**A Hair Dressing**

If you wish a high-class hair dressing, we are sure Ayer's Hair Vigor, now improved formula, will greatly please you. It keeps the hair soft and smooth, makes it look rich and luxuriant, prevents splitting at the ends. And it keeps the scalp free from dandruff.

Does not change the color of the hair.

Formula with each bottle. Show it to your doctor. Ask him about it. Then do as he says.

**Ayer's**  
 At the same time the new Ayer's Hair Vigor is a strong hair tonic, promoting the growth of the hair, keeping all the scales of the hair and scalp in a healthy condition. The hair stops falling, dandruff disappears. A splendid dressing.

In any city where the majority of its citizens are home-owners, one will find pretty homes and happy, satisfied people. They are always on the alert for the best interest of the town and its moral welfare. Where this is not so, such an interest is not displayed.

W. R. Ward, of Dyersburg, Tenn., writes: "This is to certify that I have used Foley's Orino Laxative for chronic constipation, and it has proven without a doubt to be a thorough practical remedy for this trouble, and it is with pleasure I offer my conscientious reference." Elk Lick Pharmacy, E. H. Miller, proprietor. 7-1

When a man in search of a home or business location goes to a town and finds everybody full of hope and enthusiasm over the prospects of the place, he, too, soon becomes imbued with the same spirit, drives down his stake, and goes to work with equal interest.

What are you doing for your town? If you have no confidence in the growth and improvement of the town and country in which you live, how on earth do you expect other people to move among you and cause the country to develop and grow for your benefit?

The good book says, "Give to everyone that asketh thee," but that doesn't mean to give a drunkard money to buy whiskey; it doesn't mean to give the baby a hammer and looking-glass because he asks for it, and it doesn't mean that we should give to professional beggars who travel from town to town. The Bible doesn't always mean what it says, but it always means what it means.

George Billmeyer, of the Billmeyer Lumber Company, Cumberland, Md., was in town yesterday afternoon. He was out at Jennings, Md., on business and pleasure, recently, and reports having made several fine catches of trout in that vicinity. Some of the other Billmeyers were also in this vicinity recently, but we failed to get a glimpse of them. We are always glad to meet the old Montour boys, for they're a jolly, white set of fellows.

The editor of this paper has had a great many severe cases of quinsy in his time, but the last one, which started on him on the 28th ult., is the most virulent and stubborn case of that malady he has ever contended with. He is still in its clutches, but able to do a little work on the paper again. Recovery is very slow, however, and his condition is such that he feels he could die without half trying. The paper will have to be neglected more or less until the editor regains his old-time strength and vigor, which we trust will be soon.

Mrs. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." Foley's Kidney Remedy works where others are a total failure. Elk Lick Pharmacy, E. H. Miller, proprietor. 7-1

"Billy" Bowman, the genial and popular P. & M. motorman who recently went to Pittsburg to be operated on for appendicitis, has returned home. The operation was highly successful, and we are glad to note that "Billy" has almost completely recovered from it. Oscar Wagner, who went to Pittsburg at the same time Bowman went, was operated on for cancer, and it was found necessary to remove all of his left hand, except the thumb. He is getting along as well as can be expected, and we trust that there will be no return of his malady.

We have a very interesting letter on file for publication in next week's STAR, from our brother, W. S. Livengood, who, as a newspaper specialist, recently completed an engagement with the Lincoln (Neb.) Daily Star, and is now filling an engagement with the Duluth (Minn.) News Tribune. Brother William's letter contains a great deal of information concerning some of the people who emigrated west from this locality during years past, which many of our readers will find very interesting. He also expresses himself greatly in favor of an "Old-Home" week for Salisbury, and thinks such an arrangement would bring many people in the far west back on a visit to their dear old native heath.

**Ask the Man of the House** to do the washing—do it over the rubboard, if that's what you use, or with the cumbersome wooden washing machine if you have one; not for his regular job—that would be too hard for him, but just long enough to know how hard it is for you to do the washing without the best equipment—how much you need a **Syracuse "EASY" Washer** to dispatch the work and save your energy.

Why not have a washer, and have it now, that meets all the requirements? Made of galvanized, rust proof steel; i. d. est. useful, clean and sanitary; no wooden parts to soak up and retain impurities from dirty suds; no man or motor required to run it; easy because it creates water force by the frictionless air pressure process.

No matter how disappointing other washers may have been try an "EASY" and try it now, at our expense for 30 days. Ask for our free book. Pages 21-22 tell you how to save one-half the soap.
