keim have six healthy-looking children, and it can therefore no longer be said that nothing but hell and tobacco can be raised in West Virginia. The parents are also looking exceedingly hale and hearty, and their many friends here in their old native town are all pleased to have them within our gates.

There is a Pink Pain Tablet made by Dr. Shoop, that will positively stop any pain, anywhere, in 20 minutes. Druggists everywhere sell them as Dr. Shoop's Headache Tablets, but they stop other pains as easily as headache. Dr. Shoop's Pink Pain Tablets simply coax blood pressure away from pain centers—that is all. Pain comes from blood pressure—congestion. Stop that pressure with Dr. Shoop's Headache Tablets and pain is instantly gone. 20 Tablets 25c. Sold by all dealers 6-1

Oscar Wagner and Wm. Bowman went to Pittsburg, yesterday, to have surgical operations performed. Oscar went to have a portion of his left hand removed, which is affected with a cancerous sore, and William went with the intention of being operated on for some internal trouble believed to be appendicitis. We earnestly hope to see both of them return at an early date, entirely rid of the troubles they were suffering with when they went to the city.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine, Wis. Remember it is made expressly and alone for swollen, painful, bleeding or itching piles, either external or internal. Large jar 50c. Sold by all dealers. 6-1

Sam's Political Principles.

A prominent American politician relates the following story:
"Once," he says, "I told three negroes that I'd give a big turkey to the one who'd give the best reason for his being a Republican."
"The first one said: 'It's a 'Publi-kan kase de Publicans sot we nig-gers free.'
"Very good, Pete," said I. "Now, Bill let me hear from you."
"Well, I see a 'Publi-kan kase dye-ve gib us a protective tariff.'
"Fine!" I exclaimed. "Now, Sam, what have you to say?"
"Boss," said Sam, "I see a 'Publi-kan kase I wants dat turkey!'"

The Real Cause.

"What do you suppose is the cause of so many divorces?"
"So many marriages, I think."—Punch.

Not Even One.

Said He—I notice you dub a good many of your acquaintances cranks. I hope you do not consider me a crank?

Well, Well.

Mrs. David Harris, of West Salisbury, died last Thursday, aged 88 years. She had been quite unwell for a long time, but her death was hastened by a stroke of paralysis. Deceased was a native of England, but resided in this country for many years. We can pay her no higher tribute than to say that she was a good wife and mother, a kind neighbor, and was held in high esteem by all who knew her. She is survived by her husband, four sons and two daughters. The funeral service was held at the M. E. church, Friday afternoon.

Mr. C. H. Jennings, President of the P. & M. Street Railway Company, arrived here last Thursday, and remained until Tuesday. He was looking after his business interests here, and his many Salisbury friends were all glad to see him. Since coming to this locality about ten years ago, Mr. Jennings has grown rapidly in the esteem of our people, who have found him to be a man of scrupulous honesty, generous and affable in his disposition, and a great help to the business interests of this entire locality. We need more such men.

The people of Berlin are justly indignant over the fact that the B. & O. Railroad Company, under its new time schedule, has placed that town in the one-mail and one-train-a-day class. Friendsville, Md., and some other B. & O. branch towns, have been placed in the same class. A great howl is going up from the towns thus inconvenienced, but since the P. & M. trolley line taps Salisbury, the people here can wink the other eye at the B. & O. and feel independent. No town in the county has better train accommodations than Salisbury, and we invite the people of Berlin and other one-train-a-day towns to come and locate here, where every prospect pleases and only an occasional man is vile.

Tired nerves, with that "no ambition" feeling that is commonly felt in spring or early summer, can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. One will absolutely note a changed feeling within 48 hours after beginning to take the Restorative. The bowels get sluggish in the winter-time, the circulation often slows up, the Kidneys are inactive, and even the Heart in many cases grows weaker. Dr. Shoop's Restorative is recognized everywhere as a genuine tonic to these vital organs. It builds up and strengthens the worn-out, weakened nerves; it sharpens the falling appetite, and universally aids digestion. It always quickly brings renewed strength, life, vigor, and ambition. Try it and be convinced. Sold by all dealers. 6-1

Ask the Man of the House

to do the washing—do it over the rubboard, if that's what you use, or with the cumbersome wooden washing machine if you have one; not for his regular job—that would be too hard for him, but just long enough to know how hard it is for you to do the washing without the best equipment—how much you need a

Syracuse "EASY" Washer

to despatch the work and save your energy. Why not have a washer, and have it now, that meets all the requirements? Made of galvanized, rust proof steel; indestructible, clean and sanitary; no wooden parts to soak up and retain impurities from dirty suds; no man or motor required to run it; easy because it creates water force by the frictionless air pressure process. No matter how disappointing other washers may have been try an "EASY" and try it now, at our expense for 30 days. Ask for our free book. Pages 21-22 tell you how to save one-half the soap.
