Hundreds of people who suffer from backache, rheumatism, lame back, lumbago and similar ailments are not aware that these are merely symptoms of kidney trouble. Sold by Elk Lick Pharmacy.

Joseph R. Joy, who recently returned to Somerset from Donora, Pa., has been employed by a number of local business men as night watchman. Joy was employed as police officer for a long time by the local authorities, and we believe it is within proper bounds to say that he was the most efficient and fearless guardian of the peace ever engaged by the municipal authorities. His employment at this time by private interests is a recognition of his former service.—Somerset Herald.

If one feels dull and spiritless, in the spring or early summer, they call it "Spring Fever." But there is no fever—usually. It is the after effects of our winter habits. The nerves are mostly at fault. Tired, worn-out nerves leave us languid, lifeless, and without spirit or ambition. A few doses of Dr. Shoop's Restorative will absolutely and quickly change all of these depressing symptoms. The Restorative of course won't bring you back to full health in a day or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching that "tired spot." Druggists everywhere are advising its use as a splendid and prompt general tonic. It gives more vim and more spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a failing appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and ambition. Test it a few days and be convinced. Sold by all dealers.

Both Legs Are Taken Off.

With both legs mangled, Louis Rabbitz, a well known employe of the Babcock Lumber Company, was found at the Eleventh Street railroad crossing, Windber, about 11 o'clock Monday night. He was hurried to the Windber Hospital, where both legs were amputated above the knee. Rabbitz, who is twenty-eight years old and unmarried, was caught in a switch just before the train came down on him. The night was dark and he was not altogether sober, but he at once realized his peril. He said he saw the train coming down on him and shouted, but the engineer could not hear him.

Mrs. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." Foley's Kidney Remedy works where others are a total failure. Elk Lick Pharmacy, E. H. Miller, proprietor.
